

From your home page in the mobile app, touch the circle in the upper left corner.

(OR)

Click Menu, then click Profile.

On the Profile page, press the circle again.

(Android users: you won't see a camera icon; just tap the circle again and skip to step 4).

Be patient -you may have to wait a few seconds for the photo options to appear.

If you don't yet have a photo uploaded, select *Take photo* to take a photo with your phone's camera or *Choose Photo* to select a photo from those stored on your phone.

You will have to give permission for the app to access your camera and photos.

You will have the option to *Take photo*, *Choose photo* or *Remove photo*.

Select *Take* photo or Choose photo to replace the current photo.

Select *Remove photo* to delete the photo and start over.

Once you have taken or chosen a photo, you can crop it by touching the photo and sliding it to the desired location within the circle.

When finished, click SUBMIT. When submitted successfully, this message will appear.

** **NOTE**:

All photos must be business appropriate. Pictures of yourself, pets, children, and favorite places are okay; political, provocative, and controversial pictures are not. Inappropriate photos will be removed.
