

Building Permit Fee Increase of 2.29% on July 1, 2026

In 2008, the Board of County Commissioners passed a resolution authorizing the Building Division to annually adjust Building Permit Fee Schedule Tables 1-A, 1-B, 1-C, and 1-E based on the US Department of Labor/Bureau of Labor Statistics Consumer Price Index (CPI) for the Denver-Boulder-Greeley, Colorado area. Based on this year's 2.29% increase in the successor regional CPI, the Building Division will adjust those fee tables accordingly, effective July 1, 2026.
