I certify that the medication(s) for which reimbursement is requested were received for use by the patient above, and that I (or the patient, if not myself) am eligible for prescription drug benefits. I also certify that the medications received were not for treatment of an on-the-job injury. I recognize reimbursement will be paid directly to me and assignment of these benefits to a pharmacy or any other party is void.

Section C – Coordination of Benefits

You must submit claims within one year of date of purchase or as required by your plan.

When submitting an Explanation of Benefits (EOB) from another Health Plan or Medicare: If you have not already done so, submit the claim to the Primary Plan or Medicare. Once you receive the EOB, complete this form, submit the pharmacy receipts, and attach the EOB. The EOB must clearly indicate the cost of the prescription and amount paid by the Primary Plan or Medicare.

When submitting a copay receipt: If your Primary Plan requires you to pay a copayment or coinsurance to the pharmacy, then no EOB is needed. Just complete this form and submit the pharmacy receipts showing the amount you paid at the pharmacy. These receipts will serve as the EOB.
