DISCUSSION/DECISIONS

1. Ryan Barstow reviewed the upcoming Board of County Commissioners periodic review of the CAC and demonstrated [the questionnaire](#) that will be sent out to collect member feedback for the review.

2. Laurie completed a level setting for the client journey mapping activity by explaining its purpose (identify the existing BH services/resources and gaps in the community) and desired outcome (combine the CAC and TAC feedback from the activity and map the existing services and gaps to inform BHS work and funding priorities).
3. Members then worked on the client journey mapping activity as a group and completed scenarios #1-3 and due to time constraints, agreed that #4-6 will be completed at the next meeting in August.

INFORMATION AND ANNOUNCEMENTS

1. Laurie had an update on a Diversity, Equity & Inclusion (DEI) training opportunity for the BHS advisory groups which was previously requested (and subsequently approved) at a BHPC meeting. Laurie is arranging for a half-day training for all 3 advisory groups presented by Alma Vigo-Morales' local consulting and training group. Members in attendance expressed a preference for the training to be scheduled in late October.
2. Laurie then gave an update on the 3 TAC subcommittees which were formed - Youth Voice, Communications, & Multi-year funding - explaining each groups focus and goal to come up with some recommendations to bring forth to the TAC & CAC for review.
