2021 Employee Survey - Commissioners Office custom report 2021

Survey description

The annual Employee Survey allows you to share how you feel Larimer County is doing as an employer. However, before you get started, we have a couple things to note about this year's survey: 1. Survey responses are confidential. Managers, supervisors, department and division heads will not have access to individual responses. Before releasing text question summaries to departments, HR Generalists will do their best to eliminate any identifying information. 2. For this survey we were required to select pre-written questions, so their terms are not specific to County government. If you need clarification on any of the survey questions prior to responding, please contact [Jennifer Glover](#) or [Marcy Hamilton](#). We greatly appreciate your participation and honest feedback!
