## ARTICLE I DEFINITIONS

As used in this Plan, the following words and phrases shall have the meanings set forth herein unless a different meaning is clearly required by the context:

**1.1 "Account"** means any separate notational account established and maintained by the Administrator for each Participant under the Plan. To the extent applicable, a Participant may have any (or all) of the following notational Accounts:

(a) "Combined Account" means the account representing the Participant's total interest under the Plan resulting from (1) the Employer's contributions in the case of a Profit Sharing Plan or Money Purchase Plan, and (2) the Employer Nonelective Contributions in the case of a 401(k) Profit Sharing Plan. In addition, Forfeitures are part of the Combined Account to the extent they are reallocated. Separate accountings shall be maintained with respect to that portion of a Participant's Account attributable to Employer contributions made pursuant to Section 11.1(a)(2) and to Employer contributions made pursuant to Section 11.1(a)(3).

(b) "Elective Deferral Account" means the account established hereunder to which Elective Deferrals (including a separate accounting for Catch-Up Contributions) are allocated. Amounts in the Participant's Elective Deferral Account are nonforfeitable when made and are subject to the distribution restrictions of Section 11.2(e). The Elective Deferral Account may consist of the sub-Accounts listed below. Unless specifically stated otherwise, any reference to a Participant's Elective Deferral Account will refer to both of these sub-Accounts.

(1) "Pre-Tax Elective Deferral Account" means the portion of the Elective Deferral Account attributable to Pre-Tax Elective Deferrals (i.e., Elective Deferrals that are not subject to federal income tax at the time of their deferral to the Plan).

(2) "Roth Elective Deferral Account" means the portion of the Elective Deferral Account attributable to Roth Elective Deferrals (i.e., that are subject to federal income tax at the time of their deferral to the Plan) which does not include amounts attributable to "in-Plan Roth rollover contributions" (as defined in Section 11.5). No contributions other than Roth Elective Deferrals and properly attributable earnings will be credited to each Participant's Roth Elective Deferral Account.

(c) "In-Plan Roth Rollover Account" means the account attributable to an "in-Plan Roth rollover contribution" (an IRR) that is directly rolled over within this Plan, as defined and described in Section 11.5. The amount thus contributed does not retain the characteristics of the source Account from which the amount of the IRR was distributed.

(d) "In-Plan Roth Transfer Account" means the account attributable an "in-Plan Roth rollover transfer" (an IRT) that is directly rolled over within this Plan, as defined and described in Section 11.5. The amount thus contributed retains the characteristics of the source Account from which the amount of the IRT was distributed (except for the tax treatment of such amount when distributed out of the Plan).

(e) "Mandatory Contribution Account" means the account established hereunder to which mandatory Employee contributions made pursuant to Section 4.8 are allocated, to the extent such contributions are not picked-up by the Employer pursuant to Code §414(h). A Participant's Mandatory Contribution Account shall be fully Vested at all times.

(f) "Rollover Account" means the account established hereunder to which amounts transferred from a qualified plan or individual retirement account in accordance with Section 4.6 are allocated.

(g) "Transfer Account" means the account established hereunder to which amounts transferred to this Plan from a direct plan-to-plan transfer in accordance with Section 4.7 are allocated.

(h) "Voluntary Contribution Account" means the account established hereunder to which after-tax voluntary Employee contributions made pursuant to Section 4.9 are allocated.

**1.2 "Administrator"** means the Employer unless another person, entity or committee has been designated by the Employer pursuant to Section 2.2 to administer the Plan on behalf of the Employer.

**1.3 "Adoption Agreement"** means the separate agreement which is executed by the Employer and sets forth the elective provisions of this Plan as specified by the Employer.

**1.4 "Affiliated Employer"** means any entity required to be aggregated with the Employer pursuant to Code §414.

**1.5 "Affirmative Election"** means a Salary Deferral Agreement submitted by a Participant to the Administrator in accordance with Section 11.2 that provides instructions to defer a specific amount of Compensation (including an affirmative election to defer no amount) as an Elective Deferral to the Plan. A Participant's Affirmative Election is generally effective as of the first payroll period which follows the payroll period in which the Participant made the Affirmative Election. However, a Participant may make an Affirmative Election which is effective: (a) for the first payroll period in which he or she becomes a Participant if the Participant makes an Affirmative Election within a reasonable period following the Participant's becoming eligible to make Elective Deferrals and before the Compensation to which the Election applies becomes currently available; or (b) for the first payroll period following the effective date

of the Automatic Contribution Arrangement if the Participant makes an Affirmative Election not later than the Automatic Contribution Arrangement's effective date.

**1.6 "Alternate Payee"** means an alternate payee pursuant to a qualified domestic relations order that meets the requirements of Code §414(p).

**1.7 "Anniversary Date"** means the last day of the Plan Year.

**1.8 "Annuity Starting Date"** means, with respect to any Participant, the first day of the first period for which an amount is paid as an annuity, or, in the case of a benefit not payable in the form of an annuity, the first day on which all events have occurred which entitles the Participant to such benefit.

**1.9 "Automatic Contribution Arrangement"** means the Automatic Deferral provisions described by Section 11.2.

**1.10 "Automatic Deferral"** means the amount (if any) that a Participant is deemed to defer in accordance with an Automatic Contribution Arrangement. The effective date of an Employee's Automatic Deferral will be as soon as practicable after the Employee is subject to Automatic Deferrals described by the Adoption Agreement, Section 11.2(b), consistent with (a) applicable law, and (b) the objective of affording the Employee a reasonable period of time after receipt of the notice to make an Affirmative Election (and, if applicable, an investment election). All Automatic Deferrals constitute Elective Deferrals.

**1.11 "Beneficiary"** means the person (or entity) to whom all or a portion of a deceased Participant's interest in the Plan is, or may become, payable upon the Participant's death as identified in records maintained by the Plan, subject to the restrictions of Sections 6.2 and 6.6.

**1.12 "Catch-Up Contribution"** means an Elective Deferral made to the Plan by a Catch-Up Eligible Participant that, during any taxable year of such Participant, exceeds one of the following:

- (a) a statutory dollar limit on Elective Deferrals or "annual additions" as provided in Code §401(a)(30), 402(h), 403(b), 408, 415(c), or 457(b)(2) (without regard to Code §457(b)(3)), as applicable; or
- (b) any Plan limit on Elective Deferrals (other than a limit described in (a) above) that applies to Elective Deferrals without regard to Catch-up Contributions, such as the limits on annual additions and the dollar limitation on Elective Deferrals under Code §402(g) (not counting Catch-up Contributions). Catch-up Contributions for a participant for a taxable year may not exceed the lesser of: (1) the dollar limit on Catch-up Contributions under Code §414(v)(2)(B)(i) for the taxable year; or (2) when added to other Elective Deferrals, 100 percent of the Participant's Compensation for the taxable year.

Catch-Up Contributions for a Participant for a Participant's taxable year may not exceed the dollar limit on Catch-Up Contributions under Code §414(v) for the Participant's taxable year. The dollar limit on Catch-Up Contributions under Code §414(v)(2)(B)(i) was \$5,000 for taxable years beginning in 2006. After 2006, the \$5,000 limit was adjusted by the Secretary of the Treasury for cost-of-living increases under Code §414(v)(2)(C) and is \$6,000 for 2018. Any such adjustments shall be in multiples of \$500. Notwithstanding the preceding, different dollar limits apply to Catch-Up Contributions under SIMPLE 401(k) plans (\$3,000 for 2018).

**1.13 "Catch-Up Eligible Participant"** means a Participant who:

- (a) is eligible to make Elective Deferrals to the Plan pursuant to Section 11.2; and
- (b) will attain age 50 or older by the end of such taxable year.

**1.14 "Code"** means the Internal Revenue Code of 1986, as it may be amended from time to time and includes applicable Internal Revenue Service (IRS) guidance.

**1.15 "Compensation"** means, with respect to any Participant, the amount determined in accordance with the following provisions, except as otherwise provided in the Adoption Agreement.

(a) **Base definition.** One of the following, as elected in the Adoption Agreement:

- (1) Information required to be reported under Code §§6041, 6051 and 6052 (Wages, tips and other compensation as reported on Form W-2). Compensation means wages, within the meaning of Code §3401(a), and all other payments of compensation to an Employee by the Employer (in the course of the Employer's trade or business) for which the Employer is required to furnish the Employee a written statement under Code §§6041(d), 6051(a)(3) and 6052. Compensation must be determined without regard to any rules under Code §3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code §3401(a)(2)).
- (2) Code §3401(a) Wages. Compensation means an Employee's wages within the meaning of Code §3401(a) for the purposes of income tax withholding at the source but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code §3401(a)(2)).

(3) 415 safe harbor compensation. Compensation means wages, salaries, Military Differential Pay, and fees for professional services and other amounts received (without regard to whether or not an amount is paid in cash) for personal services actually rendered in the course of employment with the Employer maintaining the Plan to the extent that the amounts are includible in gross income (including, but not limited to, commissions paid salespersons, compensation for services on the basis of a percentage of profits, commissions on insurance premiums, tips, bonuses, fringe benefits, and reimbursements, or other expense allowances under a nonaccountable plan (as described in Regulation §1.62-2(c))), and excluding the following:

- (i) Employer contributions to a plan of deferred compensation which are not includible in the Employee's gross income for the taxable year in which contributed, or Employer contributions under a simplified employee pension plan to the extent such contributions are excludable from the Employee's gross income, or any distributions from a plan of deferred compensation;
- (ii) Amounts realized from the exercise of a nonqualified stock option, or when restricted stock (or property) held by the Employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture;
- (iii) Amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option; and
- (iv) Other amounts which receive special tax benefits, such as premiums for group term life insurance (but only to the extent that the premiums are not includible in the gross income of the Employee and are not salary reduction amounts under Code §125), whether or not the contributions are actually excludable from the gross income of the Employee.

(b) **Paid during "determination period."** Compensation shall include only that Compensation which is actually paid to the Participant during the "determination period". Except as otherwise provided in this Plan, the "determination period" is the period elected by the Employer in the Adoption Agreement. If the Employer makes no election, the "determination period" shall be the Plan Year.

(c) **Inclusion of deferrals.** Notwithstanding the above, unless otherwise elected in the Adoption Agreement, Compensation shall include all of the following types of elective contributions and all of the following types of deferred compensation:

(1) Elective contributions that are made by the Employer on behalf of a Participant that are not includible in gross income under Code §§125, 132(f)(4), 402(e)(3), 402(h)(1)(B), 402(k) and 403(b). ). However, regardless of any election in the Adoption Agreement to the contrary, amounts described in the preceding sentence will be included in Compensation for purposes of making Elective Deferrals under this Plan. If specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), amounts under Code §125 shall be deemed to include any amounts not available to a Participant in cash in lieu of group health coverage because the Participant is unable to certify that he or she has other health coverage. An amount will be treated as an amount under Code §125 pursuant to the preceding sentence only if the Employer does not request or collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.

(2) Compensation deferred under an eligible deferred compensation plan within the meaning of Code §457(b).

(3) Employee contributions described in Code §414(h)(2) that are picked-up by the employing unit and thus are treated as Employer contributions.

(d) **Post-severance compensation – Code §415 Regulations.** The Administrator shall adjust Compensation for amounts that would otherwise be included in the definition of Compensation but are paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Plan Year that includes the date of the Participant's severance from employment with the Employer, in accordance with the following, as elected in the Compensation Section of the Adoption Agreement. The preceding time period, however, does not apply with respect to payments described in Subsections (4) and (5) below. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered Compensation, even if payment is made within the time period specified above.

(1) **Regular pay.** Compensation shall include regular pay after severance of employment (to the extent otherwise included in the definition of Compensation) if:

- (i) The payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
- (ii) The payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.

(2) **Leave cash-outs.** Compensation shall include leave cash-outs if those amounts would have been included in the definition of Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued.

(3) **Deferred compensation.** Compensation shall include deferred compensation if those amounts would have been included in the definition of Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid at the same time if the Participant had continued in employment with the Employer and only to the extent the payment is includible in the Participant's gross income.

(4) **Military Differential Pay.** Compensation shall include payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code §414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.

(5) **Disability pay.** Compensation shall include compensation paid to a Participant who is permanently and totally disabled, as defined in Code §22(e)(3), provided, as elected by the Employer in the Compensation Section of the Adoption Agreement, salary continuation applies to all Participants who are permanently and totally disabled.

(e) **Compensation Dollar limitation.** For any Plan Year (or other applicable determination period) Compensation in excess of \$275,000 shall be disregarded for all purposes other than for purposes of Elective Deferrals, except that the Administrator may impose the limit for purposes of a Plan imposed limit on Elective Deferrals. The dollar amount shall be adjusted by the Commissioner for increases in the cost-of-living in accordance with Code §401(a)(17)(B). The cost-of-living adjustment in effect for a calendar year applies to any "determination period" beginning with or within such calendar year. If a "determination period" consists of fewer than twelve (12) months, the \$275,000 annual Compensation limit will be multiplied by a fraction, the numerator of which is the number of months in the "determination period," and the denominator of which is twelve (12). In applying any Plan limitation on the amount of matching contributions or any Plan limit on Elective Deferrals which are subject to matching contributions, where such limits are expressed as a percentage of Compensation, the Administrator may apply the Compensation limit under this Section annually, even if the matching contribution formula is applied on any time interval which is less than the full Plan Year or the Administrator may pro rate the Compensation limit.

In the case of an "eligible Participant," the dollar limitation under Code §401(a)(17) shall not apply to the extent the amount under the Plan would be reduced below the amount which was allowed to be taken into account under the Plan as in effect on July 1, 1993. For purposes of this provision, an "eligible Participant" is an individual who first became a Participant before the first Plan Year beginning after the earlier of (i) the Plan Year in which the Plan was amended to reflect Code §401(a)(17), or (ii) December 31, 1995.

(f) **Non-eligible Employee.** If, in the Adoption Agreement, the Employer elects to exclude a class of Employees from the Plan, then Compensation for any Employee who becomes eligible or ceases to be eligible to participate during a "determination period" shall only include Compensation while the Employee is an Eligible Employee. In addition, with respect to the determination of any matching contributions, the Plan will disregard Elective Deferrals made while the Participant is not eligible for the matching contribution component of the Plan.

(g) **Amendment.** If, in connection with the adoption of any amendment, the definition of Compensation has been modified, then, except as otherwise provided herein, for Plan Years prior to the Plan Year which includes the adoption date of such amendment, Compensation means compensation determined pursuant to the terms of the Plan then in effect.

(h) **Affiliated Employers.** Affiliated Employers are treated as one Employer for purposes of Compensation. If, however, one or more Affiliated Employers are Participating Employers and the Plan (including the Adoption Agreement or a participation agreement) allocate Employer Contributions separately among the Employees directly employed by a Participating Employer, then, in computing such allocations, Compensation paid by other Participating Employers is excluded Compensation.

**1.16 "Contract" or "Policy"** means any life insurance policy, retirement income policy, or annuity contract (group or individual) issued by the Insurer. In the event of any conflict between the terms of this Plan and the terms of any contract purchased hereunder, the Plan provisions shall control. However, in no event will the terms of the Plan expand distribution rights under the Contracts.

**1.17 "Custodian"** means a person or entity that has custody of all or any portion of the Plan assets.

**1.18 "Directed Trustee"** means a Trustee who, with respect to the investment of Plan assets, is subject to the direction of the Administrator, the Employer, a properly appointed Investment Manager, or Plan Participant.

**1.19 "Discretionary Trustee"** means a Trustee who has the authority and discretion to invest, manage or control any portion of the Plan assets.

**1.20 "Early Retirement Date"** means the date specified in the Adoption Agreement on which a Participant has satisfied the requirements specified in the Adoption Agreement (Early Retirement Age). If elected in the Adoption Agreement, a Participant shall become fully Vested upon satisfying such requirements if the Participant is still employed at the Early Retirement Age.

A Participant who severs from employment after satisfying any service requirement but before satisfying the age requirement for Early Retirement Age and who thereafter reaches the age requirement contained herein shall be entitled to receive benefits under this Plan (other than any accelerated vesting and allocations of Employer contributions) as though the requirements for Early Retirement Age had been satisfied.

**1.21 "Effective Date"** means the date this Plan, including any restatement or amendment of this Plan, is effective. Where the Plan is restated or amended, a reference to Effective Date is the effective date of the restatement or amendment, except where the context indicates a reference to an earlier Effective Date. If any provision of this Plan is retroactively effective, the provisions of this Plan generally control. However, if a provision of this Plan is different from the provision of the Employer's prior plan document and, after the retroactive Effective Date of this Plan, the Employer operated in compliance with the provisions of the prior plan, then the provision of such prior plan is incorporated into this Plan for purposes of determining whether the Employer operated the Plan in compliance with its terms, provided operation in compliance with the terms of the prior plan do not violate any qualification requirements under the Code, Regulations, or other IRS guidance.

The Employer may designate special effective dates for individual provisions under the Plan where provided in the Adoption Agreement or under Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). If one or more qualified retirement plans have been merged into this Plan, the provisions of the merging plan(s) will remain in full force and effect until the effective date of the plan merger(s).

**1.22 "Elective Deferrals"** means the Employer's contributions to the Plan that are made pursuant to a Participant's salary deferral election in accordance with Section 11.2. Elective Deferrals shall be subject to the requirements of Sections 11.2(d) and 11.2(e). The term "Elective Deferrals" includes Pre-Tax Elective Deferrals and, if permitted by the Plan, Roth Elective Deferrals.

**1.23 "Eligible Automatic Contribution Arrangement" (EACA)** means an Automatic Contribution Arrangement that is intended to comply as such for purposes of Code §414(w) and that therefore complies with the Automatic Deferral provisions described in the EACA provisions set forth in Section 11.2(b).

**1.24 "Eligible Employee"** means any Eligible Employee as elected in the Adoption Agreement and as provided herein.

(a) **"Reclassified Employees."** An individual shall not be an Eligible Employee (unless otherwise elected in Appendix A to the Adoption Agreement) if such individual is a "Reclassified Employee." A "Reclassified Employee" is any person the Employer does not treat as a common law employee or as a self-employed individual (including, but not limited to, independent contractors, persons the Employer pays outside of its payroll system and out-sourced workers) for federal income tax withholding purposes under Code §3401(a), irrespective of whether there is a binding determination that the individual is an Employee or a Leased Employee of the Employer. Self-Employed Individuals are not "Reclassified Employees."

(b) **Affiliated Employers.** Employees of an Affiliated Employer will not be treated as Eligible Employees prior to the date the Affiliated Employer adopts the Plan as a Participating Employer.

(c) **Union Employees.** If, in the Adoption Agreement, the Employer elects to exclude union employees, then Employees whose employment is governed by a collective bargaining agreement between the Employer and "employee representatives" under which retirement benefits were the subject of good faith bargaining, shall not be eligible to participate in this Plan to the extent of employment covered by such agreement, unless the agreement provides for coverage in the Plan (see Section 4.1(d)). For this purpose, the term "employee representatives" does not include any organization more than half of whose members are employees who are owners, officers, or executives of the Employer. If a Participant performs services both as a collectively bargained Employee and as a non-collectively bargained Employee, then the Participant's Hours of Service in each respective category are treated separately.

(d) **Nonresident aliens.** If, in the Adoption Agreement, the Employer elects to exclude nonresident aliens, then Employees who are nonresident aliens (within the meaning of Code §7701(b)(1)(B)) who received no earned income (within the meaning of Code §911(d)(2)) from the Employer which constitutes income from sources within the United States (within the meaning of Code §861(a)(3)) shall not be eligible to participate in this Plan. In addition, this paragraph shall also apply to exclude from participation in the Plan an Employee who is a nonresident alien (within the meaning of Code §7701(b)(1)(B)) but who receives earned income (within the meaning of Code §911(d)(2)) from the Employer that constitutes income from sources within the United States (within the meaning of Code §861(a)(3)), if all of the Employee's earned income from the Employer from sources within the United States is exempt from United States income tax under an applicable income tax convention. The preceding sentence will apply only if all Employees described in the preceding sentence are excluded from the Plan.

**1.25 "Employee"** means any person who is employed by the Employer. The term "Employee" shall also include any person who is an employee of an Affiliated Employer and any Leased Employee deemed to be an Employee as provided in Code §414(n) or (o).

**1.26 "Employer"** means the governmental entity specified in the Adoption Agreement, any successor which shall maintain this Plan and any predecessor which has maintained this Plan. In addition, unless the context means otherwise, the term "Employer" shall include any Participating Employer which shall adopt this Plan. This plan may only be adopted a state or local governmental entity, or agency thereof, including an Indian tribal government, and may not be adopted by any other entity, including a federal government and any agency or instrumentality thereof.

**1.27 "Excess Deferrals"** means, with respect to any taxable year of a Participant, either (a) those elective deferrals within the meaning of Code §§402(g) or 402A that are made during the Participant's taxable year and exceed the dollar limitation under Code §402(g) (including, if applicable, the dollar limitation on Catch-Up Contributions defined in Code §414(v)) for such year; or (b) are made during a calendar year and exceed the dollar limitation under Code §§402(g) and 402A (including, if applicable, the dollar limitation on Catch-Up Contributions defined in Code §414(v)) for the Participant's taxable year beginning in such calendar year, counting only Elective Deferrals made under this Plan and any other plan, contract or arrangement maintained by the Employer.

**1.28 "Fiscal Year"** means the Employer's accounting year.

**1.29 "Forfeiture"** means that portion of a Participant's Account that is not Vested and is disposed of in accordance with the provisions of the Plan.

A Forfeiture will occur on the following, as elected by the Employer in the Adoption Agreement:

- (a) The last day of the Plan Year in which a Participant incurs five (5) consecutive 1-Year Breaks in Service, or
- (b) The distribution of the entire Vested portion of the Participant's Account of a Participant who has severed employment with the Employer. For purposes of this provision, if the Participant has a Vested benefit of zero, then such Participant shall be deemed to have received a distribution of such Vested benefit as of the year in which the severance of employment occurs. For this purpose, a Participant's Vested benefit shall not include: (i) qualified voluntary employee contributions within the meaning of Code §72(o)(5)(B), and (ii) the Participant's Rollover Account.
- (c) As soon as reasonable practical after the date a Participant severs employment.

Regardless of the preceding, if a Participant is eligible to share in the allocation of Forfeitures in the year in which the Forfeiture would otherwise occur, then the Forfeiture will not occur until the end of the first Plan Year for which the Participant is not eligible to share in the allocation of Forfeitures. Furthermore, the term "Forfeiture" shall also include amounts deemed to be Forfeitures pursuant to any other provision of this Plan.

**1.30 "Former Employee"** means an individual who has severed employment with the Employer or an Affiliated Employer.

**1.31 "415 Compensation"** means, with respect to any Participant, such Participant's (a) Wages, tips and other compensation on Form W-2, (b) Code §3401(a) wages or (c) 415 safe harbor compensation as elected in the Adoption Agreement for purposes of Compensation (and as defined in Subsections 1.10(a)(1)-3 respectively). 415 Compensation shall be based on the full Limitation Year regardless of when participation in the Plan commences. Furthermore, regardless of any election made in the Adoption Agreement, 415 Compensation shall include any elective deferral (as defined in Code §§402(e)(3), 402(k) and 402(h)(1)(B)) and any amount which is contributed or deferred by the Employer at the election of the Participant and which is not includible in the gross income of the Participant by reason of Code §§125, 457, and 132(f)(4). If the Plan contains pick-up provisions (certain contributions designated as employee contributions, that are then "picked-up" by the Employer), then those pick-up contributions are not includible as Compensation for purposes of IRC §415 & Reg. §1.415-2(d)(2)(i). In addition, Military Differential Pay is treated as 415 Compensation.

(a) **Deemed 125 compensation.** If elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), 415 Compensation shall also include deemed §125 compensation. Deemed §125 compensation is an amount that is excludable under §106 that is not available to a participant in cash in lieu of group health coverage under a §125 arrangement solely because the participant is unable to certify that he or she has other health coverage. An amount will be treated as an amount under Code §125 pursuant to the preceding sentence only if the Employer does not request or collect information regarding the Participant's other health coverage as part of the enrollment process for the health plan.

(b) **Post-severance compensation.** The Administrator shall adjust 415 Compensation for amounts that would otherwise be included in the definition of 415 Compensation but are paid by the later of 2 1/2 months after a Participant's severance from employment with the Employer or the end of the Limitation Year that includes the date of the Participant's severance from employment with the Employer, in accordance with the following, as elected in the Compensation Section of the Adoption Agreement. The preceding time period, however, does not apply with respect to payments described in Subsections (4) and (5) below. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered 415 Compensation, even if payment is made within the time period specified above.

(1) **Regular pay.** 415 Compensation shall include regular pay after severance of employment (to the extent otherwise included in the definition of 415 Compensation) if:

- (i) The payment is regular compensation for services during the Participant's regular working hours, or compensation for services outside the Participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
- (ii) The payment would have been paid to the Participant prior to a severance from employment if the Participant had continued in employment with the Employer.

(2) **Leave cash-outs.** 415 Compensation shall include leave cash-outs if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are for unused accrued bona fide sick, vacation, or other leave, but only if the Participant would have been able to use the leave if employment had continued.

(3) **Deferred compensation.** 415 Compensation shall include deferred compensation if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the Participant's severance from employment with the Employer, and the amounts are received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid if the Participant had continued in employment with the Employer and only to the extent the payment is includible in the Participant's gross income.

(4) **Military Differential Pay.** 415 Compensation shall include payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code §414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.

(5) **Disability pay.** 415 Compensation shall include compensation paid to a Participant who is permanently and totally disabled, as defined in Code §22(e)(3), provided, as elected by the Employer in the Compensation Section of the Adoption Agreement, salary continuation applies to all Participants who are permanently and totally disabled for a fixed or determinable period, or the Participant was not a highly compensated employee (within the meaning of Code §414(q)) immediately before becoming disabled.

(c) **Back pay.** Back pay, within the meaning of Regulations §1.415(c)-2(g)(8), shall be treated as Compensation for the Limitation Year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included under this definition.

(d) **Dollar limitation.** 415 Compensation will be limited to the same dollar limitations set forth in Section 1.10(e) adjusted in such manner as permitted under Code §415(d).

(e) **Amendment.** Except as otherwise provided herein, if, in connection with the adoption of any amendment, the definition of 415 Compensation has been modified, then for Plan Years prior to the Plan Year which includes the adoption date of such amendment, 415 Compensation means compensation determined pursuant to the terms of the Plan then in effect.

**1.32 "Hour of Service"** means (a) each hour for which an Employee is directly or indirectly compensated or entitled to compensation by the Employer for the performance of duties during the applicable computation period (these hours will be credited to the Employee for the computation period in which the duties are performed); (b) each hour for which an Employee is directly or indirectly compensated or entitled to Compensation by the Employer (irrespective of whether the employment relationship has terminated) for reasons other than performance of duties (such as vacation, holidays, sickness, incapacity (including disability), jury duty, lay-off, military duty or leave of absence) during the applicable computation period; (c) each hour for which back pay is awarded or agreed to by the Employer without regard to mitigation of damages (these hours will be credited to the Employee for the computation period or periods to which the award or agreement pertains rather than the computation period in which the award, agreement or payment is made). The same Hours of Service shall not be credited both under (a) or (b), as the case may be, and under (c).

Notwithstanding (b) above, (1) no more than 501 Hours of Service will be credited to an Employee on account of any single continuous period during which the Employee performs no duties (whether or not such period occurs in a single computation period); (2) an hour for which an Employee is directly or indirectly paid, or entitled to payment, on account of a period during which no duties are performed is not required to be credited to the Employee if such payment is made or due under a plan maintained solely for the purpose of complying with applicable workers' compensation, or unemployment compensation or disability insurance laws; and (3) Hours of Service are not required to be credited for a payment which solely reimburses an Employee for medical or medically related expenses incurred by the Employee. Furthermore, for purposes of (b) above, a payment shall be deemed to be made by or due from the Employer regardless of whether such payment is made by or due from the Employer directly, or indirectly through, among others, a trust fund, or insurer, to which the Employer contributes or pays premiums and regardless of whether contributions made or due to the trust fund, insurer, or other entity are for the benefit of particular Employees or are on behalf of a group of Employees in the aggregate.

Hours of Service will be credited for employment with all Affiliated Employers and for any individual considered to be a Leased Employee pursuant to Code §414(n) or 414(o) and the Regulations thereunder.

Hours of Service will be determined using the actual hours method unless one of the methods below is elected in the Adoption Agreement. If the **actual hours** method is used to determine Hours of Service, an Employee is credited with the actual Hours of Service the Employee completes with the Employer or the number of Hours of Service for which the Employee is paid (or entitled to payment).

If the **days worked** method is elected, an Employee will be credited with ten (10) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the day.

If the **weeks worked** method is elected, an Employee will be credited with forty-five (45) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the week.

If the **semi-monthly payroll periods worked** method is elected, an Employee will be credited with ninety-five (95) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the semi-monthly payroll period.

If the **months worked** method is elected, an Employee will be credited with one hundred ninety (190) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the month.

If the **bi-weekly payroll periods worked** method is elected, an Employee will be credited with ninety (90) Hours of Service if under the Plan such Employee would be credited with at least one (1) Hour of Service during the bi-weekly payroll period.

**1.33 "Insurer"** means any legal reserve insurance company which has issued or shall issue one or more Contracts or Policies under the Plan.

**1.34 "Investment Manager"** means a person or entity which renders investment advice for a fee or other compensation, direct or indirect, with respect to any monies or property of the Plan and which is appointed in accordance with Section 2.1(b).

**1.35 "Joint and Survivor Annuity"** means an immediate annuity for the life of a Participant with a survivor annuity for the life of the Participant's Spouse which is not less than fifty percent (50%), nor more than one hundred percent (100%) of the amount of the annuity payable during the joint lives of the Participant and the Participant's Spouse which can be purchased with the Participant's Vested interest in the Plan reduced by any outstanding loan balances pursuant to Section 7.4.

**1.36 "Late Retirement Date"** means the date of, or the first day of the month or the Anniversary Date coinciding with or next following, whichever corresponds to the election in the Adoption Agreement for the Normal Retirement Date, a Participant's actual retirement after having reached the Normal Retirement Date.

**1.37 "Leased Employee"** means any person (other than an Employee of the recipient Employer) who, pursuant to an agreement between the recipient Employer and any other person or entity ("leasing organization"), has performed services for the recipient (or for the recipient and related persons determined in accordance with Code §414(n)(6)) on a substantially full time basis for a period of at least one year, and such services are performed under primary direction or control by the recipient Employer. Contributions or benefits provided a Leased Employee by the leasing organization which are attributable to services performed for the recipient Employer shall be treated as provided by the recipient Employer. Furthermore, Compensation for a Leased Employee shall only include compensation from the leasing organization that is attributable to services performed for the recipient Employer.

A Leased Employee shall not be considered an employee of the recipient Employer if: (a) such employee is covered by a money purchase pension plan providing: (1) a non-integrated employer contribution rate of at least ten percent (10%) of compensation, as defined in Code §415(c)(3), (2) immediate participation, and (3) full and immediate vesting; and (b) leased employees do not constitute more than twenty percent (20%) of the recipient Employer's nonhighly compensated workforce.

**1.38 "Limitation Year"** means the "determination period" used to determine Compensation. However, the Employer may elect a different Limitation Year in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). All qualified plans maintained by the Employer must use the same Limitation Year. Furthermore, unless there is a change to a new Limitation Year, the Limitation Year will be a twelve (12) consecutive month period. In the case of an initial Limitation Year, the Limitation Year will be the twelve (12) consecutive month period ending on the last day of the period specified in the Adoption Agreement. If the Limitation Year is amended to a different twelve (12) consecutive month period, the new "Limitation Year" must begin on a date within the "Limitation Year" in which the amendment is made. The Limitation Year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's Limitation Year, then the Plan is treated as if the Plan had been amended to change its Limitation Year.

**1.39 "Military Differential Pay"** means any differential wage payments made to an individual that represents an amount which, when added to the individual's military pay, approximates the amount of Compensation that was paid to the individual while working for the Employer. An individual receiving a differential wage payment, as defined by Code §3401(h)(2), is treated as an Employee of the Employer making the payment.

**1.40 "Nonelective Contribution"** means the Employer's contributions to the Plan.

**1.41 "Normal Retirement Age"** means the age elected in the Adoption Agreement at which time a Participant's Account shall be nonforfeitable (if elected in the Adoption Agreement and if the Participant is employed by the Employer on or after that date). For money purchase pension plans, if the employer enforces a mandatory retirement age, then the Normal Retirement Age is the lesser of that mandatory age or the age specified in the Adoption Agreement. Upon attaining Normal Retirement Age or the stated age and completion of the required years of service and any other reasonable requirements set forth in the Plan, the Plan will provide for full vesting of an Employee's interest.

**1.42 "Normal Retirement Date"** means the date elected in the Adoption Agreement.

**1.43 "1-Year Break in Service"** means, if the Hour of Service method is used, the applicable computation period that is used to determine a Year of Service during which an Employee or Former Employee has not completed more than 500 Hours of Service. However, if the Employer selected, in the Service Crediting Method Section of the Adoption Agreement, to define a Year of Service as less than 1,000 Hours of Service, then the 500 Hours of Service in this definition of 1-Year Break in Service shall be proportionately reduced. Further, solely for the purpose of determining whether an Employee has incurred a 1-Year Break in Service, Hours of Service shall be recognized for "authorized leaves of absence" and "maternity and paternity leaves of absence." For this purpose, Hours of Service shall be credited for the computation period in which the absence from work begins, only if credit therefore is necessary to prevent the Employee from incurring a 1-Year Break in Service, or, in any other case, in the immediately following computation period. The Hours of Service credited for a "maternity or paternity leave of absence" shall be those which would normally have been credited but for such absence, or, in any case in which the Administrator is unable to determine such hours normally credited, eight (8) Hours of Service per day. The total Hours of Service required to be credited for a "maternity or paternity leave of absence" shall not exceed the number of Hours of Service needed to prevent the Employee from incurring a 1-Year Break in Service.

"Authorized leave of absence" means an unpaid, temporary cessation from active employment with the Employer pursuant to an established policy, whether occasioned by illness, military service, or any other reason.

A "maternity or paternity leave of absence" means an absence from work for any period by reason of the Employee's pregnancy, birth of the Employee's child, placement of a child with the Employee in connection with the adoption of such child, or any absence for the purpose of caring for such child for a period immediately following such birth or placement.

If the elapsed time method is elected in the Service Crediting Method Section of the Adoption Agreement, then a "1-Year Break in Service" means a twelve (12) consecutive month period beginning on the severance from service date or any anniversary thereof and ending on the next succeeding anniversary of such date; provided, however, that the Employee or Former Employee does not perform an Hour of Service for the Employer during such twelve (12) consecutive month period.

**USERRA.** An Employee who has completed qualified military service and who the Employer has rehired under the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA), does not incur a 1-Year Break in Service under the Plan by reason of the period of such qualified military service.

**1.44 "Participant"** means any Employee or Former Employee who has satisfied the requirements of Sections 3.1 and 3.2 and entered the Plan and is eligible to accrue benefits under the Plan. In addition, the term "Participant" also includes any individual who was a Participant (as defined in the preceding sentence) and who must continue to be taken into account under a particular provision of the Plan (e.g., because the individual has an Account balance in the Plan).

**1.45 "Participant Directed Account"** means that portion of a Participant's interest in the Plan with respect to which the Participant has directed the investment in accordance with the Participant Direction Procedures.

**1.46 "Participant Direction Procedures"** means such instructions, guidelines or policies, the terms of which are incorporated herein, as shall be established pursuant to Section 4.10 and observed by the Administrator and applied and provided to Participants who have Participant Directed Accounts.

**1.47 "Participating Employer"** means an Employer which, with the consent of the "lead Employer" adopts the Plan pursuant to Section 10.1 or Article XI. In addition, unless the context means otherwise, the term "Employer" shall include any Participating Employer which shall adopt this Plan.

**1.48 "Period of Service"** means the aggregate of all periods of service commencing with an Employee's first day of employment or reemployment with the Employer or an Affiliated Employer and ending on the first day of a Period of Severance, or for benefit accrual purposes, ending on the severance from service date. The first day of employment or reemployment is the first day the Employee performs an Hour of Service. An Employee who incurs a Period of Severance of twelve (12) months or less will also receive service-spanning credit by treating any such period as a Period of Service for purposes of eligibility and vesting (but not benefit accrual). For purposes of benefit accrual, a Participant's whole year Periods of Service is equal to the sum of all full and partial periods of service, whether or not such service is continuous or contiguous, expressed in the number of whole years represented by such sum. For this purpose, fractional periods of a year will be expressed in terms of days.

Periods of Service with any Affiliated Employer shall be recognized. Furthermore, Periods of Service with any predecessor employer that maintained this Plan shall be recognized. Periods of Service with any other predecessor employer shall be recognized as elected in the Adoption Agreement.

In determining Periods of Service for purposes of vesting under the Plan, Periods of Service will be excluded as elected in the Adoption Agreement and as specified in Section 3.5.

In the event the method of crediting service is amended from the Hour of Service method to the elapsed time method, an Employee will receive credit for a Period of Service consisting of:

- (a) A number of years equal to the number of Years of Service credited to the Employee before the computation period during which the amendment occurs; and
- (b) The greater of (1) the Periods of Service that would be credited to the Employee under the elapsed time method for service during the entire computation period in which the transfer occurs or (2) the service taken into account under the Hour of Service method as of the date of the amendment.

In addition, the Employee will receive credit for service subsequent to the amendment commencing on the day after the last day of the computation period in which the transfer occurs.

**1.49 "Period of Severance"** means a continuous period of time during which an Employee is not employed by the Employer. Such period begins on the date the Employee retires, quits or is discharged, or if earlier, the twelve (12) month anniversary of the date on which the Employee was otherwise first absent from service.

In the case of an individual who is absent from work for "maternity or paternity" reasons, the twelve (12) consecutive month period beginning on the first anniversary of the first day of such absence shall not constitute a one year Period of Severance. For purposes of this paragraph, an absence from work for "maternity or paternity" reasons means an absence (a) by reason of the pregnancy of the individual, (b) by reason of the birth of a child of the individual, (c) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or (d) for purposes of caring for such child for a period beginning immediately following such birth or placement.

**1.50 "Plan"** means this instrument (hereinafter referred to as TIAA Non-Standardized Governmental 401(a) Pre-Approved Plan (Basic Plan Document #03 and the Adoption Agreement) as adopted by the Employer, including all amendments thereto and any appendix which is specifically permitted pursuant to the terms of the Plan.

**1.51 "Plan Year"** means the Plan's accounting year as specified in the Adoption Agreement. Unless there is a Short Plan Year, the Plan Year will be a twelve-consecutive month period.

**1.52 "Pre-Retirement Survivor Annuity"** means an immediate annuity for the life of a Participant's Spouse, the payments under which must be equal to the benefit which can be provided with the percentage, as specified in the Adoption Agreement, of the Participant's Vested interest in the Plan as of the date of death. If no election is made in the Adoption Agreement, the percentage shall be equal to fifty percent (50%). Furthermore, if less than one hundred percent (100%) of the Participant's Vested interest in the Plan is used to provide the Pre-Retirement Survivor Annuity, a proportionate share of each of the Participant's Accounts subject to the Pre-Retirement Survivor Annuity shall be used to provide the Pre-Retirement Survivor Annuity.

**1.53 "Pre-Tax Elective Deferrals"** means a Participant's Elective Deferrals that are not includible in the Participant's gross income at the time deferred.

**1.54 "Regulation"** means the Income Tax Regulations as promulgated by the Secretary of the Treasury or a delegate of the Secretary of the Treasury, and as amended from time to time.

**1.55 "Retirement Date"** means the date as of which a Participant retires for reasons other than Total and Permanent Disability, regardless of whether such retirement occurs on a Participant's Normal Retirement Date, Early Retirement Date or Late Retirement Date (see Section 6.1).

**1.56 "Roth Elective Deferrals"** means a Participant's Elective Deferrals that are includible in the Participant's gross income at the time deferred and have been irrevocably designated as Roth Elective Deferrals at the time of the deferral. Roth Elective Deferrals shall be subject to the requirements of Sections 11.2(d) and 11.2(e). A Participant's Roth Elective Deferrals will be maintained in a separate account containing only the Participant's Roth Elective Deferrals and gains and losses attributable to those Roth Elective Deferrals. In addition, the Administrator shall, to the extent necessary for proper reporting, separately account for any "in-Plan Roth rollover contributions" (as defined in Section 11.5) that are transferred to a Participant's Roth Elective Deferral Account. The portion of a Participant's Account attributable to "in-Plan Roth rollover contributions" is not subject to the distribution restrictions of Section 11.2(e).

**1.57 "Salary Deferral Agreement"** means an agreement between a Participant and the Employer, whereby the Participant elects to reduce Compensation by a specific dollar amount or percentage and the Employer agrees to contribute such amount into the 401(k) Plan. The election may be made electronically in a manner permitted by the Employer. A Salary Deferral Agreement may require that an election be stated in specific percentage increments (not greater than one percent (1%) increments) or in specific dollar amount increments (not greater than dollar increments that could exceed one percent (1%) of Compensation).

A Salary Deferral Agreement may not be effective prior to the later of: (a) the date the Employee becomes a Participant; (b) the date the Participant agrees (including by automatic consent) to the Salary Deferral Agreement; or (c) the date the 401(k) plan is adopted by the Employer or applicable Participating Employer. A Salary Deferral Agreement is valid even though it is executed by an Employee before he or she actually becomes a Participant, so long as the Salary Deferral Agreement is not effective before the date the Employee becomes a Participant. A Salary Deferral Agreement may only apply to Compensation that becomes currently available to the Employee after the effective date of the Salary Deferral Agreement.

**1.58 "Short Plan Year"** means, if specified in the Adoption Agreement or as the result of an amendment, a Plan Year of less than a twelve (12) month period. If there is a Short Plan Year, the following rules shall apply in the administration of this Plan. In determining whether an Employee has completed a Year of Service (or Period of Service if the elapsed time method is used) for benefit accrual purposes in the Short Plan Year, the number of the Hours of Service (or months of service if the elapsed time method is used) required shall be proportionately reduced based on the number of days (or months) in the Short Plan Year.

**1.59 "Spouse"** means, a spouse as determined under federal tax law. In addition, with respect to benefits or rights not mandated by law, Spouse also includes a spouse as elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections).

**1.60 "Terminated Participant"** means a person who has been a Participant, but whose employment has been terminated with the Employer (including an Affiliated Employer) or applicable Participating Employer, other than by death, Total and Permanent Disability or retirement.

**1.61 "Total and Permanent Disability"** means, unless otherwise specified in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve (12) months. The disability of a Participant shall be determined by a licensed physician. However, if the condition constitutes total disability under the federal Social Security Acts, the Administrator may rely upon such determination that the Participant is Totally and Permanently Disabled for the purposes of this Plan. The determination shall be applied uniformly to all Participants.

**1.62 "Trustee"** means any person or entity that has agreed to serve as Trustee pursuant to the terms of the Trust agreement, or any successors thereto. The Employer may designate Trustees by business position or title. In addition, unless the context means, or

the Plan provides, otherwise, the term "Trustee" shall mean the custodian as provided in Section 7.2, or Insurer if the Plan is fully insured. The Employer has no reliance on the IRS opinion letter with respect to the separate Trust agreement.

**1.63 "Trust Fund"** means, if the Plan is funded with a trust, the assets of the Plan and Trust as the same shall exist from time to time.

**1.64 "Valuation Date"** means the date or dates specified in the Adoption Agreement. Regardless of any election to the contrary, for purposes of the determination and allocation of earnings and losses, the Valuation Date shall include the Anniversary Date and may include any other date or dates deemed necessary or appropriate by the Administrator for the valuation of Participants' Accounts during the Plan Year, which may include any day that the Trustee (or Insurer), any transfer agent appointed by the Trustee (or Insurer) or the Employer, or any stock exchange used by such agent, are open for business.

**1.65 "Vested"** means the nonforfeitable portion of any Account maintained on behalf of a Participant.

**1.66 "Year of Service"** means the computation period of twelve (12) consecutive months, herein set forth, and during which an Employee has completed at least 1,000 Hours of Service (unless a different number of Hours of Service is specified in the Adoption Agreement).

For purposes of eligibility for participation, the initial computation period shall begin with the date on which the Employee first performs an Hour of Service (employment commencement date). Unless otherwise elected in the Service Crediting Method Section of the Adoption Agreement, the succeeding computation periods shall begin on the anniversary of the Employee's employment commencement date. However, unless otherwise elected in the Adoption Agreement, if one (1) Year of Service or less is required as a condition of eligibility, then the computation period after the initial computation period shall shift to the current Plan Year which includes the anniversary of the date on which the Employee first performed an Hour of Service, and subsequent computation periods shall be the Plan Year. If there is a shift to the Plan Year, an Employee who is credited with the number of Hours of Service to be credited with a Year of Service in both the initial eligibility computation period and the first Plan Year which commences prior to the first anniversary of the Employee's initial eligibility computation period will be credited with two (2) Years of Service for purposes of eligibility to participate.

If two (2) (or more) Years of Service are required as a condition of eligibility, the Employer may require that a Participant will only have completed two (2) (or more) Years of Service for eligibility purposes upon completing two (2) or more consecutive Years of Service without an intervening 1-Year Break in Service.

For vesting purposes, and all other purposes not specifically addressed in this Section, the computation period shall be the period elected in the Service Crediting Method Section of the Adoption Agreement. If no election is made in the Service Crediting Method Section of the Adoption Agreement, then the computation period shall be the Plan Year.

In determining Years of Service for purposes of vesting under the Plan, Years of Service will be excluded as elected in the Adoption Agreement and as specified in Section 3.5.

Years of Service and 1-Year Breaks in Service for eligibility purposes will be measured on the same eligibility computation period. Years of Service and 1-Year Breaks in Service for vesting purposes will be measured on the same vesting computation period.

Years of Service with any Affiliated Employer shall be recognized. Furthermore, Years of Service with any predecessor employer that maintained this Plan shall be recognized. Years of Service with any other employer shall be recognized as elected in the Adoption Agreement.

In the event the method of crediting service is amended from the elapsed time method to the Hour of Service method, an Employee will receive credit for Years of Service equal to:

- (a) The number of Years of Service equal to the number of 1-year Periods of Service credited to the Employee as of the date of the amendment; and
- (b) In the computation period which includes the date of the amendment, a number of Hours of Service (using the Hours of Service equivalency method, if any, elected in the Adoption Agreement) to any fractional part of a year credited to the Employee under this Section as of the date of the amendment.

## ARTICLE II ADMINISTRATION

### 2.1 POWERS AND RESPONSIBILITIES OF THE EMPLOYER

- (a) **Appointment of Trustee (or Insurer) and Administrator.** In addition to the general powers and responsibilities otherwise provided for in this Plan, the Employer shall be empowered to appoint and remove one or more Trustees (or Insurers) and Administrators from time to time as it deems necessary for the proper administration of the Plan to ensure that the Plan is being operated for the exclusive benefit of the Participants and their Beneficiaries in accordance with the terms of the Plan and the Code. The Employer may appoint counsel, specialists, advisers, agents (including any nonfiduciary agent) and other persons as the Employer deems necessary or desirable in connection with the exercise of its fiduciary duties under

this Plan. The Employer may compensate such agents or advisers from the assets of the Plan as fiduciary expenses (but not including any business (settlor) expenses of the Employer), to the extent not paid by the Employer.

(b) **Appointment of Investment Manager.** Unless prohibited by the terms of the Trust agreement, the Employer may appoint, at its option, one or more Investment Managers, investment advisers, or other agents to provide investment direction to the Trustee (or Insurer) with respect to any or all of the Plan assets. Such appointment shall be given by the Employer in writing in a form acceptable to the Trustee (or Insurer) and shall specifically identify the Plan assets with respect to which the Investment Manager or other agent shall have the authority to direct the investment.

(c) **Indemnity.** To the extent permitted by the Code, and unless otherwise specified in a separate agreement, the Employer will indemnify and hold harmless the Administrator, officers, directors, shareholders, employees, and agents of the Employer; the Plan; the Trustees, Fiduciaries, Participants and Beneficiaries of the Plan, as well as their respective successors and assigns, against any cause of action, loss, liability, damage, cost, or expense of any nature whatsoever (including, but not limited to, attorney's fees and costs, whether or not suit is brought, as well as IRS plan disqualifications, and other sanctions or compliance fees) arising out of or relating to the Employer's noncompliance with any of the Plan's terms or requirements; any intentional or negligent act or omission the Employer commits with regard to the Plan; and any omission or provision of incorrect information with regard to the Plan which causes the Plan to fail to satisfy the requirements of a tax-qualified plan. This indemnity provision shall continue to apply to the Employer with respect to the period the entity was maintaining this Plan, even if the Employer ceases to maintain the Plan.

## **2.2 DESIGNATION OF ADMINISTRATIVE AUTHORITY**

The Employer may appoint one or more Administrators. If the Employer does not appoint an Administrator, the Employer will be the Administrator. Any person, including, but not limited to, the Employees of the Employer, shall be eligible to serve as an Administrator. Any person so appointed shall signify acceptance by filing written or electronic acceptance with the Employer. An Administrator may resign by delivering a written resignation to the Employer or be removed by the Employer by delivery of written notice of removal, to take effect at a date specified therein, or upon delivery to the Administrator if no date is specified. Upon the resignation or removal of an Administrator, the Employer may designate in writing a successor to this position.

## **2.3 ALLOCATION AND DELEGATION OF RESPONSIBILITIES**

If more than one person is appointed as Administrator, then the responsibilities of each Administrator may be specified by the Employer and accepted in writing by each Administrator. If no such delegation is made by the Employer, then the Administrators may allocate the responsibilities among themselves, in which event the Administrators shall notify the Employer and the Trustee (or Insurer) in writing of such action and specify the responsibilities of each Administrator. The Trustee (or Insurer) thereafter shall accept and rely upon any documents executed by the appropriate Administrator until such time as the Employer or the Administrators file with the Trustee (or Insurer) a written revocation of such designation.

## **2.4 POWERS AND DUTIES OF THE ADMINISTRATOR**

The primary responsibility of the Administrator is to administer the Plan for the exclusive benefit of the Participants and their Beneficiaries, subject to the specific terms of the Plan. The Administrator shall administer the Plan in accordance with its terms and shall have the power and discretion to construe the terms of the Plan and determine all questions arising in connection with the administration, interpretation, and application of the Plan. Benefits under this Plan will be paid only if the Administrator decides in its discretion that the applicant is entitled to them. Any such determination by the Administrator shall be conclusive and binding upon all persons. The Administrator may establish procedures, correct any defect, supply any information, or reconcile any inconsistency in such manner and to such extent as shall be deemed necessary or advisable to carry out the purpose of the Plan; provided, however, that any procedure, discretionary act, interpretation or construction shall be done based upon uniform principles consistently applied and shall be consistent with the intent that the Plan continue to be deemed a qualified plan under the terms of Code §401(a). The Administrator shall have all powers necessary or appropriate to accomplish its duties under this Plan.

The Administrator shall be charged with the duties of the general administration of the Plan and the powers necessary to carry out such duties as set forth under the terms of the Plan, including, but not limited to, the following:

- (a) the discretion to determine all questions relating to the eligibility of an Employee to participate or remain a Participant hereunder and to receive benefits under the Plan provided not inconsistent with the terms of the Contracts;
- (b) the authority to review and settle all claims against the Plan, including claims where the settlement amount cannot be calculated or is not calculated in accordance with the Plan's benefit formula. This authority specifically permits the Administrator to settle disputed claims for benefits and any other disputed claims made against the Plan;
- (c) to compute, certify, and direct agents of the Plan respect to the amount and the kind of benefits to which any Participant shall be entitled hereunder;
- (d) to authorize and direct the Trustee (or Insurer) with respect to all discretionary or otherwise directed disbursements from the Trust Fund;
- (e) to maintain all necessary records for the administration of the Plan;

- (f) to interpret the provisions of the Plan and to make and publish such rules for regulation of the Plan that are consistent with the terms hereof;
- (g) to determine the size and type of any Contract to be purchased from any Insurer, and to designate the Insurer from which such Contract shall be purchased;
- (h) to compute and certify to the Employer and to the Trustee (or Insurer) from time to time the sums of money necessary or desirable to be contributed to the Plan;
- (i) to consult with the Employer and agents of the Plan regarding the short and long-term liquidity needs of the Plan;
- (j) to assist Participants regarding their rights, benefits, or elections available under the Plan; and
- (k) to determine the validity of, and take appropriate action with respect to, any "qualified domestic relations order" received by it.

## **2.5 RECORDS AND REPORTS**

The Administrator shall keep a record of all actions taken and shall keep all other books of account, records, and other data that may be necessary for proper administration of the Plan and shall be responsible for supplying all information and reports to the Internal Revenue Service, Participants, Beneficiaries and others as required by applicable law.

## **2.6 APPOINTMENT OF ADVISERS**

The Administrator may appoint counsel, specialists, advisers, agents (including nonfiduciary agents such as third party administrative services providers and recordkeepers) and other persons as the Administrator deems necessary or desirable in connection with the administration of this Plan, including but not limited to agents and advisers to assist with the administration and management of the Plan, and thereby to provide, among such other duties as the Administrator may appoint, assistance with maintaining Plan records and the providing of investment information to the Plan's investment fiduciaries and, if applicable, to Plan Participants.

## **2.7 INFORMATION FROM EMPLOYER**

The Employer shall supply full and timely information to the Administrator on all pertinent facts as the Administrator may require in order to perform its functions hereunder and the Administrator shall advise appropriate agents of the Plan of such of the foregoing facts as may be pertinent to the agent's duties with respect to the Plan. The Administrator may rely upon such information as is supplied by the Employer and shall have no duty or responsibility to verify such information.

## **2.8 PAYMENT OF EXPENSES**

To the extent permitted by the Contracts, all reasonable expenses of administration may be paid out of the Plan assets unless paid by the Employer. Such expenses shall include any expenses incident to the functioning of the Administrator, or any person or persons retained or appointed by any named fiduciary incident to the exercise of their duties under the Plan, including, but not limited to, fees of accountants, counsel, Investment Managers, agents (including nonfiduciary agents such as third party administrative services providers and recordkeepers) appointed for the purpose of assisting the Administrator or Trustee (or Insurer) in carrying out the instructions of Participants as to the directed investment of their Accounts (if permitted) and other specialists and their agents and other costs of administering the Plan. If liquid assets of the Plan are insufficient to cover the fees of the Trustee (or Insurer) or the Administrator, then Plan assets shall be liquidated to the extent necessary for such fees. In the event any part of the Plan assets becomes subject to tax, all taxes incurred will be paid from the Plan assets. Until paid, the expenses shall constitute a liability of the Trust Fund.

**Expenses may be charged to Account.** Unless specifically prohibited under statute, regulation or other guidance of general applicability, the Administrator may charge to the Account of an individual Participant a reasonable charge to offset the cost of making a distribution to the Participant, Beneficiary, or Alternate Payee to the extent permitted by the Contracts.

## **2.9 MAJORITY ACTIONS**

Except where there has been an allocation and delegation of administrative authority pursuant to Section 2.3, if there is more than one Administrator, then they shall act by a majority of their number, but may authorize one or more of them to sign all papers on their behalf.

## **2.10 CLAIMS PROCEDURES**

- (a) **Non-ERISA provisions.** Sections 2.10(a) and (b) apply unless (1) the Administrator has adopted other Plan provisions or other claims procedures that override all or a portion of the provisions set forth in this Plan Section 2.10, or (2) the Employer has elected in the Adoption Agreement to apply all or some of Subsections (c) – (g) below (which are based on provisions of the Employee Retirement Security Act even though ERISA does not apply to this Plan).

Any person who believes that he or she is entitled to a benefit under the Plan shall file with the Administrator a written notice of claim for such benefit within 45 days of such right accruing or shall forever waive entitlement to such benefit. Within 120 days after its receipt of such written notice of claim, the Administrator shall either grant or deny such claim provided, however, any delay on the part of the Administrator in arriving at a decision shall not adversely affect benefits payable under a granted claim. The Administrator may, however, implement claims procedures in addition to those provided in this Plan. The implementation of such procedures shall not be considered a Plan amendment that affects an Employer's reliance on this pre-approved plan.

The Administrator and all persons determining or reviewing claims have full discretion to determine benefit claims under the Plan. Any interpretation, determination or other action of such persons shall be subject to review only if it is arbitrary or capricious or otherwise an abuse of discretion. Any review of a final decision or action of the persons reviewing a claim shall be based only on such evidence presented to or considered by such persons at the time they made the decision that is the subject of review.

(b) **Plan Administrator discretion; court review.** The Administrator and all persons determining or reviewing claims have full discretion to determine benefit claims under the Plan. Any interpretation, determination or other action of such persons shall be subject to review only if it is arbitrary or capricious or otherwise an abuse of discretion. Any review of a final decision or action of the persons reviewing a claim shall be based only on such evidence presented to or considered by such persons at the time they made the decision that is the subject of review.

(c) **Initial Claim.** Claims for benefits under the Plan may be filed in writing with the Administrator. Written or electronic notice of the disposition of a claim shall be furnished to the claimant within ninety (90) days (45 days if the claim involves disability benefits and disability is not based on the Social Security Acts) after the application is filed, or such period as is required by applicable law or Department of Labor regulation. Any electronic notification shall comply with the standards imposed by Department of Labor Regulation §2520.104b-1(c)(1)(i), (iii) and (iv) or any subsequent guidance. In the event the claim is denied, the reasons for the denial shall be specifically set forth in the notice in language calculated to be understood by the claimant, pertinent provisions of the Plan shall be cited, and, where appropriate, an explanation as to how the claimant can perfect the claim will be provided. In addition, the claimant shall be furnished with an explanation of the Plan's claims review procedure.

(d) **Claims review.** Any Employee, Former Employee, or Beneficiary of either, who has been denied a benefit by a decision of the Administrator pursuant to Section 2.10 shall be entitled to request the Administrator to give further consideration to the claim by filing with the Administrator a written request. Such request, together with a written statement of the reasons why the claimant believes such claim should be allowed, shall be filed with the Administrator no later than sixty (60) days after receipt of the written notification provided for in this Section 2.10(c). A final decision as to the allowance of the claim shall be made by the Administrator within sixty (60) days (45 days if the claim involves disability benefits and disability is not based on the Social Security Acts) of receipt of the appeal (unless there has been an extension of sixty (60) days (45 days if the claim involves disability benefits and disability is not based on the Social Security Acts) due to special circumstances, provided the delay and the special circumstances occasioning it are communicated to the claimant within the sixty (60) day period (45 days if the claim involves disability benefits and disability is not based on the Social Security Acts)). Such communication shall be written in a manner calculated to be understood by the claimant and shall include specific reasons for the decision and specific references to the pertinent Plan provisions on which the decision is based. The communication may be written or electronic (provided the electronic communication complies with the standards imposed by Department of Labor Regulation §2520.104b-1(c)(1)(i), (iii) and (iv) or any subsequent guidance). Notwithstanding the preceding, to the extent any of the time periods specified in this Section are amended by law or Department of Labor regulation, then the time frames specified herein shall automatically be changed in accordance with such law or regulation.

(e) **Deadline to file claim.** To be considered timely under the Plan's claims procedures, a claim must be filed under Sections 2.10(c) or (d) above within one year after the claimant knew or reasonably should have known of the principal facts upon which the claim is based. Knowledge of all facts that the Participant knew or reasonably should have known shall be imputed to the claimant for the purpose of applying this deadline.

(f) **Exhaustion of administrative remedies.** The exhaustion of the claims procedures is mandatory for resolving every claim and dispute arising under this Plan. As to such claims and disputes: (1) no claimant shall be permitted to commence any legal action to recover Plan benefits or to enforce or clarify rights under the Plan or under any other provision of law, whether or not statutory, until the claims procedures set forth in Subsections (a) and (b) above have been exhausted in their entirety; and (2) in any such legal action all explicit and all implicit determinations by the Administrator (including, but not limited to, determinations as to whether the claim, or a request for a review of a denied claim, was timely filed) shall be afforded the maximum deference permitted by law.

(g) **Deadline to file action.** No legal action to recover Plan benefits or to enforce or clarify rights under the Plan or under any other provision of law, whether or not statutory, may be brought by any claimant on any matter pertaining to this Plan unless the legal action is commenced in the proper forum before the earlier of: (1) thirty (30) months after the claimant knew or reasonably should have known of the principal facts on which the claim is based, or (2) six (6) months after the claimant has exhausted the claims procedure under this Plan. Knowledge of all facts that the Participant knew or reasonably should have known shall be imputed to every claimant who is or claims to be a Beneficiary of the Participant or otherwise claims to derive an entitlement by reference to the Participant for purposes of applying the previously specified periods.

### ARTICLE III ELIGIBILITY

### 3.1 CONDITIONS OF ELIGIBILITY

An Eligible Employee shall be eligible to participate hereunder on the date such Employee has satisfied the conditions of eligibility, if any, elected in the Adoption Agreement.

### 3.2 EFFECTIVE DATE OF PARTICIPATION

(a) **General rule.** An Eligible Employee who has satisfied the conditions of eligibility pursuant to Section 3.1 shall become a Participant effective as of the date elected in the Adoption Agreement.

(b) **Rehired Employee.** Upon an Employee's rehire, all prior service with the Employer is taken into account for all purposes unless otherwise elected in the Adoption Agreement. This Subsection only applies to the extent the Employer elects to apply the Break-in-Service rules in Appendix A to the Adoption Agreement. If the Break-in-Service rules do apply, then if an Eligible Employee is not employed on the date determined pursuant to (a) above, but is reemployed before a 1-Year Break in Service has occurred, then such Eligible Employee shall become a Participant on the date of reemployment or, if later, the date that the Employee would have otherwise entered the Plan had the Employee not terminated employment. If such Employee incurs a 1-Year Break in Service, then eligibility will be determined under the 1-Year Break in Service rules set forth in Section 3.5.

(c) **Recognition of predecessor service.** Unless specifically provided otherwise in the Adoption Agreement, an Eligible Employee who satisfies the Plan's eligibility requirement conditions by reason of recognition of service with a predecessor employer will become a Participant as of the day the Plan credits service with a predecessor employer or, if later, the date the Employee would have otherwise entered the Plan had the service with the predecessor employer been service with the Employer.

(d) **Noneligible to eligible class.** If an Employee, who has satisfied the Plan's eligibility requirements and would otherwise have become a Participant, shall go from a classification of a noneligible Employee to an Eligible Employee, such Employee shall become a Participant on the date such Employee becomes an Eligible Employee or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee.

(e) **Eligible to noneligible class.** If an Employee, who has satisfied the Plan's eligibility requirements and would otherwise become a Participant, shall go from a classification of an Eligible Employee to a noneligible class of Employees, such Employee shall become a Participant in the Plan on the date such Employee again becomes an Eligible Employee, or, if later, the date that the Employee would have otherwise entered the Plan had the Employee always been an Eligible Employee. However, if such Employee incurs a 1-Year Break in Service, eligibility will be determined under the 1-Year Break in Service rules set forth in Section 3.5 (if applicable to the Plan).

(f) **Matching contributions.** With respect to the determination of any matching contributions, the Plan will disregard Elective Deferrals made while a Participant is not eligible for the matching contribution component of the Plan.

### 3.3 DETERMINATION OF ELIGIBILITY

The Administrator shall determine the eligibility of each Employee for participation in the Plan based upon information furnished by the Employer. Such determination shall be conclusive and binding upon all persons, as long as the same is made pursuant to the Plan

### 3.4 TERMINATION OF ELIGIBILITY

In the event a Participant shall go from a classification of an Eligible Employee to an ineligible Employee, such Participant shall continue to vest in the Plan for each Year of Service (or Period of Service, if the elapsed time method is used) completed while an ineligible Employee, until such time as the Participant's Account is forfeited or distributed pursuant to the terms of the Plan. Additionally, the Participant's interest in the Plan shall continue to share in the earnings of the Trust Fund in the same manner as Participants.

### 3.5 REHIRED EMPLOYEES AND 1-YEAR BREAKS IN SERVICE

(a) **Application of Break-in Service rules.** The Break-in-Service rules set forth in this Section only apply if the Employer elects to apply the Break-in-Service rules in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections). If the Employer does not elect to apply the Break-in-Service rules, all prior service with the Employer is taken into account for all purposes unless otherwise elected in the Adoption Agreement.

(b) **Rehired Participant/immediate re-entry.** If any Former Employee who had been a Participant is reemployed by the Employer, then the Employee shall become a Participant as of the reemployment date, unless the Employee is not an Eligible Employee or unless the Employee does not satisfy the eligibility conditions taking into account prior service to the extent such prior service is not disregarded pursuant to Section 3.5(e) or (f) below. If such prior service is disregarded, then all prior service with the Employer is taken into account for all purposes unless otherwise elected in the Adoption Agreement.

(c) **Rehired Eligible Employee who satisfied eligibility.** If any Eligible Employee had satisfied the Plan's eligibility requirements but, due to a severance of employment, did not become a Participant, then such Eligible Employee shall become a Participant as of the later of (1) the entry date on which he or she would have entered the Plan had there been no severance of employment, or (2) the date of his or her re-employment. Notwithstanding the preceding, if the rehired Eligible Employee's

prior service is disregarded pursuant to Section 3.5(e) or (f) below, then all prior service with the Employer is taken into account for all purposes unless otherwise elected in the Adoption Agreement.

(d) **Rehired Eligible Employee who had not satisfied eligibility.** If any Eligible Employee who had not satisfied the Plan's eligibility requirements is rehired after severance from employment, then such Eligible Employee shall become a Participant in the Plan in accordance with the eligibility requirements set forth in the Adoption Agreement and the Plan. However, in applying any shift in an eligibility computation period, the Eligible Employee is not treated as a new hire unless prior service is disregarded in accordance with Section 3.5(e) or (f) below.

(e) **Reemployed after five (5) 1-Year Breaks in Service ("rule of parity" provisions).** If the Employer elects in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) to apply the "rule of parity" provisions, then if any Employee is reemployed after five (5) 1-Year Breaks in Service has occurred, Years of Service (or Periods of Service if the elapsed time method is being used) shall include Years of Service (or Periods of Service if the elapsed time method is being used) prior to the five (5) 1-Year Breaks in Service subject to the rules set forth below. The Employer may elect in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) to make the provisions of this paragraph applicable for purposes of eligibility and/or vesting.

(1) In the case of a Former Employee who under the Plan does not have a nonforfeitable right to any interest in the Plan resulting from Employer contributions, Years of Service (or Periods of Service) before a period of 1-Year Breaks in Service will not be taken into account if the number of consecutive 1-Year Breaks in Service equals or exceeds the greater of (i) five (5) or (ii) the aggregate number of pre-break Years of Service (or Periods of Service). Such aggregate number of Years of Service (or Periods of Service) will not include any Years of Service (or Periods of Service) disregarded under the preceding sentence by reason of prior 1-Year Breaks in Service;

(2) A Former Employee who has not had Years of Service (or Periods of Service) before a 1-Year Break in Service disregarded pursuant to (1) above, shall participate in the Plan as of the date of reemployment, or if later, as of the date the Former Employee would otherwise enter the Plan pursuant to Sections 3.1 and 3.2 taking into account all service not disregarded.

(f) **No restoration under two (2) 1 Year Breaks in Service rule.** The Administrator in applying this Subsection does not restore any service disregarded under the two (2) (or more) 1 Year Breaks in Service rule in Section 1.88.

(g) **Vesting after five (5) 1-Year Breaks in Service.** If the Employer elects in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) to apply the Break-in-Service rules, then if a Participant incurs five (5) consecutive 1-Year Breaks in Service, the Vested portion of such Participant's Account attributable to pre-break service shall not be increased as a result of post-break service. In such case, separate accounts will be maintained as follows:

(1) one account for nonforfeitable benefits attributable to pre-break service; and

(2) one account representing the Participant's Employer-derived Account balance in the Plan attributable to post-break service.

(h) **Waiver of allocation or contribution conditions.** If the Employer elects in the Adoption Agreement to waive allocations or contributions due to retirement (early or normal retirement), then a Participant shall only be entitled to one such waiver. Accordingly, if a Participant retires and allocation or contribution conditions are waived, then the Plan will not waive the allocation or contribution conditions if the Participant is rehired and then retires again.

### **3.6 ELECTION NOT TO PARTICIPATE**

An Employee may, subject to the approval of the Employer, elect voluntarily not to participate in any component of the Plan before the Employee first becomes eligible to participate in any qualified plan (subject to Code §401(a)), or any other plan or arrangement of the employer that is described in Code section 219(g)(5)(A) (whether or not terminated) maintained by the Employer. Such election must be made upon inception of the Plan or such other plan or arrangement or at any time prior to the time the Employee first becomes eligible to participate under any such plan maintained by the Employer. The election not to participate must be irrevocable and communicated to the Employer, in writing, within a reasonable period of time before the date the Employee would have otherwise entered the Plan. Notwithstanding anything in this Section to the contrary, if any prior Plan document of this Plan contained a provision permitting an Employee to make a revocable election not to participate and an Employee made such revocable election not to participate while that prior Plan document was in effect, then such Employee's waiver shall continue to be in effect.

### **3.7 OMISSION OF ELIGIBLE EMPLOYEE; INCLUSION OF INELIGIBLE EMPLOYEE**

If, in any Plan Year, any Employee who should be included as a Participant in the Plan is erroneously omitted and discovery of such omission is not made until after a contribution by the Employer for the year has been made and allocated, or any person who should not have been included as a Participant in the Plan is erroneously included, then the Employer may take corrective actions consistent with, the IRS Employee Plans Compliance Resolution System (i.e., Rev. Proc. 2018-52, Rev. Proc. 2019-19, or any subsequent guidance).

## ARTICLE IV CONTRIBUTION AND ALLOCATION

### 4.1 FORMULA FOR DETERMINING EMPLOYER'S CONTRIBUTION

(a) **For a Money Purchase Plan.** All contributions made by the Employer will be made in cash. For each Plan Year, the Employer will contribute to the Plan the following:

- (1) The amount of any mandatory Employee contributions and after-tax voluntary Employee contributions made by Participants; plus
- (2) On behalf of each Participant eligible to share in allocations, for each year of such Participant's participation in this Plan, the Employer will contribute the amount specified in the Adoption Agreement; plus
- (3) If elected in the Adoption Agreement, a matching contribution equal to the amount specified in the Adoption Agreement of each Participant eligible to share in the allocations of the matching contribution, which amount shall be deemed an Employer matching contribution.

(b) **For a 401(a) Plan.** For each Plan Year, the Employer will (or may with respect to any discretionary contributions) contribute to the Plan:

- (1) The amount of any mandatory Employee contributions and after-tax voluntary Employee contributions; plus
- (2) If elected in the Adoption Agreement, a matching contribution equal to the amount specified in the Adoption Agreement of each Participant eligible to share in the allocations of the matching contribution, which amount shall be deemed an Employer matching contribution; plus
- (3) If elected in the Adoption Agreement, an Employer contribution equal to a specified contribution or a discretionary amount determined each year by the Employer.

(c) **Frozen Plans.** The Employer may designate that the Plan is a frozen Plan at the Contribution Types Section of the Adoption Agreement. As a frozen Plan, the Employer will not make any Employer contributions with respect to Compensation earned after the date the Plan is frozen, and if the Plan is a 401(k) Plan, no Participant will be permitted to make Elective Deferrals to the Plan for any period following such date. In addition, once a Plan is frozen, no additional Employees shall become Participants.

(d) **Union Employees.** Regardless of any provision in this Plan to the contrary, Employees whose employment is governed by a collective bargaining agreement between the Employer and "employee representatives" under which retirement benefits were the subject of good faith bargaining shall be eligible to participate in this Plan to the extent of employment covered by such agreement provided the agreement provides for coverage in the Plan. The benefits, including but not limited to, contributions, allocations and vesting, under this Plan shall be those set forth in the Adoption Agreement. For this purpose, the term "employee representatives" does not include any organization more than half of whose members are employees who are owners, officers, or executives of the Employer. If a Participant performs services both as a collectively bargained Employee and as a non-collectively bargained Employee, then the Participant's Hours of Service and Compensation in each respective category are treated separately for purposes of the Plan.

(e) **Social Security Replacement Plan.** The Employer may elect under the Adoption Agreement to indicate its intention to qualify this Plan as a Social Security Replacement Plan under Code §3121(b)(7)(F). If the Employer makes the election to qualify the Plan as a Social Security Replacement Plan, the Plan will allocate a minimum contribution amount (Employer and Employee Contributions) of seven and one-half percent (7.5%) of Compensation up to the taxable wage base (the contribution and benefit base under Section 230 of the Social Security Act at the beginning of such Plan Year). The Plan will consider each Participant a member of a retirement system that provides benefits comparable to the benefits he or she would have received under Social Security. In the case of part-time, seasonal and temporary Employees, the benefit will be nonforfeitable.

### 4.2 TIME OF PAYMENT OF EMPLOYER'S CONTRIBUTION

Unless otherwise provided by contract or law, the Employer may make its contribution to the Plan for a particular Plan Year at such time as the Employer, in its sole discretion, determines. If the Employer makes a contribution for a particular Plan Year after the close of that Plan Year, the Employer will designate to the Administrator the Plan Year for which the Employer is making its contribution.

### 4.3 ALLOCATION OF CONTRIBUTIONS, FORFEITURES AND EARNINGS

(a) **Separate accounting.** The Administrator shall establish and maintain an Account in the name of each Participant to which the Administrator shall credit as of each Anniversary Date, or other Valuation Date, all amounts allocated to each such Participant as set forth herein.

(b) **Allocation of contributions.** The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of the Employer's contribution, if any, for each Plan Year. Within a reasonable period

of time after the date of receipt by the Administrator of such information, the Administrator shall allocate any contributions as follows:

(1) **Money Purchase Pension Plan.** For a Money Purchase Plan:

- (i) The Employer's contribution shall be allocated to each Participant's Account in the manner set forth in Section 4.1 herein and as specified in the Adoption Agreement.
- (ii) Notwithstanding the preceding provisions, a Participant shall only be eligible to share in the allocations of the Employer's contribution for the year if the Participant is an Eligible Employee at any time during the year and the conditions set forth in the Adoption Agreement are satisfied.

(2) **401(a) Plan.** For a 401(a) Plan (which is a profit sharing plan within the meaning of Code §401(a)):

- (i) The Employer's contribution shall be allocated to each Participant's Account in accordance with the allocation method that corresponds with the elections in the Adoption Agreement. The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of the Employer's contribution for each Plan Year. Within a reasonable period of time after the date of receipt by the Administrator of such information, the allocation shall be made in accordance with the elections in the Adoption Agreement.
- (ii) Notwithstanding the preceding provision, a Participant shall only be eligible to share in the allocations of the Employer's contribution for the year if the Participant is an Eligible Employee at any time during the year and the conditions set forth in the Adoption Agreement are satisfied.

(c) **Gains or losses.** Except as otherwise provided in Section 4.10 with respect to Participant Directed Accounts, as of each Valuation Date, before allocation of any Employer contributions and Forfeitures, any earnings or losses (net appreciation or net depreciation) of the Trust Fund (exclusive of assets segregated for distribution) shall be allocated in accordance with such rules and procedures that are established by the Administrator and that are applied in a uniform manner based upon the investments of the Trust Fund and the Participants' accounts to which the net income is allocated. For purposes of this Section, the term "net income" means the net of any interest, dividends, unrealized appreciation and depreciation, capital gains and losses, and investment expenses of the Trust Fund determined on each Valuation Date. However, Participants' accounts which have been segregated for investment purposes (including any Participant Directed Accounts) will only have the net income earned thereon allocated thereto. Policy dividends or credits will be allocated to the Participant's Account for whose benefit the Policy is held.

**Recapture account.** The Administrator in its discretion may use a "Recapture Account" to pay non-settlor Plan expenses and may allocate funds in the "Recapture Account" (or excess funds therein after payment of Plan expenses) as earnings or as otherwise permitted by applicable law. The Administrator will exercise its discretion in a reasonable, uniform manner. A "Recapture Account" is an account designated to receive amounts which a Plan service provider receives in the form of 12b-1 fees, sub-transfer agency fees, shareholder servicing fees or similar amounts (also known as "revenue sharing"), which are received by the service provider from a source other than the Plan and which the service provider may remit to the Plan.

**Late trading and market timing settlement.** In the event the Plan becomes entitled to a settlement from a mutual fund or other investment relating to late trading, market timing or other activities, the Administrator will allocate the settlement proceeds to Participants and Beneficiaries in accordance with applicable law.

(d) **Contracts.** Participants' Accounts shall be debited for any insurance or annuity premiums paid, if any, and credited with any dividends or interest received on Contracts.

(e) **Forfeitures.** Forfeitures must be disposed of no later than the last day of the Plan Year following the Plan Year in which the Forfeiture occurs. The Employer may direct the Administrator to use Forfeitures to satisfy any contribution that may be required pursuant to Section 6.10 or to pay any Plan expenses. With respect to a Money Purchase Plan, any remaining Forfeitures will be disposed of in accordance with the elections in the Adoption Agreement. With respect to all other plans, the Employer must direct the Administrator to use any remaining Forfeitures in accordance with any combination of the following methods, including a different method based on the source of such Forfeitures. Forfeitures may be:

- (1) Added to any Employer discretionary contribution and allocated in the same manner
- (2) Used to reduce any Employer contribution
- (3) Added to any Employer matching contribution and allocated as an additional matching contribution
- (4) Allocated to all Participants in the same proportion that each Participant's Compensation for the Plan Year bears to the Compensation of all Participants for such year

If Forfeitures are allocated to Participants (rather than used to reduce Employer contributions) then the Employer must also direct the Administrator as to which Participants are eligible to share in such allocation.

(f) **Delay in processing transactions.** Notwithstanding anything in this Section to the contrary, all information necessary to properly reflect a given transaction may not be available until after the date specified herein for processing such transaction, in

which case the transaction will be reflected when such information is received and processed. Subject to express limits that may be imposed under the Code, the processing of any contribution, distribution or other transaction may be delayed for any legitimate business reason (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, force majeure, the failure of a service provider to timely receive values or prices, and correction for errors or omissions or the errors or omissions of any service provider). The processing date of a transaction will be binding for all purposes of the Plan.

#### **4.4 MAXIMUM ANNUAL ADDITIONS**

##### **(a) Calculation of "annual additions."**

(1) If a Participant does not participate in, and has never participated in another qualified plan maintained by the "employer," or a welfare benefit fund (as defined in Code §419(e)) maintained by the "employer," or an individual medical benefit account (as defined in Code §415(l)(2)) maintained by the "employer," or a simplified employee pension (as defined in Code §408(k)) maintained by the "employer" which provides "annual additions," the amount of "annual additions" which may be credited to the Participant's Accounts for any Limitation Year shall not exceed the lesser of the "maximum permissible amount" or any other limitation contained in this Plan. If the "employer" contribution that would otherwise be contributed or allocated to the Participant's Accounts would cause the "annual additions" for the Limitation Year to exceed the "maximum permissible amount," the amount contributed or allocated will be reduced so that the "annual additions" for the Limitation Year will equal the "maximum permissible amount," and any amount in excess of the "maximum permissible amount" which would have been allocated to such Participant may be allocated to other Participants.

(2) Prior to determining the Participant's actual 415 Compensation for the Limitation Year, the "employer" may determine the "maximum permissible amount" for a Participant on the basis of a reasonable estimation of the Participant's 415 Compensation for the Limitation Year, uniformly determined for all Participants similarly situated.

(3) As soon as is administratively feasible after the end of the Limitation Year, the Administrator shall determine the "maximum permissible amount" for each Participant for such Limitation Year on the basis of the Participant's actual 415 Compensation for such Limitation Year.

##### **(b) "Annual additions" if a Participant is in more than one plan.**

(1) Except as provided in Subsection (c) below, this Subsection applies if, in addition to this Plan, a Participant is covered under another "employer" maintained qualified defined contribution plan, welfare benefit fund (as defined in Code §419(e)), individual medical benefit account (as defined in Code §415(l)(2)), or simplified employee pension (as defined in Code §408(k)), which provides "annual additions," during any Limitation Year. The "annual additions" which may be credited to a Participant's Accounts under this Plan for any such Limitation Year shall not exceed the "maximum permissible amount" reduced by the "annual additions" credited to a Participant's Accounts under the other plans and welfare benefit funds, individual medical benefit accounts, and simplified employee pensions for the same Limitation Year. If the "annual additions" with respect to the Participant under other defined contribution plans and welfare benefit funds maintained by the "employer" are less than the "maximum permissible amount" and the "employer" contribution that would otherwise be contributed or allocated to the Participant's Accounts under this Plan would cause the "annual additions" for the Limitation Year to exceed this limitation, the amount contributed or allocated will be reduced so that the "annual additions" under all such plans and welfare benefit funds for the Limitation Year will equal the "maximum permissible amount," and any amount in excess of the "maximum permissible amount" which would have been allocated to such Participant may be allocated to other Participants. If the "annual additions" with respect to the Participant under such other defined contribution plans, welfare benefit funds, individual medical benefit accounts and simplified employee pensions in the aggregate are equal to or greater than the "maximum permissible amount," no amount will be contributed or allocated to the Participant's Account under this Plan for the Limitation Year.

(2) Prior to determining the Participant's actual 415 Compensation for the Limitation Year, the "employer" may determine the "maximum permissible amount" for a Participant on the basis of a reasonable estimation of the Participant's 415 Compensation for the Limitation Year, uniformly determined for all Participants similarly situated.

(3) As soon as is administratively feasible after the end of the Limitation Year, the Administrator shall determine the "maximum permissible amount" for each Participant for such Limitation Year on the basis of the Participant's actual 415 Compensation for the Limitation Year.

(4) If, pursuant to Section 4.4(b)(2), a Participant's "annual additions" under this Plan and such other plans would result in an "excess amount" for a Limitation Year, the "excess amount" will be deemed to consist of the "annual additions" last allocated, except that "annual additions" attributable to a simplified employee pension will be deemed to have been allocated first, followed by "annual additions" to a welfare benefit fund or individual medical benefit account, and then by "annual additions" to a plan subject to Code §412, regardless of the actual allocation date.

(5) If an "excess amount" was allocated to a Participant on an allocation date of this Plan which coincides with an allocation date of another plan, the "excess amount" attributed to this Plan will be the product of:

- (i) the total "excess amount" allocated as of such date, times

(ii) the ratio of (A) the "annual additions" allocated to the Participant for the Limitation Year as of such date under this Plan to (B) the total "annual additions" allocated to the Participant for the Limitation Year as of such date under this and all the other qualified defined contribution plans.

(c) **Coverage under another plan.** If the Participant is covered under another qualified defined contribution plan maintained by the "employer," "annual additions" which may be credited to the Participant's Accounts under this Plan for any Limitation Year will be limited in accordance with Section 4.4(b), unless the "employer" provides other limitations in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections).

(d) **Time when "annual additions" credited.** An "annual addition" is credited to the Account of a Participant for a particular Limitation Year if it is allocated to the Participant's Account under the Plan as of any date within that Limitation Year. However, an amount is not deemed allocated as of any date within a Limitation Year if such allocation is dependent upon participation in the Plan as of any date subsequent to such date.

For purposes of this subparagraph, "employer" contributions are treated as credited to a Participant's Account for a particular Limitation Year only if the contributions are actually made to the Plan no later than the 15th day of the tenth calendar month following the end of the calendar year or Fiscal Year (as applicable, depending on the basis on which the Employer keeps its books) with or within which the particular Limitation Year ends.

(e) **Definitions.** For purposes of this Section, the following terms shall be defined as follows:

(1) **"Annual additions"** means the sum credited to a Participant's Accounts for any Limitation Year of (a) "employer" contributions, (b) Employee contributions (except as provided below), (c) Forfeitures, (d) amounts allocated to an individual medical benefit account, as defined in Code §415(l)(2), which is part of a pension or annuity plan maintained by the "employer," (e) amounts derived from contributions paid or accrued which are attributable to post-retirement medical benefits allocated to the separate account of a key employee (as defined in Code §419A(d)(3)) under a welfare benefit fund (as defined in Code §419(e)) maintained by the "employer" and (f) allocations under a simplified employee pension. Except, however, the Compensation percentage limitation referred to in paragraph (e)(5)(ii) below shall not apply to: (1) any contribution for medical benefits (within the meaning of Code §419A(f)(2)) after separation from service which is otherwise treated as an "annual addition," or (2) any amount otherwise treated as an "annual addition" under Code §415(l)(1).

(i) **Restorative payments.** "Annual additions" for purposes of Code §415 and this Section shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where Participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the Plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered "annual additions."

(ii) **Other amounts.** "Annual additions" for purposes of Code §415 and this Section shall not include: (A) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan; (B) Rollover contributions (as described in Code §§401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (C) Repayments of loans made to a Participant from the Plan; and (D) Repayments of amounts described in Code §411(a)(7)(B) (in accordance with Code §411(a)(7)(C)) and Code §411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code §414(d)) as described in Code §415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(2) **"Defined contribution dollar limitation"** means \$56,000 (or the amount as adjusted under Code §415(d)).

(3) **"Employer"** means, for purposes of this Section, the Employer that adopts this Plan and all Affiliated Employers.

(4) **"Excess amount"** means the excess of the Participant's "annual additions" for the Limitation Year over the "maximum permissible amount."

(5) **"Maximum permissible amount"** means, except to the extent permitted under this Plan and Code §414(v), the maximum "annual addition" that may be contributed or allocated to a Participant's Accounts under the Plan for any Limitation Year, which shall not exceed the lesser of:

(i) the "defined contribution dollar limitation," or

(ii) one hundred percent (100%) of the Participant's 415 Compensation for the Limitation Year.

The 415 Compensation Limitation referred to in (ii) shall not apply to any contribution for medical benefits after separation from service (within the meaning of Code §§401(h) or 419A(f)(2)) which is otherwise treated as an "annual addition."

If a short Limitation Year is created because of an amendment changing the Limitation Year to a different twelve (12) consecutive month period, the "maximum permissible amount" will not exceed the "defined contribution dollar limitation" multiplied by a fraction, the numerator of which is the number of months in the short Limitation Year and the denominator of which is twelve (12).

(f) **Special rules.**

(1) **Aggregation of plans.** For purposes of applying the limitations of Code §415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the "employer" (or a "predecessor employer") under which the Participant receives "annual additions" (including voluntary employee contribution accounts in a defined benefit plan, mandatory contributions to a defined benefit plan, individual medical benefit accounts under §401(h), key employee accounts under a welfare benefit plan described in §419, and simplified employee pensions under §408(k)) of the employer or a predecessor employer, whether or not terminated, will be treated as one defined contribution plan for purposes of the limitations under §415(c). Where the employer is a member of a controlled group of corporations or commonly controlled trades or businesses, or a member of an affiliated service group, within the meaning of §§414(b), (c) or (m) and §415(g) and (h), the plan must provide that all such employers are treated as a single employer for purposes of the Plan's application of the §415 limitations. Notwithstanding the preceding, multiemployer plans are not aggregated with other multiemployer plans for purposes of §415. For purposes of this Section:

(i) A former "employer" is a "predecessor employer" with respect to a participant in a plan maintained by an "employer" if the "employer" maintains a plan under which the participant had accrued a benefit while performing services for the former "employer", but only if that benefit is provided under the plan maintained by the "employer". For this purpose, the "formerly affiliated plan" rules in Regulation §1.415(f)-1(b)(2) apply as if the "employer" and "predecessor employer" constituted a single employer under the rules described in Regulation §1.415(a)-1(f)(1) and (2) immediately prior to the "cessation of affiliation" (and as if they constituted two, unrelated employers under the rules described in Regulation §1.415(a)-1(f)(1) and (2) immediately after the "cessation of affiliation") and "cessation of affiliation" was the event that gives rise to the "predecessor employer" relationship, such as a transfer of benefits or plan sponsorship.

(ii) With respect to an "employer" of a Participant, a former entity that antedates the "employer" is a "predecessor employer" with respect to the Participant if, under the facts and circumstances, the "employer" constitutes a continuation of all or a portion of the trade or business of the former entity.

(2) **Break-up of an affiliated employer or an affiliated service group.** For purposes of aggregating plans for Code §415, a "formerly affiliated plan" of an "employer" is taken into account for purposes of applying the Code §415 limitations to the "employer," but the "formerly affiliated plan" is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an "employer" is a plan that, immediately prior to the "cessation of affiliation," was actually maintained by one or more of the entities that constitute the "employer" (as determined under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2)), and immediately after the "cessation of affiliation," is not actually maintained by any of the entities that constitute the "employer" (as determined under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single "employer" under the employer affiliation rules described in Regulation §1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the "employer" under the employer affiliation rules of Regulation §1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(3) **Mid-year aggregation.** Two or more defined contribution plans that are not required to be aggregated pursuant to Code §415(f) and the Regulations thereunder as of the first day of a Limitation Year do not fail to satisfy the requirements of Code §415 with respect to a Participant for the Limitation Year merely because they are aggregated later in that Limitation Year, provided that no "annual additions" are credited to the Participant's Account after the date on which the plans are required to be aggregated.

#### 4.5 ADJUSTMENT FOR EXCESS ANNUAL ADDITIONS

Notwithstanding any provision of the Plan to the contrary, if the "annual additions" (as defined in Section 4.4) are exceeded for any Participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System (EPCRS) as set forth in Rev. Proc. 2018-52, Rev. Proc. 2019-19, or any superseding guidance.

#### 4.6 ROLLOVERS

(a) **Acceptance of "rollovers" into the Plan.** If elected in the Adoption Agreement and with the consent of the Administrator, the Plan may accept a "rollover," provided the "rollover" will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over shall be separately accounted for in a "Participant's Rollover Account." Furthermore, any Roth Elective Deferrals that are accepted as "rollovers" in this Plan on or after January 1, 2006 shall be separately accounted for. A Participant's Rollover Account shall be fully Vested at all times and shall not be subject to Forfeiture for any reason. For purposes of this Section, the term Participant shall include any Eligible Employee who is not yet a Participant, if, pursuant to the Adoption Agreement, "rollovers" are permitted to be accepted from Eligible Employees. In addition, for purposes of this Section the term Participant shall also include Former Employees if elected in the Adoption Agreement. Regardless of whether new loans are permitted, if the Plan permits rollovers, the Administrator may, in a uniform

manner, accept rollovers of loans into this Plan if the terms of such loans meet the requirements of being definite, have a reasonable rate of interest, and/or have a definite repayment period (e.g., an asset purchase acquisition whereby the Employer may choose to accept the rollover of Participant loans from a prior employer in a uniform manner).

(b) **Treatment of "rollovers" under the Plan.** Amounts in a Participant's Rollover Account shall be held by the Trustee (or Insurer) pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as elected in the Adoption Agreement and Subsection (c) below. The Trustee (or Insurer) shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets; provided, however, that such assets are otherwise eligible to be held by the Trustee (or Insurer) under the terms of this Plan.

(c) **Distribution of "rollovers."** At such time as the conditions set forth in the Adoption Agreement have been satisfied, the Administrator, at the election of the Participant to the extent permitted by the terms of the Contracts, shall direct the distribution of up to the entire amount credited to the Rollover Account maintained on behalf of such Participant. Any distribution of amounts held in a Participant's Rollover Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6. Furthermore, unless otherwise elected in the Adoption Agreement, such amounts shall be considered to be part of a Participant's benefit in determining whether an involuntary cash-out of benefits may be made without Participant consent.

(d) **"Rollovers" maintained in a separate account.** The Administrator may direct that "rollovers" made after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at which time they may remain segregated, invested as part of the general Trust Fund or, if elected in the Adoption Agreement, directed by the Participant.

(e) **Limits on accepting "rollovers."** Prior to accepting any "rollovers" to which this Section applies, the Administrator may require the Employee to establish (by providing opinion of counsel or otherwise) that the amounts to be rolled over to this Plan meet the requirements of this Section. The Employer may instruct the Administrator, operationally, to limit the source of "rollover" contributions that may be accepted by the Plan.

(f) **Definitions.** For purposes of this Section, the following definitions shall apply:

(1) A "rollover" means: (i) amounts transferred to this Plan directly from another "eligible retirement plan;" (ii) distributions received by an Employee from other "eligible retirement plans" which are eligible for tax-free rollover to an "eligible retirement plan" and which are transferred by the Employee to this Plan within sixty (60) days following receipt thereof; and (iii) any other amounts which are eligible to be rolled over to this Plan pursuant to the Code or any other federally enacted legislation.

(2) An "eligible retirement plan" means an individual retirement account described in Code §408(a), an individual retirement annuity described in Code §408(b) (other than an endowment contract), a qualified trust (an employees' trust described in Code §401(a) which is exempt from tax under Code §501(a)), an annuity plan described in Code §403(a), an eligible deferred compensation plan described in Code §457(b) which is maintained by an eligible employer described in Code §457(e)(1)(A), and an annuity contract described in Code §403(b).

(g) **Pre-Participation Rollovers.** If an Eligible Employee makes a Rollover Contribution to the Plan prior to satisfying the Plan's eligibility conditions or prior to reaching his or her Entry Date, then the Administrator will treat the Employee as a limited Participant (as described in Rev. Rul. 96-48). A limited Participant does not share in the Plan's allocation of Employer Contributions nor Forfeitures until the Employee actually becomes a Participant in the Plan.

#### **4.7 PLAN-TO-PLAN TRANSFERS FROM QUALIFIED PLANS**

(a) **Transfers into this Plan.** With the consent of the Administrator and to the extent permitted by the Insurer and/or Trustee, amounts may be transferred (within the meaning of Code §414(l)) to this Plan from other tax qualified plans under Code §401(a), provided the plan from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax-exempt status of the Plan or Trust or create adverse tax consequences for the Employer. Prior to accepting any transfers to which this Section applies, the Administrator may require an opinion of counsel that the amounts to be transferred meet the requirements of this Section. The amounts transferred shall be set up in a separate account herein referred to as a "Participant's Transfer Account." Furthermore, for vesting purposes, the Participant's Transfer Account may be treated as a separate "Participant's Account."

(b) **Accounting of transfers.** Amounts in a Participant's Transfer Account shall be held by the Trustee (or Insurer) pursuant to the provisions of this Plan and may not be withdrawn by, or distributed to the Participant, in whole or in part, except as elected in the Adoption Agreement and Subsection (d) below, provided the restrictions of Subsection (c) below and Section 6.15 are satisfied. The Trustee (or Insurer) shall have no duty or responsibility to inquire as to the propriety of the amount, value or type of assets transferred, nor to conduct any due diligence with respect to such assets; provided, however, that such assets are otherwise eligible to be held by the Trustee (or Insurer) under the terms of this Plan. Notwithstanding anything in this Section to the contrary, transferred amounts are not required to be separately accounted for and may be combined with the corresponding Account maintained in this Plan provided all rights, benefits and features and other attributes are identical with respect to each account, or are identical after the combination.

(c) **Restrictions on Elective Deferrals.** Except as permitted by Regulations, amounts attributable to elective contributions (as defined in Regulation §1.401(k)-6), including amounts treated as elective contributions, which are transferred from another qualified plan in a plan-to-plan transfer (other than a direct rollover) shall be subject to the distribution limitations provided for in the Code §401(k) Regulations.

(d) **Distribution of plan-to-plan transfer amounts.** At Normal Retirement Date, or such other date when the Participant or the Participant's Beneficiary shall be entitled to receive benefits, the Participant's Transfer Account shall be used to provide additional benefits to the Participant or the Participant's Beneficiary. Any distribution of amounts held in a Participant's Transfer Account shall be made in a manner which is consistent with and satisfies the provisions of Sections 6.5 and 6.6. Furthermore, such amounts shall be considered to be part of a Participant's benefit in determining whether an involuntary cash-out of benefits may be made without Participant consent.

(e) **Segregation.** The Administrator may direct that Employee transfers made after a Valuation Date be segregated into a separate account for each Participant until such time as the allocations pursuant to this Plan have been made, at which time they may remain segregated, invested as part of the general Trust Fund or, if elected in the Adoption Agreement, directed by the Participant.

(f) **Pre-Participation Transfers.** The Administrator has the discretion to accept a Transfer of plan assets on behalf of an Employee prior to the date the Employee satisfies the Plan's eligibility conditions or prior to reaching the Entry Date in a uniform and nondiscretionary manner. If the Plan accepts such a direct transfer of plan assets, then the Administrator will treat the Employee as a limited Participant pursuant to Section 4.6(g).

#### 4.8 MANDATORY EMPLOYEE CONTRIBUTIONS

(a) **Mandatory Employee contributions.** An Employer may elect in the Adoption Agreement to provide for mandatory Employee contributions. If the Employer elects to provide for such contributions, each Participant will make a mandatory Employee contribution in the amount elected in the Adoption Agreement. Alternatively, the Employer may elect to provide a range of mandatory Employee contribution percentages from which the Participant may choose to contribute. Under this option, the Employee, if required as a condition of employment, must make an irrevocable election to contribute a percentage of his or her Compensation no later than his or her effective date of participation. If not required as a condition of employment, such mandatory Employee contribution election shall be made prior to participation in the Plan. During the period of the Participant's participation in the Plan, the Participant may not revoke the election and receive cash in lieu of the contribution, nor may the Participant change the amount of the mandatory Employee contribution. Amounts attributable to mandatory Employee contributions shall be fully Vested.

(b) **Employer pick-up contribution.** Unless otherwise elected in the Adoption Agreement, the Employer will "pick-up" the mandatory Employee contributions and will pay the mandatory Employee contributions to the Plan as an Employer contribution. This provision is effective only after the Employer provides for the treatment of the mandatory Employee contributions as described in this paragraph, through a person authorized to take such action, and evidenced in writing by minutes of a meeting, resolution, ordinance, or other formal action by the Employer, which will effectuate the "pick-up" provision. Furthermore, as of the date of the "pick-up," Participants are not permitted to opt-out of the "pick-up" or to receive the mandatory Employee contributions directly instead of having them paid to the Plan. Mandatory Employee contributions that are "picked-up" by the Employer are excludible from the Employee's gross income.

#### 4.9 AFTER-TAX VOLUNTARY EMPLOYEE CONTRIBUTIONS

(a) **After-tax voluntary Employee contributions.** If elected in the Adoption Agreement, each Participant may, in accordance with procedures established by the Administrator, elect to make after-tax voluntary Employee contributions to this Plan. Such contributions must generally be paid to the Trustee (or Insurer) within a reasonable period of time after being received by the Employer. An after-tax voluntary Employee contribution is any contribution made to the Plan by or on behalf of a Participant that is included in the Participant's gross income in the year in which made and that is separately accounted for under the Plan.

(b) **Full vesting.** The balance in each Participant's Voluntary Contribution Account shall be fully Vested at all times and shall not be subject to Forfeiture for any reason.

(c) **Distribution at any time.** A Participant may elect at any time to withdraw after-tax voluntary Employee contributions from such Participant's Voluntary Contribution Account and the actual earnings thereon in a manner which is consistent with and satisfies the provisions of Section 6.5. If the Administrator maintains sub-accounts with respect to after-tax voluntary Employee contributions (and earnings thereon) which were made on or before a specified date, a Participant shall be permitted to designate which sub-account shall be the source for the withdrawal. Forfeitures of Employer contributions shall not occur solely as a result of an Employee's withdrawal of after-tax voluntary Employee contributions.

(d) **Used to provide benefits.** At Normal Retirement Date, or such other date when the Participant or the Participant's Beneficiary is entitled to receive benefits, the Participant's Voluntary Contribution Account shall be used to provide additional benefits to the Participant or the Participant's Beneficiary.

#### 4.10 PARTICIPANT DIRECTED INVESTMENTS

(a) **Directed investment options allowed.** If permitted by the Administrator and the terms of the Trust, Participants may direct the Trustee (or Insurer) as to the investment of all or a portion of their individual Account balances in accordance with

the Plan's procedures. Participants may direct the Trustee (or Insurer), in writing (or in such other form which is acceptable to the Trustee (or Insurer)), to invest their accounts in specific assets, specific funds or other investments permitted under the Plan and the Participant Direction Procedures. That portion of the Account of any Participant that is subject to investment direction of such Participant will be considered a Participant Directed Account.

(b) **Establishment of Participant Direction Procedures.** The Administrator will establish Participant Direction Procedures, to be applied in a uniform manner, setting forth the permissible investment options under this Section, how often changes between investments may be made, and any other limitations and provisions that the Administrator may impose on a Participant's right to direct investments.

(c) **Administrative discretion.** The Administrator may, in its discretion, include or exclude by amendment or other action from the Participant Direction Procedures such instructions, guidelines or policies as it deems necessary or appropriate to ensure proper administration of the Plan, and may interpret the same accordingly.

(d) **Allocation of gains or losses.** As of each Valuation Date, all Participant Directed Accounts shall be charged or credited with the net earnings, gains, losses and expenses as well as any appreciation or depreciation in the market value using publicly listed fair market values when available or appropriate as follows:

(1) to the extent the assets in a Participant Directed Account are accounted for as pooled assets or investments, the allocation of earnings, gains and losses of each Participant's Account shall be based upon the total amount of funds so invested in a manner proportionate to the Participant's share of such pooled investment; and

(2) to the extent the assets in a Participant Directed Account are accounted for as segregated assets, the allocation of earnings, gains on and losses from such assets shall be made on a separate and distinct basis.

(e) **Plan will follow investment directions.** Investment directions will be processed as soon as administratively practicable after proper investment directions are received from the Participant. No guarantee is made by the Plan, Employer, Administrator or Trustee (or Insurer) that investment directions will be processed on a daily basis, and no guarantee is made in any respect regarding the processing time of an investment direction. Notwithstanding any other provision of the Plan, the Employer, Administrator or Discretionary Trustee (or Insurer) reserves the right to not value an investment option on any given Valuation Date for any reason deemed appropriate by the Employer, Administrator or Discretionary Trustee (or Insurer). Furthermore, the processing of any investment transaction may be delayed for any legitimate business reason (including, but not limited to, failure of systems or computer programs, failure of the means of the transmission of data, the failure of a service provider to timely receive values or prices, and correction for errors or omissions or the errors or omissions of any service provider) or force majeure. The processing date of a transaction will be binding for all purposes of the Plan and considered the applicable Valuation Date for an investment transaction.

(f) **Other documents required by directed investments.** Any information regarding investments available under the Plan, to the extent not required to be described in the Participant Direction Procedures, may be provided to Participants in one or more documents (or in any other form, including, but not limited to, electronic media) which are separate from the Participant Direction Procedures and are not thereby incorporated by reference into this Plan.

#### 4.11 QUALIFIED MILITARY SERVICE

(a) **USERRA.** Notwithstanding any provisions of this Plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Code §414(u). Furthermore, loan repayments may be suspended under this Plan as permitted under Code §414(u)(4).

(b) **Qualified reservist distribution.** If elected in the Adoption Agreement, a Participant may elect to receive a "qualified reservist distribution." A "qualified reservist distribution" is any distribution to an individual who is ordered or called to active duty, if: (1) the distribution is from amounts attributable to elective deferrals in a 401(k) plan; (2) the individual was (by reason of being a member of a reserve component, as defined in section 101 of title 37, United States Code) ordered or called to active duty for a period in excess of 179 days or for an indefinite period; and (3) the Plan makes the distribution during the period beginning on the date of such order or call, and ending at the close of the active duty period.

(c) **Benefit accrual.** If the Employer elects in the Adoption Agreement to apply this Subsection, then effective as of the date specified in the Adoption Agreement, for benefit accrual purposes, the Plan treats an individual who becomes Totally and Permanently disabled while performing "qualified military service" (as defined in Code §414(u)) with respect to the Employer as if the individual had resumed employment in accordance with the individual's reemployment rights under Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA), on the day preceding Total and Permanent Disability and terminated employment on the actual date of death or Total and Permanent Disability.

The Plan will determine the amount of after-tax voluntary Employee contributions and Elective Deferrals of an individual treated as reemployed under this Section for purposes of applying paragraph Code §414(u)(8)(C) on the basis of the individual's average actual after-tax voluntary Employee contributions and Elective Deferrals for the lesser of: (1) the 12-month period of service with the Employer immediately prior to "qualified military service" (as defined in Code §414(u)); or (2) the actual length of continuous service with the Employer.

(d) **Death benefits.** If a Participant dies while performing "qualified military service" (as defined in Code §414(u)), the Participant's Beneficiary is entitled to any additional benefits (other than benefit accruals relating to the period of "qualified

military service" but including vesting credit for such period and any other ancillary life insurance or other survivor benefits) provided under the Plan as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's "qualified military service" as service for vesting purposes, as though the Participant had resumed employment under Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA) immediately prior to the Participant's death.

(e) **Military Differential Pay.** The following applies with respect to Military Differential Pay: (1) an individual receiving Military Differential Pay is treated as an Employee of the Employer making the payment; (2) the Military Differential Pay is treated as 415 Compensation (and Compensation unless otherwise elected in the Adoption Agreement); and (3) the Plan is not treated as failing to meet the requirements of any provision described in Code §414(u)(1)(C) (or corresponding Plan provisions) by reason of any contribution or benefit which is based on the Military Differential Pay. The Administrator operationally may determine, for purposes of the provisions described in Code §414(u)(1)(C), whether to take into account any Elective Deferrals, and if applicable, any matching contributions, attributable to Military Differential Pay.

(f) **Deemed Severance.** Notwithstanding Subsection (e)(1) above, if elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), a Participant who performs service in the uniformed services (as defined in Code §414(u)(12)(B)) on active duty for a period of more than thirty (30) days, the Participant will be deemed to have a severance from employment solely for purposes of eligibility for distribution of amounts not attributable to Employer contributions to a money purchase pension plan. However, the Plan will not distribute such a Participant's Account on account of this deemed severance unless the Participant specifically elects to receive a benefit distribution hereunder. If a Participant elects to receive a distribution of Elective Deferrals on account of this deemed severance, then the individual may not make an Elective Deferral or after-tax voluntary Employee contribution during the six (6) month period beginning on the date of the distribution. If a Participant would be entitled to a distribution on account of a deemed severance, and a distribution on account of another Plan provision (such as a "qualified reservist distribution" as defined in Subsection (a) above), then the other Plan provision will control and the six (6) month suspension will not apply.

#### 4.12 INSTRUCTIONS TO ADMINISTRATOR AND NOTIFICATION TO PARTICIPANTS – FLEXIBLE DISCRETIONARY MATCH

For Plan Years beginning after the end of the Plan Year in which this document is first adopted, if a "Flexible Discretionary Match" contribution formula applies (i.e., a formula that provides an Employer with discretion regarding how to *allocate* a matching contribution to Participants) and the Employer makes a "Flexible Discretionary Match" to the Plan, the Employer must provide the Plan Administrator or Trustee written instructions describing (1) how the "Flexible Discretionary Match" formula will be allocated to Participants (e.g., a uniform percentage of Elective Deferrals or a flat dollar amount), (2) the computation period(s) to which the "Flexible Discretionary Match" formula applies, and (3) if applicable, a description of each business location or business classification subject to separate "Flexible Discretionary Match" allocation formulas. Such instructions must be provided no later than the date on which the "Flexible Discretionary Match" is made to the Plan. A summary of these instructions must be communicated to Participants who receive an allocation of the "Flexible Discretionary Match" no later than 60 days following the date on which the last "Flexible Discretionary Match" contribution is made to the Plan for the Plan Year.

Solely for purposes of this Section, a matching contribution is to be considered as being a "Flexible Discretionary Match" contribution unless the Employer has provided a definitely determinable allocation formula for the matching contribution on the Adoption Agreement. In order to be definitely determinable, the limit(s) on Elective Deferrals subject to match and/or the per Participant match allocation limit(s), the Participants who will receive the allocation, and the time period applicable to any matching formula(s) must be specified on the Adoption Agreement and cannot themselves be discretionary. Thus, regardless of whether the contribution formula for the matching contribution is fixed or discretionary, the provisions of the preceding paragraph apply unless the amount to be allocated to the Participant for the Plan Year can be determined without any discretion on the part of the Employer.

### ARTICLE V VALUATIONS

#### 5.1 VALUATION OF THE TRUST FUND

The Administrator shall direct the Trustee (or Insurer), as of each Valuation Date, to determine the net worth of the assets comprising the Trust Fund as it exists on the Valuation Date. In determining such net worth, the Trustee (or Insurer) shall value the assets comprising the Trust Fund at their fair market value as of the Valuation Date and may deduct all expenses for which the Trustee (or Insurer) has not yet been paid by the Employer or the Trust Fund. The Trustee (or Insurer), when determining the net worth of the assets, may update the value of any shares held in a Participant Directed Account by reference to the number of shares held on behalf of the Participant, priced at the market value as of the Valuation Date.

#### 5.2 METHOD OF VALUATION

Except as otherwise provided in the Trust agreement, in determining the fair market value of securities held in the Trust Fund which are listed on a registered stock exchange, the Administrator shall direct the Trustee (or Insurer) to value the same at the prices they were last traded on such exchange preceding the close of business on the Valuation Date. If such securities were not traded on the Valuation Date, or if the exchange on which they are traded was not open for business on the Valuation Date, then the securities shall be valued at the prices at which they were last traded prior to the Valuation Date. Any unlisted security held in the Trust Fund shall be valued at its bid price next preceding the close of business on the Valuation Date, which bid price shall be obtained from a registered broker or an investment banker. In determining the fair market value of assets other than securities for which trading or bid prices can be obtained, the Trustee, the Administrator (if the Trustee is a directed Trustee), or Insurer may appraise such assets itself

(assuming it has the appropriate expertise), or in its discretion, employ one or more appraisers for that purpose and rely on the values established by such appraiser or appraisers.

## ARTICLE VI DETERMINATION AND DISTRIBUTION OF BENEFITS

### 6.1 DETERMINATION OF BENEFITS UPON RETIREMENT

Every Participant may terminate employment with the Employer and retire for purposes hereof on the Participant's Normal Retirement Date or Early Retirement Date. However, a Participant may postpone the severance of employment with the Employer to a later date, in which event the participation of such Participant in the Plan, including the right to receive allocations pursuant to Section 4.3, shall continue until such Participant's Retirement Date. Upon a Participant's Retirement Date, or if elected in the Adoption Agreement, the attainment of Normal Retirement Date without severance of employment with the Employer (subject to Sections 6.11 and 11.4), or as soon thereafter as is practicable, the Administrator shall direct the distribution, at the election of the Participant (unless a distribution is mandatory under the other terms of the Plan), of the Participant's entire Vested interest in the Plan in accordance with Section 6.5 and to the extent permitted by the terms of the Contracts.

### 6.2 DETERMINATION OF BENEFITS UPON DEATH

(a) **100% vesting on death.** Upon the death of a Participant before the Participant's Retirement Date or other severance of employment, all amounts credited to such Participant's Combined Account shall, if elected in the Adoption Agreement, become fully Vested. The Administrator shall direct, in accordance with the provisions of Sections 6.6 and 6.7, the distribution of the deceased Participant's Vested accounts to the Participant's Beneficiary and to the extent permitted by the terms of the Contracts.

(b) **Distribution upon death.** Upon the death of a Participant, the Administrator shall direct, in accordance with the provisions of Sections 6.6 and 6.7 and the terms of the Contracts, the distribution of any remaining Vested amounts credited to the accounts of such deceased Participant to such Participant's Beneficiary.

(c) **Determination of death benefit by Administrator.** The Administrator may require such proper proof of death and such evidence of the right of any person to receive payment of the value of the account of a deceased Participant as the Administrator may deem desirable. The Administrator's determination of death and of the right of any person to receive payment shall be conclusive.

(d) **Beneficiary designation.** Each Participant must designate a Beneficiary on a form and in such manner as provided by the Administrator.

(e) **Spousal consent to alternative Beneficiary.** This Subsection applies if the Employer has elected in the Adoption Agreement either to apply the Joint and Survivor Annuity rules or to provide that a Participant's Spouse is the Beneficiary unless the Spouse consents to an alternative Beneficiary. Unless otherwise elected in the manner prescribed in Section 6.6, the Beneficiary of the Pre-Retirement Survivor Annuity (or if applicable, the entire death benefit) shall be the Participant's surviving Spouse. Except, however, the Participant may designate a Beneficiary other than the Spouse if:

- (1) the Participant and the Participant's Spouse have validly waived the Pre-Retirement Survivor Annuity in the manner prescribed in Section 6.6, and the Spouse has waived the right to be the Participant's Beneficiary,
- (2) the Participant is legally separated or has been abandoned (within the meaning of local law) and the Participant has a court order to such effect (and there is no "qualified domestic relations order" as defined in Code §414(p) which provides otherwise),
- (3) the Participant has no Spouse, or
- (4) the Spouse cannot be located.

In such event, the designation of a Beneficiary shall be made on a form satisfactory to the Administrator. A Participant may at any time revoke a designation of a Beneficiary or change a Beneficiary by filing written (or in such other form as permitted by the IRS) notice of such revocation or change with the Administrator. However, the Participant's Spouse must again consent in writing (or in such other form as permitted by the IRS) to any change in Beneficiary unless the original consent acknowledged that the Spouse had the right to limit consent only to a specific Beneficiary and that the Spouse voluntarily elected to relinquish such right.

(f) **Beneficiary if no Beneficiary elected by Participant.** In the event no valid designation of Beneficiary exists, or if the Beneficiary with respect to a portion of a Participant's death benefit is not alive at the time of the Participant's death and no contingent Beneficiary has been designated, then such portion of the death benefit will be paid in the following order of priority, unless the Employer specifies a different order of priority in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), to:

- (1) The Participant's surviving Spouse;
- (2) The Participant's issue, per stirpes;

- (3) The Participant's surviving parents, in equal shares; or
- (4) The Participant's estate.

If the Beneficiary does not predecease the Participant, but dies prior to distribution of the death benefit, the death benefit will be paid to the Beneficiary's "designated Beneficiary" (or if there is no "designated Beneficiary," to the Beneficiary's estate). For purposes of these provisions, and with respect to any Beneficiary designations, adopted children shall be treated as children.

(g) **Divorce revokes spousal Beneficiary designation.** Notwithstanding anything in this Section to the contrary, unless otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) or prohibited by applicable State law, if a Participant has designated the Spouse as a Beneficiary, then a divorce decree that relates to such Spouse shall revoke the Participant's designation of the Spouse as a Beneficiary unless the decree or a "qualified domestic relations order" (within the meaning of Code §414(p)) provides otherwise or a subsequent Beneficiary designation is made.

(h) **Insured death benefit.** If the Plan provides an insured death benefit and a Participant dies before any insurance coverage to which the Participant is entitled under the Plan is effected, the death benefit from such insurance coverage shall be limited to the premium which was or otherwise would have been used for such purpose.

(i) **Plan terms control.** In the event of any conflict between the terms of this Plan and the terms of any Contract issued hereunder, the Plan provisions shall control. However, in no event will the terms of the Plan expand the distribution rights under the Contract.

### 6.3 DETERMINATION OF BENEFITS IN EVENT OF DISABILITY

In the event of a Participant's Total and Permanent Disability prior to the Participant's Retirement Date or other severance of employment, all amounts credited to such Participant's Combined Account shall, if elected in the Adoption Agreement, become fully Vested. In the event of a Participant's Total and Permanent Disability, the Participant's entire Vested interest in the Plan will be distributable and may be distributed in accordance with the provisions of Sections 6.5 and 6.7 subject to the terms of the Contracts.

### 6.4 DETERMINATION OF BENEFITS UPON TERMINATION

(a) **Payment on severance of employment.** If a Participant's employment with the Employer and any Affiliated Employer is severed for any reason other than death, Total and Permanent Disability, or attainment of the Participant's Retirement Date, then such Participant shall be entitled to such benefits as are provided herein subject to the terms of the Contracts.

Distribution of the funds due to a Terminated Participant shall be made on the occurrence of an event which would result in the distribution had the Terminated Participant remained in the employ of the Employer (upon the Participant's death, Total and Permanent Disability, Early or Normal Retirement). However, at the election of the Participant, the Administrator shall direct that the entire Vested portion of the Terminated Participant's Combined Account be payable to such Terminated Participant provided the conditions, if any, set forth in the Adoption Agreement have been satisfied. Any distribution under this paragraph shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5.

Regardless of whether distributions in kind are permitted, in the event the amount of the Vested portion of the Terminated Participant's Combined Account equals or exceeds the fair market value of any insurance Contracts, the Administrator may direct the Trustee (or Insurer), when agreed to by the Terminated Participant, to assign, transfer, and set over to such Terminated Participant all Contracts on such Terminated Participant's life in such form or with such endorsements, so that the settlement options and forms of payment are consistent with the provisions of Section 6.5. In the event that the Terminated Participant's Vested portion does not at least equal the fair market value of the Contracts, if any, the Terminated Participant may pay over to the Trustee (or Insurer) the sum needed to make the distribution equal to the value of the Contracts being assigned or transferred, or the Trustee (or Insurer), pursuant to the Participant's election, may borrow the cash value of the Contracts from the Insurer so that the value of the Contracts is equal to the Vested portion of the Terminated Participant's Combined Account and then assign the Contracts to the Terminated Participant.

Notwithstanding the above, unless otherwise elected in the Adoption Agreement and subject to the terms of the Contracts, if the value of a Terminated Participant's Vested benefit derived from Employer and Employee contributions does not exceed \$5,000 (or such lower amount as elected in the Adoption Agreement), the Administrator shall direct that the entire Vested benefit be paid to such Participant in a single lump-sum as soon as practical without regard to the consent of the Participant, provided the conditions, if any, set forth in the Adoption Agreement have been satisfied. A Participant's Vested benefit shall not include (1) qualified voluntary employee contributions within the meaning of Code §72(o)(5)(B) and (2) if selected in the Conditions for Distributions Upon Severance of Employment Section of the Adoption Agreement, the Participant's Rollover Account. If a mandatory distribution is made pursuant to this paragraph and such distribution is greater than \$1,000 and the Participant does not elect to have such distribution paid directly to an "eligible retirement plan" specified by the Participant in a "direct rollover" in accordance with Section 6.14 or to receive the distribution directly, then the Administrator shall transfer such amount to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) designated by the Administrator. However, if the Participant elects to receive or make a "direct rollover" of such amount, then the Administrator shall direct the Trustee (or Insurer) to cause the entire Vested benefit to be paid to such Participant in a single lump sum, or make a "direct rollover" pursuant to Section 6.14, provided the conditions, if any, set forth

in the Adoption Agreement have been satisfied. The Administrator may establish a procedure as to whether a Participant who fails to make an affirmative election with respect to a mandatory distribution of \$1,000 or less is treated as having made or not made a "direct rollover" election. For purposes of determining whether the \$1,000 threshold set forth in this paragraph is met, the mandatory distribution includes amounts in a Participant's Rollover Account. For purposes of determining whether the \$5,000 threshold in this paragraph is met, a Participant's Rollover Account is taken into account unless otherwise elected in the Adoption Agreement. Furthermore, for purposes of applying the \$1,000 threshold, the Administrator may apply this paragraph by treating a Participant's Roth Elective Deferral Account separately from the Participant's other Accounts.

(b) **Vesting schedule.** The Vested portion of any Participant's Account shall be a percentage of such Participant's Account determined on the basis of the Participant's number of Years of Service (or Periods of Service if the elapsed time method is elected) according to the vesting schedule specified in the Adoption Agreement. However, a Participant's entire interest in the Plan shall be non-forfeitable upon the Participant's Normal Retirement Age (if the Participant is employed by the Employer on or after such date). In addition, Employee contributions (voluntary and mandatory) and contributions for sick leave/vacation leave conversions shall be fully Vested.

## **6.5 DISTRIBUTION OF BENEFITS**

(a) **Forms of distributions.** Subject to the Joint and Survivor Annuity requirements in Subsection (e) below (if the Employer elects to apply such provisions), the Administrator, pursuant to the election of the Participant, shall direct the distribution to a Participant or Beneficiary any amount to which the Participant or Beneficiary is entitled under the Plan in one or more of the following methods which are permitted pursuant to the Adoption Agreement and the terms of the Contracts.

- (1) One lump-sum payment in cash or in property, provided that if a distribution of property is permitted, it shall be limited to property that is specifically allocated and identifiable with respect to such Participant.
- (2) Partial withdrawals.
- (3) Payments over a period certain in monthly, quarterly, semi-annual, or annual cash installments. The period over which such payment is to be made shall not extend beyond the earlier of the Participant's life expectancy (or the joint life expectancy of the Participant and the Participant's designated Beneficiary). Once payments have begun, a Participant may elect to accelerate the payments (reduce the term and increase payments).
- (4) Purchase of or providing an annuity. However, such annuity may not be in any form that will provide for payments over a period extending beyond either the life of the Participant (or the lives of the Participant and the Participant's designated Beneficiary) or the life expectancy of the Participant (or the life expectancy of the Participant and the Participant's designated Beneficiary).

(b) **Consent to distributions.** Benefits may not be paid without a Participant's consent if the value of the Participant's Accounts exceed the dollar threshold specified in the Adoption Agreement. If the value of the Participant's Accounts does not exceed such threshold, then the Administrator may only distribute such benefit in a lump-sum. For purposes of this Subsection, the Participant's Accounts shall not include, if selected in the Conditions for Distributions Upon Severance of Employment Section of the Adoption Agreement, the Participant's Rollover Account.

(c) **Required minimum distributions (Code §401(a)(9)).** Notwithstanding any provision in the Plan to the contrary, the distribution of a Participant's benefits, whether under the Plan or through the purchase of an annuity Contract, shall be made in accordance with the requirements of Section 6.8.

(d) **Annuity Contracts.** All annuity Contracts under this Plan shall be non-transferable when distributed. Furthermore, the terms of any annuity Contract purchased and distributed to a Participant or Spouse shall comply with all of the requirements of the Internal Revenue Code.

(e) **Qualified Joint and Survivor Annuity.**

- (1) The provisions of this Subsection (e) apply if the Employer elects to apply the Joint and Survivor Annuity rules in the Adoption Agreement. A Participant who is married on the Annuity Starting Date and who does not die before the Annuity Starting Date shall receive the value of all Plan benefits in the form of a Joint and Survivor Annuity. The Joint and Survivor Annuity is an annuity that commences immediately and shall be equal in value to a single life annuity. Such joint and survivor benefits following the Participant's death shall continue to the Spouse during the Spouse's lifetime at a rate equal to either fifty percent (50%), seventy-five percent (75%) (or, sixty-six and two-thirds percent (66 2/3%) if the Insurer used to provide the annuity does not offer a joint and seventy-five percent (75%) survivor annuity), or one hundred percent (100%) of the rate at which such benefits were payable to the Participant. Unless otherwise elected in the Adoption Agreement, a joint and fifty percent (50%) survivor annuity shall be considered the designated qualified Joint and Survivor Annuity and the normal form of payment for the purposes of this Plan. However, the Participant may, without spousal consent, elect an alternative Joint and Survivor Annuity, which alternative shall be equal in value to the designated qualified Joint and Survivor Annuity. An unmarried Participant shall receive the value of such Participant's benefit in the form of a life annuity. Such unmarried Participant, however, may elect to waive the life annuity. The election must comply with the provisions of this Section as if it were an election to waive the Joint and Survivor Annuity by a married Participant, but without fulfilling the spousal consent requirement. The Participant may elect to have any annuity provided for in this Section distributed upon the attainment of the "earliest retirement age" under the Plan. The "earliest retirement age" is the earliest date on which, under the Plan, the Participant could elect to receive retirement benefits.

(2) Any election to waive the Joint and Survivor Annuity must be made by the Participant in writing (or in such other form as permitted by the IRS) during the election period and be consented to in writing (or in such other form as permitted by the IRS) by the Participant's Spouse. If the Spouse is legally incompetent to give consent, the Spouse's legal guardian, even if such guardian is the Participant, may give consent. Such election shall designate a Beneficiary (or a form of benefits) that may not be changed without spousal consent (unless the consent of the Spouse expressly permits designations by the Participant without the requirement of further consent by the Spouse). Such Spouse's consent shall be irrevocable and must acknowledge the effect of such election and be witnessed by a Plan representative or a notary public. Such consent shall not be required if it is established to the satisfaction of the Administrator that the required consent cannot be obtained because there is no Spouse, the Spouse cannot be located, or other circumstances that may be prescribed by Regulations. The election made by the Participant and consented to by such Participant's Spouse may be revoked by the Participant in writing (or in such other form as permitted by the IRS) without the consent of the Spouse at any time during the election period. A revocation of a prior election shall cause the Participant's benefits to be distributed as a Joint and Survivor Annuity. The number of revocations shall not be limited. Any new election must comply with the requirements of this paragraph. A former Spouse's waiver shall not be binding on a new Spouse.

(3) The election period to waive the Joint and Survivor Annuity shall be the one-hundred eighty (180) day period ending on the Annuity Starting Date.

(4) For purposes of this Section and Section 6.6, Spouse or surviving Spouse means the Spouse or surviving Spouse of the Participant, provided that a former Spouse will be treated as the Spouse or surviving Spouse and a current Spouse will not be treated as the Spouse or surviving Spouse to the extent provided under a "qualified domestic relations order" as described in Code §414(p).

(5) Any distribution provided for in this Section may commence less than thirty (30) days after the notice required by Code §417(a)(3) is given provided the following requirements are satisfied:

- (i) the Administrator clearly informs the Participant that the Participant has a right to a period of thirty (30) days after receiving the notice to consider whether to waive the Joint and Survivor Annuity and to elect (with spousal consent) a form of distribution other than a Joint and Survivor Annuity;
- (ii) the Participant is permitted to revoke any affirmative distribution election at least until the Annuity Starting Date or, if later, at any time prior to the expiration of the seven (7) day period that begins the day after the explanation of the Joint and Survivor Annuity is provided to the Participant;
- (iii) the Annuity Starting Date is after the time that the explanation of the Joint and Survivor Annuity is provided to the Participant. However, the Annuity Starting Date may be before the date that any affirmative distribution election is made by the Participant and before the date that the distribution is permitted to commence under (iv) below; and
- (iv) distribution in accordance with the affirmative distribution election does not commence before the expiration of the seven (7) day period that begins the day after the explanation of the Joint and Survivor Annuity is provided to the Participant.

(f) **Qualified Joint and Survivor Annuity but not the normal form.** The provisions of this Section apply if the Employer has elected in the Adoption Agreement to apply the Joint and Survivor Annuity requirement to a Participant, but the Qualified Joint and Survivor Annuity is not the normal form of distribution.

(1) The Joint and Survivor Annuity provisions of Section 6.5(e) shall not apply if a Participant does not elect an annuity form of distribution. Furthermore, Subsection (3) below shall not apply if a Participant elects an annuity form of distribution.

(2) Notwithstanding anything in Sections 6.2 and 6.6 to the contrary, upon the death of a Participant, the automatic form of distribution will be a lump-sum rather than a Qualified Pre-Retirement Survivor Annuity. Furthermore, the Participant's Spouse will be the Beneficiary of the Participant's entire Vested interest in the Plan unless an election is made to waive the Spouse as Beneficiary. The other provisions in Section 6.2 shall be applied by treating the death benefit in this Subsection as though it is a Qualified Pre-Retirement Survivor Annuity.

(3) Except to the extent otherwise provided in this Section, the provisions of Sections 6.2 and 6.5 regarding spousal consent shall be inoperative with respect to this Plan.

(4) The distribution may commence less than thirty (30) days after the notice required under Regulation §1.411(a)-11(c) is given, provided:

- (1) the Administrator clearly informs the Participant that the Participant has a right to a period of at least thirty (30) days after the notice to consider the decision of whether or not to elect a distribution (and, if applicable, a particular distribution option), and
- (2) the Participant, after receiving the notice, affirmatively elects a distribution.

## 6.6 DISTRIBUTION OF BENEFITS UPON DEATH

(a) **Consent.** If the value of the death benefit derived from Employer and Employee contributions does not exceed \$5,000, the Administrator shall direct the distribution of such amount to the Participant's Beneficiary in a single lump-sum as soon as practicable. If the value exceeds \$5,000, an immediate distribution of the entire amount may be made to the Beneficiary, provided such Beneficiary consents to the distribution.

(b) **Forms of distribution.** Death benefits may be paid to a Participant's Beneficiary in one of the following optional forms of benefits subject to the rules specified in Section 6.8, the elections made in the Adoption Agreement, and the terms of the Contracts. Such optional forms of distributions may be elected by the Participant. However, if no optional form of distribution was elected by the Participant prior to death, then the Participant's Beneficiary may elect the form of distribution.

(1) One lump-sum payment in cash or in property that is allocated to the Accounts of the Participant at the time of the distribution.

(2) Partial withdrawals.

(3) Payment in monthly, quarterly, semi-annual, or annual cash installments over a period to be determined by the Participant or the Participant's Beneficiary. In order to provide such installment payments, the Administrator may (A) segregate the aggregate amount thereof in a separate, federally insured savings account, certificate of deposit in a bank or savings and loan association, money market certificate or other liquid short-term security or (B) purchase a nontransferable annuity Contract for a term certain (with no life contingencies) providing for such payment. After periodic installments commence, the Beneficiary shall have the right to reduce the period over which such periodic installments shall be made, and the cash amount of such periodic installments shall be adjusted accordingly.

(4) In the form of an annuity over the life expectancy of the Beneficiary.

(c) **Required minimum distributions (Code §401(a)(9)).** Notwithstanding any provision in the Plan to the contrary, distributions upon the death of a Participant shall comply with the requirements of Section 6.8.

(d) **Payment to a child.** For purposes of this Section, any amount paid to a child of the Participant will be treated as if it had been paid to the surviving Spouse if the amount becomes payable to the surviving Spouse when the child reaches the age of majority.

(e) **Voluntary Contribution Account.** In the event that less than one hundred percent (100%) of a Participant's interest in the Plan is distributed to such Participant's Spouse, the portion of the distribution attributable to the Participant's Voluntary Contribution Account shall be in the same proportion that the Participant's Voluntary Contribution Account bears to the Participant's total interest in the Plan.

(f) **Qualified Pre-Retirement Survivor Annuity (QPSA).** The provisions of this Subsection (f) apply if the Employer elects to apply the Joint and Survivor Annuity rules in the Adoption Agreement. Unless otherwise elected as provided below, a Vested Participant who dies before the Annuity Starting Date and who has a surviving Spouse shall have the Pre-Retirement Survivor Annuity paid to the surviving Spouse. The Participant's Spouse may direct that payment of the Pre-Retirement Survivor Annuity commence within a reasonable period after the Participant's death. If the Spouse does not so direct, payment of such benefit will commence at the time the Participant would have attained the later of Normal Retirement Age or age 62. However, the Spouse may elect a later commencement date. Any distribution to the Participant's Spouse shall be subject to the rules specified in Section 6.8.

(1) **Election to waive QPSA.** Any election to waive the Pre-Retirement Survivor Annuity before the Participant's death must be made by the Participant in writing (or in such other form as permitted by the IRS) during the election period and shall require the Spouse's irrevocable consent in the same manner provided for in Section 6.5(e)(2). Further, the Spouse's consent must acknowledge the specific non-Spouse Beneficiary. Notwithstanding the foregoing, the non-Spouse Beneficiary need not be acknowledged, provided the consent of the Spouse acknowledges that the Spouse has the right to limit consent only to a specific Beneficiary and that the Spouse voluntarily elects to relinquish such right.

(2) **Time to waive QPSA.** The election period to waive the Pre-Retirement Survivor Annuity shall begin on the first day of the Plan Year in which the Participant attains age 35 and end on the date of the Participant's death. An earlier waiver (with spousal consent) may be made provided a written (or such other form as permitted by the IRS) explanation of the Pre-Retirement Survivor Annuity is given to the Participant and such waiver becomes invalid at the beginning of the Plan Year in which the Participant turns age 35. In the event a Participant separates from service prior to the beginning of the election period, the election period shall begin on the date of such separation from service.

(3) **QPSA notice.** With regard to the election, the Administrator shall provide each Participant within the applicable election period, with respect to such Participant (and consistent with Regulations), a written (or such other form as permitted by the IRS) explanation of the Pre-Retirement Survivor Annuity containing comparable information to that required pursuant to Section 6.5(e)(5). For the purposes of this paragraph, the term "applicable period" means, with respect to a Participant, whichever of the following periods ends last:

(i) The period beginning with the first day of the Plan Year in which the Participant attains age 32 and ending with the close of the Plan Year preceding the Plan Year in which the Participant attains age 35;

- (ii) A reasonable period after the individual becomes a Participant;
- (iii) A reasonable period ending after the Plan no longer fully subsidizes the cost of the Pre-Retirement Survivor Annuity with respect to the Participant; or
- (iv) A reasonable period ending after Code §401(a)(11) applies to the Participant.

For purposes of applying this Subsection, a reasonable period ending after the enumerated events described in (ii), (iii) and (iv) is the end of the two (2) year period beginning one (1) year prior to the date the applicable event occurs and ending one (1) year after that date. In the case of a Participant who separates from service before the Plan Year in which age 35 is attained, notice shall be provided within the two (2) year period beginning one (1) year prior to separation and ending one (1) year after separation. If such a Participant thereafter returns to employment with the Employer, the "applicable period" for such Participant shall be redetermined.

## 6.7 TIME OF DISTRIBUTION

Except as limited by Section 6.8, whenever a distribution is to be made, or a series of payments are to commence, the distribution or series of payments may be made or begun as soon as practicable. Notwithstanding anything in the Plan to the contrary, unless a Participant otherwise elects, payments of benefits under the Plan will begin not later than the later of the sixtieth (60th) day after the close of the Plan Year in which the latest of the following events occurs: (a) the date on which the Participant attains the earlier of age 65 or the Normal Retirement Age specified herein; (b) the tenth (10th) anniversary of the year in which the Participant commenced participation in the Plan; or (c) the date the Participant terminates service with the Employer. The failure of a Participant to request a distribution shall be deemed to be an election to defer the commencement of payment of any benefit until the time otherwise permitted under the Plan.

## 6.8 REQUIRED MINIMUM DISTRIBUTIONS

### (a) General rules

(1) **Effective Date.** Subject to the good faith interpretation standard, the requirements of this Section shall apply to any distribution of a Participant's interest in the Plan and will take precedence over any inconsistent provisions of this Plan.

(2) **Requirements of Treasury Regulations incorporated.** All distributions required under this Section will be determined and made in accordance with the Regulations under Code §401(a)(9) and the minimum distribution incidental benefit requirement of Code §401(a)(9)(G).

(3) **Limits on distribution periods.** As of the first "distribution calendar year," distributions to a Participant may only be made in accordance with the selections made in the Form of Distributions Section of the Adoption Agreement. If such distributions are not made in a single-sum, then they may only be made over one of the following periods: (i) the life of the Participant, (ii) the joint lives of the Participant and a "designated Beneficiary," (iii) a period certain not extending beyond the "life expectancy" of the Participant, or (iv) a period certain not extending beyond the joint life and last survivor expectancy of the Participant and a "designated Beneficiary."

### (4) TEFRA Section 242(b)(2) elections.

(i) Notwithstanding the other provisions of this Section, other than the Spouse's right of consent afforded under the Plan, distributions may be made on behalf of any Participant, including a five percent (5%) owner, who has made a designation in accordance with Section 242(b)(2) of the Tax Equity and Fiscal Responsibility Act (TEFRA) and in accordance with all of the following requirements (regardless of when such distribution commences):

(A) The distribution by the Plan is one which would not have disqualified such Plan under Code §401(a)(9) as in effect prior to amendment by the Deficit Reduction Act of 1984.

(B) The distribution is in accordance with a method of distribution designated by the Participant whose interest in the Plan is being distributed or, if the Participant is deceased, by a Beneficiary of such Participant.

**(C) Such designation was in writing, was signed by the Participant or the Beneficiary, and was made before January 1, 1984.**

(D) The Participant had accrued a benefit under the Plan as of December 31, 1983.

(E) The method of distribution designated by the Participant or the Beneficiary specifies the time at which distribution will commence, the period over which distributions will be made, and in the case of any distribution upon the Participant's death, the Beneficiaries of the Participant listed in order of priority.

(ii) A distribution upon death will not be covered by the transitional rule of this Subsection unless the information in the designation contains the required information described above with respect to the distributions to be made upon the death of the Participant.

(iii) For any distribution which commences before January 1, 1984, but continues after December 31, 1983, the Participant, or the Beneficiary, to whom such distribution is being made, will be presumed to have designated the method of distribution under which the distribution is being made if the method of distribution was specified in writing and the distribution satisfies the requirements in (i)(A) and (i)(E) of this Subsection.

(iv) If a designation is revoked, any subsequent distribution must satisfy the requirements of Code §401(a)(9) and the Regulations thereunder. If a designation is revoked subsequent to the date distributions are required to begin, the Plan must distribute by the end of the calendar year following the calendar year in which the revocation occurs the total amount not yet distributed which would have been required to have been distributed to satisfy Code §401(a)(9) and the Regulations thereunder, but for the Section 242(b)(2) election. For calendar years beginning after December 31, 1988, such distributions must meet the minimum distribution incidental benefit requirements. Any changes in the designation will be considered to be a revocation of the designation. However, the mere substitution or addition of another Beneficiary (one not named in the designation) under the designation will not be considered to be a revocation of the designation, so long as such substitution or addition does not alter the period over which distributions are to be made under the designation, directly or indirectly (for example, by altering the relevant measuring life).

(v) In the case in which an amount is transferred or rolled over from one plan to another plan, the rules in Regulation §1.401(a)(9)-8, Q&A-14 and Q&A-15, shall apply.

(5) **Good faith interpretation standard.** In applying any provision of this section, the Plan will apply a reasonable good faith interpretation of Code §401(a)(9).

(b) **Time and manner of distribution**

(1) **Required beginning date.** The Participant's entire interest will be distributed, or begin to be distributed, to the Participant no later than the Participant's "required beginning date."

(2) **Death of Participant before distributions begin.** If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows as elected in the Distributions Upon Death Section of the Adoption Agreement (or if no election is made, then the Beneficiary may elect either the lifetime method or the five-year method and if the Beneficiary makes no election, the five-year method shall apply):

(i) **Lifetime method (Spouse).** If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," then, except as otherwise provided herein, distributions to the surviving Spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70 1/2, if later.

(ii) **Lifetime method (non-Spouse).** If the Participant's surviving Spouse is not the Participant's sole "designated Beneficiary," then, except as provided in Section 6.8(b)(3) below, distributions to the "designated Beneficiary" will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.

(iii) **Five-year method.** If there is no "designated Beneficiary" as of September 30 of the year following the year of the Participant's death or if otherwise elected pursuant to the Adoption Agreement with respect to a "designated Beneficiary," the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(iv) **Death of Spouse.** If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary" and the surviving Spouse dies after the Participant but before distributions to the surviving Spouse begin, this Section 6.8(b)(2), other than Section 6.8(b)(2)(i), will apply as if the surviving Spouse were the Participant.

For purposes of this Section 6.8(b)(2) and Section 6.8(b)(3), unless Section 6.8(b)(2)(iv) applies, distributions are considered to begin on the Participant's "required beginning date." If Section 6.8(b)(2)(iv) applies, distributions are considered to begin on the date distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's "required beginning date" (or to the Participant's surviving Spouse before the date distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i)), the date distributions are considered to begin is the date distributions actually commence.

(3) **Forms of distribution.** Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the "required beginning date," as of the first "distribution calendar year" distributions will be made in accordance with Sections 6.8(c) and 6.8(d) and only in a form of distribution provided in Section 6.5 or 6.6, as applicable. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code §401(a)(9) and the Regulations thereunder.

(c) **Required minimum distributions during Participant's lifetime**

(1) **Amount of required minimum distribution for each "distribution calendar year."** During the Participant's lifetime, the minimum amount that will be distributed for each "distribution calendar year" is the lesser of the following:

- (i) the quotient obtained by dividing the "Participant's account balance" by the distribution period in the Uniform Lifetime Table set forth in Regulation §1.401(a)(9)-9, using the Participant's age as of the Participant's birthday in the "distribution calendar year"; or
- (ii) if the Participant's sole "designated Beneficiary" for the "distribution calendar year" is the Participant's Spouse, the quotient obtained by dividing the "Participant's account balance" by the number in the Joint and Last Survivor Table set forth in Regulation §1.401(a)(9)-9, using the Participant's and Spouse's attained ages as of the Participant's and Spouse's birthdays in the "distribution calendar year."

(2) **Lifetime required minimum distributions continue through year of Participant's death.** Required minimum distributions will be determined under this Section 6.8(c) beginning with the first "distribution calendar year" and up to and including the "distribution calendar year" that includes the Participant's date of death.

(d) **Required minimum distributions after Participant's death**

(1) **Death on or after date distributions begin.**

- (i) **Participant survived by "designated Beneficiary."** If the Participant dies on or after the date distributions begin and there is a "designated Beneficiary," the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the quotient obtained by dividing the "Participant's account balance" by the longer of the remaining "life expectancy" of the Participant or the remaining "life expectancy" of the Participant's "designated Beneficiary," determined as follows:
  - (A) The Participant's remaining "life expectancy" is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.
  - (B) If the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," the remaining "life expectancy" of the surviving Spouse is calculated for each "distribution calendar year" after the year of the Participant's death using the surviving Spouse's age as of the Spouse's birthday in that year. For "distribution calendar years" after the year of the surviving Spouse's death, the remaining "life expectancy" of the surviving Spouse is calculated using the age of the surviving Spouse as of the Spouse's birthday in the calendar year of the Spouse's death, reduced by one for each subsequent calendar year.
  - (C) If the Participant's surviving Spouse is not the Participant's sole "designated Beneficiary," the "designated Beneficiary's" remaining "life expectancy" is calculated using the age of the Beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.
- (ii) **No "designated Beneficiary."** If the Participant dies on or after the date distributions begin and there is no "designated Beneficiary" as of September 30 of the year after the year of the Participant's death, the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the quotient obtained by dividing the "Participant's account balance" by the Participant's remaining "life expectancy" calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(2) **Death before date distributions begin.**

- (i) **Participant survived by "designated Beneficiary."** Except as provided in Section 6.8(b)(3), if the Participant dies before the date distributions begin and there is a "designated Beneficiary," the minimum amount that will be distributed for each "distribution calendar year" after the year of the Participant's death is the quotient obtained by dividing the "Participant's account balance" by the remaining "life expectancy" of the Participant's "designated Beneficiary," determined as provided in Section 6.8(d)(1).
- (ii) **No "designated Beneficiary."** If the Participant dies before the date distributions begin and there is no "designated Beneficiary" as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest will be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
- (iii) **Death of surviving Spouse before distributions to surviving Spouse are required to begin.** If the Participant dies before the date distributions begin, the Participant's surviving Spouse is the Participant's sole "designated Beneficiary," and the surviving Spouse dies before distributions are required to begin to the surviving Spouse under Section 6.8(b)(2)(i), this Section 6.8(d)(2) will apply as if the surviving Spouse were the Participant.

(e) **Definitions.** For purposes of this Section, the following definitions apply:

- (1) "Designated Beneficiary" means the individual who is designated as the Beneficiary under the Plan and is the "designated Beneficiary" under Code §401(a)(9) and Regulation §1.401(a)(9)-4.

(2) "Distribution calendar year" means a calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first "distribution calendar year" is the calendar year immediately preceding the calendar year which contains the Participant's "required beginning date." For distributions beginning after the Participant's death, the first "distribution calendar year" is the calendar year in which distributions are required to begin under Section 6.8(b). The required minimum distribution for the Participant's first "distribution calendar year" will be made on or before the Participant's "required beginning date." The required minimum distribution for other "distribution calendar years," including the required minimum distribution for the "distribution calendar year" in which the Participant's "required beginning date" occurs, will be made on or before December 31 of that "distribution calendar year."

(3) "Life expectancy" means the life expectancy as computed by use of the Single Life Table in Regulation §1.401(a)(9)-9.

(4) "Participant's account balance" means the Participant's account balance as of the last Valuation Date in the calendar year immediately preceding the "distribution calendar year" (valuation calendar year) increased by the amount of any contributions made and allocated or Forfeitures allocated to the account balance as of the dates in the valuation calendar year after the Valuation Date and decreased by distributions made in the valuation calendar year after the Valuation Date. For this purpose, the Administrator may exclude contributions that are allocated to the account balance as of dates in the valuation calendar year after the Valuation Date, but that are not actually made during the valuation calendar year. The account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the "distribution calendar year" if distributed or transferred in the valuation calendar year.

(a) **Reduction for QLACs.** A Participant's account balance is reduced by any QLACs (as defined below). This paragraph applies only to QLACs purchased on or after July 2, 2014.

(b) **Definition of QLAC.** A QLAC is qualifying longevity annuity contract as defined in A-17 of Regulation §1.401(a)(9)-6. Pursuant to such Regulation, a QLAC is an annuity contract that is purchased from an insurance company for a Participant and that, in accordance with the rules of application of paragraph (c) below, satisfies each of the following requirements:

(1) The premiums paid with respect to the contract on a date do not exceed the lesser of the following amounts, determined in accordance with the provisions of paragraph (b) of A-17 of Regulation §1.401(a)(9)-6.

(a) An amount equal to the excess of \$125,000 (as adjusted under paragraph (d)(2) of A-17 of Regulation §1.401(a)(9)-6), over the sum of the premiums paid before that date with respect to the contract, and the premiums paid on or before that date with respect to any other contract that is intended to be a QLAC and that is purchased for the Participant under the Plan, or any other plan, annuity, or account described in Code §401(a), 403(a), 403(b), or 408 or eligible governmental plan under §457(b).

(b) An amount equal to the excess of 25% of the Participant's account balance under the Plan (including the value of any QLAC held under the Plan for the Participant) as of that date, over the sum of the premiums paid before that date with respect to the contract, and the premiums paid on or before that date with respect to any other contract that is intended to be a QLAC and that is held or was purchased for the Participant under the Plan.

(2) The contract provides that distributions under the contract must commence not later than a specified annuity starting date that is no later than the first day of the month next following the eighty-fifth (85<sup>th</sup>) anniversary of the Employee's birth;

(3) The contract provides that, after distributions under the contract commence, those distributions must satisfy the requirements of paragraph (c) of A-17 of Regulation §1.401(a)(9)-6 (other than the requirement that annuity payments commence on or before the required beginning date (RBD));

(4) The contract does not make available any commutation benefit, cash surrender right, or other similar feature except as otherwise permitted under A-17 of Regulation §1.401(a)(9)-6;

(5) No benefits are provided under the contract after the death of the employee other than the benefits described in paragraph (c) of A-17 of Regulation §1.401(a)(9)-6;

(6) Except as otherwise permitted under A-17 of Regulation §1.401(a)(9)-6, when the contract is issued, the contract (or a rider or endorsement with respect to that contract) states that the contract is intended to be a QLAC; and

(7) The contract is not a variable contract under Code §817, an indexed contract, or a similar contract, except to the extent provided by the Commissioner in revenue rulings, notices, or other guidance published in the Internal Revenue Bulletin.

**(c) Rules of application relating to premiums.**

**(1) Reliance on representations.** For purposes of the limitation on premiums described in paragraphs (b)(1) and (2) above, unless the Administrator has actual knowledge to the contrary, the Administrator may rely on an Employee's representation (made in writing or such other form as may be prescribed by the Commissioner) of the amount of the premiums described in such paragraphs, but only with respect to premiums that are not paid under a plan, annuity, or contract that is maintained by the Employer or an entity that is treated as a single employer with the Employer under Code §414(b), (c), (m), or (o).

**(2) Consequences of excess premiums.** If an annuity contract fails to be a QLAC solely because a premium for the contract exceeds the limits under paragraph (b)(1)(a) above, then the contract is not a QLAC beginning on the date that premium payment is made unless the excess premium is returned to the non-QLAC portion of the Participant's account in accordance with paragraph (d)(1)(ii)(B) of A-17 of Regulation §1.401(a)(9)-6. If the contract fails to be a QLAC, then the value of the contract may not be disregarded under paragraph (a) above as of the date on which the contract ceases to be a QLAC.

If the excess premium is returned (either in cash or in the form of a contract that is not intended to be a QLAC) to the non-QLAC portion of the Participant's account by the end of the calendar year following the calendar year in which the excess premium was originally paid, then the contract will not be treated as exceeding the limits under paragraph (b)(1)(a) above at any time, and the value of the contract will not be included in the employee's account balance under paragraph (a) above. If the excess premium (including the fair market value of an annuity contract that is not intended to be a QLAC, if applicable) is returned to the non-QLAC portion of the Participant's account after the last valuation date for the calendar year in which the excess premium was originally paid, then the Participant's account balance for that calendar year must be increased to reflect that excess premium in the same manner as a Participant's account balance is increased under Regulation §1.401(a)(9)-7, A-2 to reflect a rollover received after the last valuation date.

**(3) Application of 25-percent limit.** For purposes of the 25% limit under paragraph (b)(1)(b) above, a Participant's account balance on the date on which premiums for a contract are paid is the account balance as of the last valuation date preceding the date of the premium payment, adjusted as follows. The account balance is increased for contributions allocated to the account during the period that begins after the valuation date and ends before the date the premium is paid and decreased for distributions made from the account during that period.

**(d) Dollar and age limitations subject to adjustments.** In the case of calendar years beginning on or after January 1, 2015, the \$125,000 amount under paragraph (b)(1)(a) will be adjusted at the same time and in the same manner as the limits are adjusted under Code §415(d), except that the base period shall be the calendar quarter beginning July 1, 2013, and any increase under this paragraph that is not a multiple of \$10,000 will be rounded to the next lowest multiple of \$10,000. The maximum age set forth in paragraph (b)(2) may be adjusted to reflect changes in mortality, with any such adjusted age to be prescribed by the Commissioner in revenue rulings, notices, or other guidance published in the Internal Revenue Bulletin and made available by the Superintendent of Documents.

If a contract fails to be a QLAC because it does not satisfy the dollar limitation in paragraph (b)(1)(a) or the age limitation in paragraph (b)(2), any subsequent adjustment that is made pursuant to this paragraph (d) will not cause the contract to become a QLAC.

(5) "Required beginning date" means, except as otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), with respect to any Participant, April 1 of the calendar year following the later of the calendar year in which the Participant attains age 70 1/2 or the calendar year in which the Participant retires.

**6.9 DISTRIBUTION FOR MINOR OR INCOMPETENT INDIVIDUAL**

If, in the opinion of the Administrator, a Participant or Beneficiary entitled to a distribution is not able to care for his or her affairs because of a mental condition, a physical condition, or by reason of age in the case of a minor, then the Administrator shall direct the distribution to the Participant's or Beneficiary's valid power of attorney, court appointed guardian, or any other person authorized under state law to receive the benefit (including a custodian under a Uniform Transfers or Gifts to Minors Act), upon furnishing evidence of such status satisfactory to the Administrator. The Administrator and the Trustee (or Insurer) do not have any liability with respect to payments so made and neither the Administrator nor the Trustee (or Insurer) has any duty to make inquiry as to the competence of any person entitled to receive payments under the Plan.

**6.10 LOCATION OF PARTICIPANT OR BENEFICIARY UNKNOWN**

In the event that all, or any portion, of the distribution payable to a Participant or Beneficiary hereunder shall, at the later of the Participant's attainment of age 62 or Normal Retirement Age, remain unpaid solely by reason of the inability of the Administrator to ascertain the whereabouts of such Participant or Beneficiary, the amount so distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture or be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) if permitted under the terms of the Contracts. Before treating any Participant as being missing, the Administrator must conduct a reasonable and diligent search for the Participant, using one or more of search methods the Plan Administrator determines are appropriate under the circumstances, such as the methods suggested by DOL Field Assistance Bulletin 2014-01. Such search methods include:

- (1) provide a distribution notice to the lost Participant at the Participant's last known address by certified or registered mail;
- (2) check with the administrator of other employee benefit plans of the Employer that may have more up-to-date information regarding the Participant's whereabouts;
- (3) identify and contact the Participant's Designated Beneficiary;
- (4) use one or more free internet search tools;
- (5) attempt contact via email or telephone, or
- (6) use proprietary internet search tools, commercial locator services, credit reporting agencies, information brokers, or other search methods. Regarding search methods (2) and (3) above, if the Plan Administrator encounters privacy concerns, the Plan Administrator may request that the Employer or other plan fiduciary (under (2)), or the Designated Beneficiary (under (3)), contact the Participant or forward a letter requesting that the Participant contact the Plan Administrator.

In addition, if the Plan provides for mandatory distributions and the amount to be distributed to a Participant or Beneficiary does not exceed \$1,000, then the amount distributable may, in the sole discretion of the Administrator, either be treated as a Forfeiture, be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b) or use the PBGC Missing Participant Program, or any successor program, at the time it is determined that the whereabouts of the Participant or the Participant's Beneficiary cannot be ascertained. In the event a Participant or Beneficiary is located subsequent to the Forfeiture and prior to the time the Plan has been terminated, such benefit shall be restored, first from Forfeitures, if any, and then from an additional Employer contribution if necessary. Upon Plan termination, the portion of the distributable amount that is an "eligible rollover distribution" as defined in Section 6.14(b)(1) may be paid directly to an individual retirement account described in Code §408(a) or an individual retirement annuity described in Code §408(b). However, regardless of the preceding, a benefit that is lost by reason of escheat under applicable state law is not treated as a Forfeiture for purposes of this Section nor as an impermissible forfeiture under the Code.

## 6.11 IN-SERVICE DISTRIBUTION

If elected in the Adoption Agreement, at such time as the conditions set forth in the Adoption Agreement have been satisfied, then the Administrator, at the election of a Participant who has not severed employment with the Employer, shall direct the distribution of up to the entire Vested amount then credited to the Accounts as elected in the Adoption Agreement maintained on behalf of such Participant. For purposes of this Section, a Participant shall include an Employee who has an Account balance in the Plan. In the event that the Administrator makes such a distribution, the Participant shall continue to be eligible to participate in the Plan on the same basis as any other Employee. Any distribution made pursuant to this Section shall be made in a manner consistent with Section 6.5. Furthermore, if an in-service distribution is permitted from more than one account type, the Administrator may determine any ordering of a Participant's in-service distribution from such accounts. The Administrator may adopt a policy imposing frequency limitations or other reasonable administrative conditions on in-service distributions made pursuant to this Section.

## 6.12 DISTRIBUTION FOR HARDSHIP

(a) **Hardship events.** If elected in the Adoption Agreement, the Administrator, at the election of the Participant, shall direct the distribution to any Participant in any one Plan Year to an amount necessary to satisfy the Participant's immediate and heavy financial need, determined in accordance with the remaining provisions of this Section. A hardship distribution may only be made on account of an immediate and heavy financial need of the Participant and where the distribution is necessary to satisfy the immediate and heavy financial need. Such distributions may also be made from those Accounts from which such distribution are authorized by the remaining provisions of this Section. For purposes of this Section, a Participant shall include an Employee who has an Account balance in the Plan. Any distribution made pursuant to this Section shall be deemed to be made as of the first day of the Plan Year or, if later, the Valuation Date immediately preceding the date of distribution, and the Account from which the distribution is made shall be reduced accordingly. Withdrawal under this Section shall be authorized only if the distribution is for an immediate and heavy financial need. The Administrator will determine whether there is an immediate and heavy financial need based on the facts and circumstances. An immediate and heavy financial need includes, but is not limited to, a distribution for one of the following:

- (1) Expenses for (or necessary to obtain) medical care (as defined in Code §213(d));
- (2) Costs directly related to the purchase (excluding mortgage payments) of a principal residence for the Participant;
- (3) Payments for burial or funeral expenses for the Participant's deceased parent, Spouse, children or dependents (as defined in Code §152, and without regard to Code §152(d)(1)(B));
- (4) Payment of tuition, related educational fees, and room and board expenses, for up to the next twelve (12) months of post-secondary education for the Participant, the Participant's Spouse, children, or dependents (as defined in Code §152, and without regard to Code §§152(b)(1), (b)(2), and (d)(1)(B));
- (5) Payments necessary to prevent the eviction of the Participant from the Participant's principal residence or foreclosure on the mortgage on that residence; or
- (6) Expenses for the repair of damage to the Participant's principal residence that would qualify for the casualty deduction under Code §165 (determined without regard to whether the loss exceeds 10% of adjusted gross income).

(b) **Beneficiary-based distribution.** If elected in the Adoption Agreement, then effective as of the date specified in the Adoption Agreement, a Participant's hardship event includes an immediate and heavy financial need of the Participant's "primary Beneficiary under the Plan," that would constitute a hardship event if it occurred with respect to the Participant's Spouse or dependent as defined under Code §152 (such hardship events being limited to educational expenses, funeral expenses and certain medical expenses). For purposes of this Section, a Participant's "primary Beneficiary under the Plan" is an individual who is named as a Beneficiary under the Plan (by the Participant or pursuant to Section 6.2) and has an unconditional right to all or a portion of the Participant's Account balance under the Plan upon the Participant's death.

(c) **Other limits and conditions.** If elected in the Adoption Agreement, no distribution shall be made pursuant to this Section from the Participant's Account until such Account has become fully Vested. Furthermore, if a hardship distribution is permitted from more than one Account, the Administrator may determine any ordering of a Participant's hardship distribution from such Accounts.

(d) **Distribution rules apply.** Any distribution made pursuant to this Section shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5.

### 6.13 QUALIFIED DOMESTIC RELATIONS ORDER DISTRIBUTION

All benefits provided to a Participant in this Plan shall be subject to the rights afforded to any Alternate Payee under a "qualified domestic relations order." Furthermore, unless otherwise elected in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), a distribution to an Alternate Payee shall be permitted if such distribution is authorized by a "qualified domestic relations order," even if the affected Participant has not reached the "earliest retirement age." For the purposes of this Section, "qualified domestic relations order" and "earliest retirement age" shall have the meanings set forth under Code §414(p). For purposes of this Section, however, a distribution that is made pursuant to a domestic relations order which meets the requirements of Code §414(p)(1)(A)(i) will be treated as being made pursuant to a "qualified domestic relations order."

A domestic relations order that otherwise satisfies the requirements for a "qualified domestic relations order" will not fail to be a "qualified domestic relations order": (i) solely because the order is issued after, or revises, another domestic relations order or "qualified domestic relations order"; or (ii) solely because of the time at which the order is issued, including issuance after the Annuity Starting Date or after the Participant's death.

### 6.14 DIRECT ROLLOVERS

(a) **Right to direct rollover.** Notwithstanding any provision of the Plan to the contrary that would otherwise limit a "distributee's" election under this Section to the extent permitted by the terms of the Contracts, a "distributee" may elect, at the time and in the manner prescribed by the Administrator, to have an "eligible rollover distribution" paid directly to an "eligible retirement plan" specified by the "distributee" in a "direct rollover." However, if less than the entire amount of the "eligible rollover distribution" is being paid directly to an "eligible retirement plan," then the Administrator may require that the amount paid directly to such plan be at least \$500. Furthermore, the Administrator may apply this Section by treating a Participant's Roth Elective Deferral Account separately from the Participant's other Accounts.

(b) **Definitions.** For purposes of this Section, the following definitions shall apply:

(1) **Eligible rollover distribution.** An "eligible rollover distribution" means any distribution described in Code §402(c)(4) and generally includes any distribution of all or any portion of the balance to the credit of the "distributee," except that an "eligible rollover distribution" does not include: (a) any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the "distributee" or the joint lives (or joint life expectancies) of the "distributee" and the "distributee's" "designated Beneficiary," or for a specified period of ten (10) years or more; (b) any distribution to the extent such distribution is required under Code §401(a)(9); (c) any hardship distribution; (d) the portion of any other distribution(s) that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); (e) any loans that are treated as deemed distributions under Code §72(p) which are not also an offset distribution; (f) the costs of life insurance coverage (P.S. 58 costs); (g) any other distributions described in Regulation §1.402(c)-2; (h) permissible withdrawals from a EACA described in Code §414(w); and any other distribution reasonably expected to total less than \$200 during a year. For purposes of the \$200 rule, a distribution from a designated Roth account and a distribution from other accounts under the Plan may be treated as made under separate plans.

Notwithstanding the above, a portion of a distribution shall not fail to be an "eligible rollover distribution" merely because the portion consists of after-tax voluntary Employee contributions which are not includible in gross income. However, such portion may be transferred only to:

- (i) a traditional individual retirement account or annuity described in Code §408(a) or (b) (a "traditional IRA")
- (ii) for taxable years beginning after December 31, 2006, a Roth individual account or annuity described in Code §408A (a "Roth IRA"), or
- (iii) a qualified defined contribution plan or an annuity contract described in Code §401(a) or Code §403(b), respectively, that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(2) **Eligible retirement plan.** An "eligible retirement plan" is a "traditional IRA," a "Roth IRA," a qualified trust (an employees' trust) described in Code §401(a) which is exempt from tax under Code §501(a), an annuity plan described in Code §403(a), an eligible plan under Code §457(b) which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision and which agrees to separately account for amounts transferred into such plan from this Plan, and an annuity contract described in Code §403(b), and for distributions made after December 18, 2015, a SIMPLE IRA to the extent permitted under Code §408(p)(1)(B), that accepts the "distributee's" "eligible rollover distribution." The definition of "eligible retirement plan" shall also apply in the case of a distribution to a surviving Spouse, or to a Spouse or former Spouse who is an Alternate Payee. If any portion of an "eligible rollover distribution" is attributable to payments or distributions from a designated Roth account, an "eligible retirement plan" with respect to such portion shall include only another designated Roth account of the individual from whose account the payments or distributions were made, or a Roth IRA of such individual. A "direct rollover" of a distribution from a Roth Elective Deferral Account (other than an "in-Plan Roth rollover contribution" (as defined in Section 11.5)) will only be made to another Roth Elective Deferral Account under an applicable retirement plan described in Code §402A(e)(1) or to a Roth IRA described in Code §408A, and only to the extent that the rollover is permitted under the rules of Code §402(c). In the case of a "distributee" who is a non-Spouse designated Beneficiary, (i) the "direct rollover" may be made only to a traditional or Roth individual retirement account or an annuity described in Code §408(b) ("IRA") that is established on behalf of the designated non-Spouse Beneficiary and that will be treated as an inherited IRA pursuant to the provisions of Code §402(c)(11), and (ii) the determination of any required minimum distribution required under Code §401(a)(9) that is ineligible for rollover shall be made in accordance with IRS Notice 2007-7, Q&A 17 and 18.

(3) **Distributee.** A "distributee" includes an Employee or Former Employee. In addition, the Employee's or Former Employee's surviving Spouse and the Employee's or Former Employee's Spouse or former Spouse who is the Alternate Payee, are "distributees" with regard to the interest of the Spouse or former Spouse.

(4) **Direct rollover.** A "direct rollover" is a payment by the Plan to the "eligible retirement plan" specified by the "distributee."

(c) **Participant notice.** A Participant entitled to an "eligible rollover distribution" must receive a written explanation of the right to a "direct rollover," the tax consequences of not making a "direct rollover," and, if applicable, any available special income tax elections. The notice must be provided no less than thirty (30) days and no more than one-hundred eighty (180) days before the Annuity Starting Date. The "direct rollover" notice must be provided to all Participants, unless the total amount the Participant will receive as a distribution during the calendar year is expected to be less than \$200.

(d) **Non-Spouse Beneficiary rollover right.** A non-Spouse Beneficiary who is a "designated Beneficiary" under Code §401(a)(9)(E) and the Regulations thereunder, by a direct trustee-to-trustee transfer ("direct rollover"), may roll over all or any portion an "eligible rollover distribution" to an IRA the Beneficiary establishes for purposes of receiving the distribution. If the Participant's named Beneficiary is a trust, the Plan may make a direct rollover to an IRA on behalf of the trust, provided the trust satisfies the requirements to be a "designated Beneficiary."

## 6.15 RESTRICTIONS ON DISTRIBUTION OF ASSETS TRANSFERRED FROM A MONEY PURCHASE PLAN

Notwithstanding any provision of this Plan to the contrary, to the extent that any optional form of benefit under this Plan permits a distribution prior to the Employee's retirement, death, Total and Permanent Disability, or severance from employment, and prior to Plan termination, the optional form of benefit is not available with respect to benefits attributable to assets (including the post-transfer earnings thereon) and liabilities that are transferred, within the meaning of Code §414(l), to this Plan from a money purchase pension plan qualified under Code §401(a) (other than any portion of those assets and liabilities attributable to after-tax voluntary Employee contributions or to a direct or indirect rollover contribution). A Participant may not obtain an in-service distribution with respect to such transferred amounts prior to the earlier of the Participant's Normal Retirement Age or attainment of age 62.

## 6.16 CORRECTIVE DISTRIBUTIONS

Nothing in this Article shall preclude the Administrator from making a distribution to a Participant, to the extent such distribution is made to correct a qualification defect in accordance with the corrective procedures under the IRS' Employee Plans Compliance Resolution System or any other voluntary compliance programs established by the IRS.

## 6.17 SERVICE CREDIT PURCHASES

The Administrator, upon Participant request, may direct the transfer of all or a portion of the Participant's Account to a governmental defined benefit plan (as defined in Code §414(d)) in which he or she participates for the purchase of permissive service credit (as defined in Code §415(n)(3)(A)).

## 6.18 UNCASHED CHECKS

Subject to the provisions of Section 6.10, the Plan Administrator operationally may dispose of an uncashed distribution from the Plan to a lost Participant at the time and in the manner (but not limited to) described in this Section. Prior to doing so, the Plan Administrator must make reasonable and diligent efforts to contact the lost Participant, including using such search methods the Plan Administrator determines are appropriate under the circumstances. At the discretion of the Administrator, Plan distributions that remain uncashed, and which the Administrator chooses not to reinvest in the Plan may be: (1) voluntarily remitted to a State unclaimed property department, but no sooner than the appropriate state dormancy period has expired; or (2) deposited for the

benefit of the lost Participant either to a: (a) bank account, or (b) individual retirement account if the original distribution was an eligible rollover distribution.

For purposes of this Section 6.18, a distribution is "uncashed" if it remains uncashed by the "cash-by" date on the check or in an accompanying notice, e.g., a date prescribed by the bank or the Plan. This "cash-by" date must be at least forty-five (45) days after the check is issued. If there is no prescribed "cash-by" date, then the amount is considered uncashed if it is not cashed by the check's stale date.

## **6.19 HEALTH INSURANCE PAYMENTS FOR PUBLIC SAFETY OFFICERS**

An "eligible retired public safety officer" may elect annually for that taxable year to have the Plan deduct an amount from a distribution which the "eligible retired public safety officer" otherwise would receive and include in income. The Plan will pay such deducted amounts directly to pay "qualified health insurance premiums" as provided in Code §402(l). Any election made under this Plan must conform to the requirements of Code §402(l). A "qualified retired public safety officer" is a public safety officer (as defined in §1204(9)(A) of the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C 3796b(9)(A)) who, by reason of disability or attainment of Normal Retirement Age, is separated from service as a public safety officer with the Employer. "Qualified health insurance premiums" means the premiums for coverage for the "eligible retired public safety officer," his or her Spouse, and dependents (as defined in Code §152), by an accident or health plan or qualified long-term care insurance contract (as defined in Code §7702B(b)).

## **ARTICLE VII TRUST, TRUSTEE AND CUSTODIAN**

### **7.1 CONFLICT WITH PLAN**

In the event of any conflicts between the provisions of this Plan and the Trust agreement, the provisions of this Plan control.

### **7.2 POWERS AND DUTIES OF CUSTODIAN**

Subject to the terms of the Trust agreement, the Employer may appoint a Custodian of the Plan assets. The duties of the Custodian are those set forth in the agreement with the Custodian. Any reference in the Plan to a Trustee also is a reference to a Custodian unless the Employer has appointed a Custodian separate from the Trustee or the context of the Plan indicates otherwise.

### **7.3 LIFE INSURANCE**

(a) **Permitted insurance.** To the extent not prohibited under the terms of the Trust agreement, the Trustee (or Insurer), in accordance with operational procedures of the Administrator, shall ratably apply for, own, and pay all premiums on Contracts on the lives of the Participants or, in the case of a 401(a) Plan, on the life of a member of the Participant's family or on the joint lives of a Participant and a member of the Participant's family. Furthermore, if a Contract is purchased on the joint lives of the Participant and another person and such other person predeceases the Participant, then the Contract may not be maintained under this Plan. Any initial or additional Contract purchased on behalf of a Participant shall have a face amount of not less than \$1,000, an amount set forth in the Administrator's procedures, or the limitation of the Insurer, whichever is greater. If a life insurance Contract is to be purchased for a Participant, then the aggregate premium for ordinary life insurance for each Participant must be less than 50% of the aggregate contributions and Forfeitures allocated to the Participant's Combined Account. For purposes of this limitation, ordinary life insurance Contracts are Contracts with both non-decreasing death benefits and non-increasing premiums. If term insurance or universal life insurance is purchased, then the aggregate premium must be 25% or less of the aggregate contributions and Forfeitures allocated to the Participant's Combined Account. If both term insurance and ordinary life insurance are purchased, then the premium for term insurance plus one-half of the premium for ordinary life insurance may not in the aggregate exceed 25% of the aggregate Employer contributions and Forfeitures allocated to the Participant's Combined Account. Notwithstanding the preceding, the limitations imposed herein with respect to the purchase of life insurance shall not apply, in the case of a 401(a) Plan, to the portion of the Participant's Account other than the Participant's Elective Deferral Account, that has accumulated for at least two (2) Plan Years or to the entire Participant's Account if the Participant has been a Participant in the Plan for at least five (5) years. In addition, amounts transferred to this Plan in accordance with Section 4.6(f)(1)(ii) or (iii) and a Participant's Voluntary Contribution Account may be used to purchase Contracts without limitation. Thus, amounts that are not subject to the limitations contained herein may be used to purchase life insurance on any person in whom a Participant has an insurable interest or on the joint lives of a Participant and any person in whom the Participant has an insurable interest, and without regard to the amount of premiums paid to purchase any life insurance hereunder.

(b) **Contract conversion at retirement.** The Administrator must direct the Trustee (or Insurer) to distribute any Contracts to the Participant or convert the entire value of the Contracts at or before retirement into cash or provide for a periodic income so that no portion of such value may be used to continue life insurance protection beyond the Participant's actual retirement date.

(c) **Limitations on purchase.** No life insurance Contracts shall be required to be obtained on an individual's life if, for any reason (other than the nonpayment of premiums) the Insurer will not issue a Contract on such individual's life.

(d) **Proceeds payable to plan.** The Trustee (or Insurer) must be the owner of any life insurance Contract purchased under the terms of this Plan. The Contract must provide that the proceeds will be payable to the Trustee (or Insurer); however, the

Trustee (or Insurer) shall be required to pay over all proceeds of the Contract to the Participant's "designated Beneficiary" in accordance with the distribution provisions of Article VI as directed by the Administrator. A Participant's Spouse will be the "designated Beneficiary" pursuant to Section 6.2, unless a qualified election has been made in accordance with Sections 6.5 and 6.6 of the Plan, if applicable. Under no circumstances shall the Trust retain any part of the proceeds that are in excess of the cash surrender value immediately prior to death. However, the Trustee (or Insurer) shall not pay the proceeds in a method that would violate the requirements of the Retirement Equity Act of 1984, as stated in Article VI of the Plan, or Code §401(a)(9) and the Regulations thereunder. In the event of any conflict between the terms of this Plan and the terms of any insurance Contract purchased hereunder, the Plan provisions shall control.

(e) **No responsibility for act of Insurer.** The Employer, the Administrator and the Trustee shall not be responsible for the validity of the provisions under a Contract issued hereunder or for the failure or refusal by the Insurer to provide benefits under such Contract. The Employer, Administrator and the Trustee are also not responsible for any action or failure to act by the Insurer or any other person which results in the delay of a payment under the Contract or which renders the Contract invalid or unenforceable in whole or in part.

#### **7.4 LOANS TO PARTICIPANTS**

(a) **Permitted Loans.** Subject to the terms of the applicable Contracts and loan agreements, the Administrator may, in the Administrator's sole discretion, make loans to Participants. If loans are permitted, then the following shall apply: (1) loans shall be made available to all Participants on a reasonably equivalent basis; (2) loans shall bear a reasonable rate of interest; (3) loans shall be adequately secured; and (4) loans shall provide for periodic repayment over a reasonable period of time. Furthermore, no Participant loan shall exceed the Participant's Vested interest in the Plan. For purposes of this Section, the term Participant shall include any Eligible Employee who is not yet a Participant, if, pursuant to the Adoption Agreement, "rollovers" are permitted to be accepted from Eligible Employees.

(b) **Loan program.** The Administrator shall be authorized to establish a Participant loan program to provide for loans under the Plan. In order for the Administrator to implement such loan program, a separate written document forming a part of this Plan must be adopted, which document shall specifically include, but need not be limited to, the following:

- (1) the identity of the person or positions authorized to administer the Participant loan program;
- (2) a procedure for applying for loans;
- (3) the basis on which loans will be approved or denied;
- (4) limitations, if any, on the types and amounts of loans offered;
- (5) the procedure under the program for determining a reasonable rate of interest;
- (6) the types of collateral which may secure a Participant loan; and
- (7) the events constituting default and the steps that will be taken to preserve Plan assets in the event such default.

(c) **Loan default.** Notwithstanding anything in this Plan to the contrary, if a Participant or Beneficiary defaults on a loan made pursuant to this Section that is secured by the Participant's interest in the Plan, then a Participant's interest may be offset by the amount subject to the security to the extent there is a distributable event permitted by the Code or Regulations. Notwithstanding anything in the Plan's loan policy to the contrary, if a loan is accelerated due to a Participant's termination of employment, then the Plan may direct that the loan note be transferred or directly rolled over to another plan that will accept the transfer or rollover of the note.

(d) **Loans subject to Plan terms.** Notwithstanding anything in this Section to the contrary, if this is an amendment and restatement of an existing Plan, any loans made prior to the date this amendment and restatement is adopted shall be subject to the terms of the Plan in effect at the time such loan was made. To the extent applicable, loans may be made subject to the terms of the Contracts.

(e) **Spousal Consent.** If the Employer elects to apply the Joint and Survivor Annuity rules in the Adoption Agreement, a married Participant's spouse must consent to the loan or execute a waiver. However, unless the loan program established pursuant to this Section provides otherwise, no spousal consent shall be required under this paragraph if the total interest subject to the security is not in excess of \$5,000. If a valid spousal consent has been obtained in accordance with this Subsection, then, notwithstanding any other provision of this Plan, the portion of the Participant's Vested Account balance used as a security interest held by the Plan by reason of a loan outstanding to the Participant shall be taken into account for purposes of determining the amount of the Account balance payable at the time of death or distribution, but only if the reduction is used as repayment of the loan. If less than 100% of the Participant's Vested Account balance (determined without regard to the preceding sentence) is payable to the surviving Spouse, then the Account balance shall be adjusted by first reducing the Vested Account balance by the amount of the security used as repayment of the loan, and then determining the benefit payable to the surviving Spouse.

#### **7.5 PLAN TO PLAN TRANSFERS**

Notwithstanding any other provision contained in this Plan and to the extent not prohibited under the terms of the Trust agreement, the Administrator may direct the Trustee to transfer the interest, if any, of a Participant to another trust forming part of a pension, profit sharing, or stock bonus plan that meets the requirements of Code §401(a), provided that the trust to which such transfers are made permits the transfer to be made and further provided that the terms of the transferee plan properly allocates the funds in each account to a transferee account that preserves all the required features and restrictions applicable to such account under this Plan. However, the transfer of amounts from this Plan to a nonqualified foreign trust is treated as a distribution and the transfer of assets and liabilities from this Plan to a plan that satisfies Section 1165 of the Puerto Rico Code is also treated as distribution from the transferor plan.

## ARTICLE VIII AMENDMENT, TERMINATION AND MERGERS

### 8.1 AMENDMENT

(a) **General rule on Employer amendment.** The Employer shall have the right at any time to amend this Plan subject to the limitations of this Section. However, any amendment that affects the rights, duties or responsibilities of the Trustee (or Insurer) or Administrator may only be made with the Trustee's (or Insurer's) or Administrator's written consent. Any such amendment shall become effective as provided therein upon its execution. The Trustee (or Insurer) shall not be required to execute any such amendment unless the amendment affects the duties of the Trustee (or Insurer) hereunder.

(b) **Permissible amendments.** The Employer may amend the Plan to accomplish any of the following items without affecting reliance on the opinion letter: (1) change the choice of options in the Adoption Agreement or Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections), (2) add certain sample or model amendments published by the Internal Revenue Service or other required good-faith amendments where the IRS has provided that their adoption will not cause the Plan to be treated as an individually designed plan, (3) add a list of any protected benefits which must be preserved, (4) adjust the limitations under Code §§415, 402(g), 401(a)(17) and 414(q)(1)(B) to reflect annual cost-of-living increases, and (5) change the pre-approved plan Provider's name. "Provider" pursuant to this Section 8 means the entity that contracts with the mass submitter to provide the Basic Plan Document and Adoption Agreement for use by the Employer or, in the alternative, the mass submitter that provides such documents directly to its clients. An Employer that amends the Plan for any other reason, including a waiver of the minimum funding requirement under Code §412(c), will no longer participate in this pre-approved plan and this Plan will be considered to be an individually designed plan for purposes of reliance. A Plan amendment does not include an amendment or substitution of the Trust.

(c) **Provider amendments.** The Employer (and every Participating Employer) expressly delegates authority to the Provider, the right to amend the Plan by submitting a copy of the amendment to each Employer (and Participating Employer) who has adopted this pre-approved plan, after first having received a ruling or favorable determination from the Internal Revenue Service that the pre-approved Plan as amended qualifies under Code §401(a) (unless a ruling or determination is not required by the IRS). The Provider will amend the Plan Documents from time to time in accordance with this Section 8.1(c). For purposes of this Section, the mass submitter shall be recognized as the agent of the Provider. If the Provider does not adopt any amendment made by the mass submitter, it will no longer be identical to, or a minor modifier of, the mass submitter plan. The Provider may adopt amendments that are substantially similar to and created with the good faith intention of being qualified or maintaining qualified status.

(d) **Impermissible amendments.** No amendment to the Plan shall be effective if it authorizes or permits any part of the Trust Fund (other than such part as is required to pay taxes and administration expenses) to be used for or diverted to any purpose other than for the exclusive benefit of the Participants or their Beneficiaries or estates; or causes any reduction in the amount credited to the account of any Participant; or causes or permits any portion of the Trust Fund to revert to or become property of the Employer.

### 8.2 TERMINATION

(a) **Termination of Plan.** The Employer shall have the right at any time to terminate the Plan by delivering to the Trustee (or Insurer) and Administrator written notice of such termination. The Employer has no obligation or liability whatsoever to maintain the Plan for any specific length of time and may terminate the Plan or discontinue contributions under the Plan at any time without liability hereunder for any such discontinuance. Upon any full or partial termination or upon the complete discontinuance of the Employer's Contributions to the Plan (in the case of a Profit Sharing Plan), all amounts credited to the affected Participants' Combined Accounts shall become 100% Vested and shall not thereafter be subject to Forfeiture.

(b) **Distribution of assets.** Upon the full termination of the Plan, the Employer shall direct the distribution of the assets to Participants in a manner that is consistent with and satisfies the provisions of Section 6.5, except that no Participant or spousal consent is required. Distributions to a Participant shall be made in cash (or in property if permitted in the Adoption Agreement) or through the purchase of irrevocable nontransferable deferred commitments from the Insurer.

### 8.3 MERGER, CONSOLIDATION OR TRANSFER OF ASSETS

This Plan may be merged or consolidated with, or its assets and/or liabilities may be transferred to, any other plan provided the benefits which would be received by a Participant of this Plan, in the event of a termination of the plan immediately after such transfer, merger or consolidation, are at least equal to the benefits the Participant would have received if the Plan had terminated immediately before the transfer, merger or consolidation.

## ARTICLE IX MISCELLANEOUS

### 9.1 EMPLOYER ADOPTIONS

- (a) **Method of adoption.** Any organization may become the Employer hereunder by executing the Adoption Agreement
- (b) **Separate affiliation.** Except as otherwise provided in this Plan, the affiliation of the Employer and the participation of its Participants shall be separate and apart from that of any other employer and its participants hereunder.

### 9.2 PARTICIPANT'S RIGHTS

This Plan shall not be deemed to constitute a contract between the Employer and any Participant or to be a consideration or an inducement for the employment of any Participant or Employee. Nothing contained in this Plan shall be deemed to give any Participant or Employee the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or Employee at any time regardless of the effect which such discharge shall have upon the Employee as a Participant of this Plan.

### 9.3 ALIENATION

- (a) **General rule.** Subject to the exceptions provided below and as otherwise permitted by the Code, no benefit which shall be payable to any person (including a Participant or the Participant's Beneficiary) shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to anticipate, alienate, sell, transfer, assign, pledge, encumber, or charge the same shall be void; and no such benefit shall in any manner be liable for, or subject to, the debts, contracts, liabilities, engagements, or torts of any such person, nor shall it be subject to attachment or legal process for or against such person, and the same shall not be recognized except to such extent as may be required by law.
- (b) **Exception for loans.** Subsection (a) shall not apply to the extent a Participant or Beneficiary is indebted to the Plan by reason of a loan made pursuant to Section 7.4. At the time a distribution is to be made to or for a Participant's or Beneficiary's benefit, such portion of the amount to be distributed as shall equal such indebtedness shall be paid to the Plan, to apply against or discharge such indebtedness. Prior to making a payment, however, the Participant or Beneficiary must be given notice by the Administrator that such indebtedness is to be so paid in whole or part from the Participant's interest in the Plan. If the Participant or Beneficiary does not agree that the indebtedness is a valid claim against the Participant's interest in the Plan, the Participant or Beneficiary shall be entitled to a review of the validity of the claim in accordance with procedures provided in Section 2.10.
- (c) **Exception for QDRO.** Subsection (a) shall not apply to a "qualified domestic relations order" defined in Code §414(p), and those other domestic relations orders permitted to be so treated by the Administrator under the provisions of the Retirement Equity Act of 1984.

### 9.4 PLAN COMMUNICATIONS, INTERPRETATION AND CONSTRUCTION

- (a) **Applicable law.** This Plan shall be construed and enforced according to the Code, and the laws of the state or commonwealth in which the Employer's principal office is located (unless otherwise designated in Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections)), other than its laws respecting choice of law, to the extent not pre-empted by federal law.
- (b) **Administrator's discretion.** The Administrator has total and complete discretion to interpret and construe the Plan and to determine all questions arising in the administration, interpretation and application of the Plan. Any determination the Administrator makes under the Plan is final and binding upon any affected person. The Administrator must exercise all of its Plan powers and discretion, and perform all of its duties, in a uniform manner.
- (c) **Communications.** All Participant or Beneficiary notices, designations, elections, consents or waivers must be made in a form the Administrator (or, as applicable, the Trustee or Insurer) specifies or otherwise approves. Any person entitled to notice under the Plan may waive the notice or shorten the notice period unless such actions are contrary to applicable law.
- (d) **Evidence.** Anyone, including the Employer, required to give data, statements or other information relevant under the terms of the Plan ("evidence") may do so by certificate, affidavit, document or other form which the person to act in reliance may consider pertinent, reliable and genuine, and to have been signed, made or presented by the proper party or parties. The Administrator, Trustee and Insurer are protected fully in acting and relying upon any evidence described under the immediately preceding sentence.
- (e) **Plan terms binding.** The Plan is binding upon all parties, including but not limited to, the Employer, Trustee, Insurer, Administrator, Participants and Beneficiaries. However, in no event will the terms of the Plan expand the distribution rights available under a Contract or Policy.

(f) **Parties to litigation.** Except as otherwise provided by applicable law, a Participant or a Beneficiary is not a necessary party or required to receive notice of process in any court proceeding involving the Plan, the Trust or any fiduciary. Any final judgment (not subject to further appeal) entered in any such proceeding will be binding upon all parties, including the Employer, the Administrator, Trustee, Insurer, Participants and Beneficiaries. However, in no event will the terms of the Plan expand the distribution rights under a Contract or Policy.

(g) **Fiduciaries not insurers.** The Trustee, Administrator and the Employer in no way guarantee the Plan assets from loss or depreciation. The Employer does not guarantee the payment of any money which may be or becomes due to any person from the Plan. The liability of the Employer, the Administrator and the Trustee to make any distribution from the Trust at any time and all times is limited to the then available assets of the Trust.

(h) **Construction/severability.** The Plan, the Adoption Agreement, the Trust and all other documents to which they refer, will be interpreted consistent with and to preserve tax qualification of the Plan under Code §401(a) and tax exemption of the Trust under Code §501(a) and also consistent with other applicable law. To the extent permissible under applicable law, any provision which a court (or other entity with binding authority to interpret the Plan) determines to be inconsistent with such construction and interpretation, is deemed severed and is of no force or effect, and the remaining Plan terms will remain in full force and effect.

(i) **Uniformity.** All provisions of this Plan shall be interpreted and applied in a uniform manner.

(j) **Headings.** The headings and subheadings of this Plan have been inserted for convenience of reference and are to be ignored in any construction of the provisions hereof.

## **9.5 GENDER, NUMBER AND TENSE**

Wherever any words are used herein in the masculine, feminine or neuter gender, they shall be construed as though they were also used in another gender in all cases where they would so apply; whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would so apply; and whenever any words are used herein in the past or present tense, they shall be construed as though they were also used in the other form in all cases where they would so apply.

## **9.6 LEGAL ACTION**

In the event any claim, suit, or proceeding is brought regarding the Trust and/or Plan established hereunder to which the Trustee (or Insurer), the Employer or the Administrator may be a party, and such claim, suit, or proceeding is resolved in favor of the Trustee (or Insurer), the Employer or the Administrator, they shall be entitled to be reimbursed from the Trust Fund for any and all costs, attorney's fees, and other expenses pertaining thereto incurred by them for which they shall have become liable.

## **9.7 PROHIBITION AGAINST DIVERSION OF FUNDS**

(a) **General rule.** Except as provided below and otherwise specifically permitted by law, it shall be impossible by operation of the Plan or of the Trust, by termination of either, by power of revocation or amendment, by the happening of any contingency, by collateral arrangement or by any other means, for any part of the corpus or income of any Trust Fund maintained pursuant to the Plan or any funds contributed thereto to be used for, or diverted to, purposes other than the exclusive benefit of Participants or their Beneficiaries.

(b) **Mistake of fact.** In the event the Employer shall make a contribution under a mistake of fact, the Employer may demand repayment of such contribution at any time within one (1) year following the time of payment and the Trustee (or Insurer) shall return such amount to the Employer within the one (1) year period. Earnings of the Plan attributable to the contributions may not be returned to the Employer but any losses attributable thereto must reduce the amount so returned.

## **9.8 EMPLOYER'S AND TRUSTEE'S PROTECTIVE CLAUSE**

The Employer, Administrator and Trustee, and their successors, shall not be responsible for the validity of any Contract issued hereunder or for the failure on the part of the Insurer to make payments provided by any such Contract, or for the action of any person which may delay payment or render a Contract null and void or unenforceable in whole or in part.

## **9.9 INSURER'S PROTECTIVE CLAUSE**

Except as otherwise agreed upon in writing between the Employer and the Insurer, an Insurer which issues any Contracts hereunder shall not have any responsibility for the validity of this Plan or for the tax or legal aspects of this Plan. The Insurer shall be protected and held harmless in acting in accordance with any written direction of the Administrator or Trustee and shall have no duty to see to the application of any funds paid to the Trustee, nor be required to question any actions directed by the Administrator or Trustee. Regardless of any provision of this Plan, the Insurer shall not be required to take or permit any action or allow any benefit or privilege contrary to the terms of any Contract which it issues hereunder, or the rules of the Insurer.

## **9.10 RECEIPT AND RELEASE FOR PAYMENTS**

Any payment to any Participant, the Participant's legal representative, Beneficiary, or to any guardian or committee appointed for such Participant or Beneficiary in accordance with the provisions of this Plan, including those referenced in Section 6.9, shall, to the extent thereof, be in full satisfaction of all claims hereunder against the Trustee (or Insurer) and the Employer.

#### **9.11 ACTION BY THE EMPLOYER**

Whenever the Employer under the terms of the Plan is permitted or required to do or perform any act or matter or thing, it shall be done and performed by a person duly authorized by its legally constituted authority.

#### **9.12 APPROVAL BY INTERNAL REVENUE SERVICE**

Notwithstanding anything herein to the contrary, if, pursuant to an application for qualification is made by the time prescribed by law or such later date as the Secretary of Treasury may prescribe, the Commissioner of the Internal Revenue Service or the Commissioner's delegate should determine that the Plan does not initially qualify as a tax-exempt plan under Code §§401 and 501, and such determination is not contested, or if contested, is finally upheld, then if the Plan is a new plan, it shall be void ab initio and all amounts contributed to the Plan, by the Employer, less expenses paid, shall be returned within one (1) year and the Plan shall terminate, and the Trustee (or Insurer) shall be discharged from all further obligations. If the disqualification relates to a Plan amendment, then the Plan shall operate as if it had not been amended. If the Employer's Plan fails to attain or retain qualification, such Plan will no longer participate in this pre-approved plan and will be considered an individually designed plan.

#### **9.13 PAYMENT OF BENEFITS**

Except as otherwise provided in the Plan, benefits under this Plan shall be paid, subject to Sections 6.11 and 6.12, only upon death, Total and Permanent Disability, normal or early retirement, severance of employment, or termination of the Plan.

#### **9.14 ELECTRONIC MEDIA**

The Administrator may use any electronic medium to give or receive any Plan notice, communicate any Plan policy, conduct any written Plan communication, satisfy any Plan filing or other compliance requirement and conduct any other Plan transaction to the extent permissible under applicable law. A Participant or a Participant's Spouse, to the extent authorized by the Administrator, may use any electronic medium to make or provide any Beneficiary designation, election, notice, consent or waiver under the Plan, to the extent permissible under applicable law. Any reference in this Plan to a "form," a "notice," an "election," a "consent," a "waiver," a "designation," a "policy" or to any other Plan-related communication includes an electronic version thereof as permitted under applicable law. Notwithstanding the foregoing, any Participant or Beneficiary notices and consent that are required pursuant to the Code must satisfy Regulation §1.401(a)-21.

#### **9.15 PLAN CORRECTION**

The Administrator in conjunction with the Employer may undertake such correction of Plan errors as the Administrator deems necessary, including correction to preserve tax qualification of the Plan under Code §401(a) or to correct a fiduciary breach under state or local law. Without limiting the Administrator's authority under the prior sentence, the Administrator, as it determines to be reasonable and appropriate, may undertake correction of Plan document, operational, demographic and Employer eligibility failures under a method described in the Plan or under the IRS Employee Plans Compliance Resolution System ("EPCRS") or any successor program to EPCRS. Furthermore, the Employer may make corrective contributions pursuant to this Section regardless of whether the Plan otherwise permits such contribution source. In addition, the Plan is authorized to recover benefits from Participants or Beneficiaries that have been improperly distributed.

#### **9.16 NONTRUSTEED PLANS**

If the Plan is funded solely with Contracts, then notwithstanding Sections 9.7 and 9.12, no Contract will be purchased under the Plan unless such Contract or a separate definite written agreement between the Employer and the Insurer provides that no value under Contracts providing benefits under the Plan or credits determined by the Insurer (on account of dividends, earnings, or other experience rating credits, or surrender or cancellation credits) with respect to such Contracts may be paid or returned to the Employer or diverted to or used for other than the exclusive benefit of the Participants or their Beneficiaries. However, any contribution made by the Employer because of a mistake of fact must be returned to the Employer within one year of the contribution.

If this Plan is funded by individually owned or allocated Contracts that provide a Participant's benefit under the Plan, such individually owned or allocated Contracts shall constitute the Participant's Account balance. If this Plan is funded by group Contracts, under the group annuity or group insurance Contract, premiums or other consideration received by the Insurer must be allocated to Participants' Accounts under the Plan.

### **ARTICLE X PARTICIPATING EMPLOYERS**

#### **10.1 ELECTION TO BECOME A PARTICIPATING EMPLOYER**

Notwithstanding anything herein to the contrary, with the consent of the Employer, any Employer may adopt the Employer's Plan and all of the provisions hereof, and participate herein and be known as a Participating Employer, by a properly executed

document evidencing said intent and will of such Participating Employer (a participation agreement). In the event a Participating Employer is not an Affiliated Employer, then the provisions of Article XI shall apply rather than the provision of this Article X.

## **10.2 REQUIREMENTS OF PARTICIPATING EMPLOYERS**

(a) **Permissible variations of participation agreement.** The participation agreement must identify the Participating Employer and the covered Employees and provide for the Participating Employer's signature. In addition, in the participation agreement, the Employer shall specify which elections, if any, the Participating Employer can modify, and any restrictions on the modifications. Any such modification shall apply only to the Employees of that Participating Employer. The Participating Employer shall make any such modification by selecting the appropriate option on its participation agreement to the Employer's Adoption Agreement. To the extent that the participation agreement does not permit modification of an election, any attempt by a Participating Employer to modify the election shall have no effect on the Plan and the Participating Employer is bound by the Plan terms as selected by the Employer. If a Participating Employer does not make any permissible participation agreement election modifications, then with regard to any election, the Participating Employer is bound by the Adoption Agreement terms as completed by the "lead Employer."

(b) **Holding and investing assets.** The Trustee (or Insurer) may, but shall not be required to, commingle, hold and invest as one Trust Fund all contributions made by Participating Employers, as well as all increments thereof. However, the assets of the Plan shall, on an ongoing basis, be available to pay benefits to all Participants and Beneficiaries under the Plan without regard to the Employer or Participating Employer who contributed such assets.

(c) **Payment of expenses.** Unless the Employer otherwise directs and to the extent permitted by the Contracts, any expenses of the Plan which are to be paid by the Employer or borne by the Trust Fund shall be paid by each Participating Employer in the same proportion that the total amount standing to the credit of all Participants employed by such Employer bears to the total standing to the credit of all Participants.

## **10.3 DESIGNATION OF AGENT**

Each Participating Employer shall be deemed to be a part of this Plan; provided, however, that with respect to all of its relations with the Trustee (or Insurer) and Administrator for purposes of this Plan, each Participating Employer shall be deemed to have designated irrevocably the Employer as its agent. Unless the context of the Plan clearly indicates otherwise, the word "Employer" shall be deemed to include each Participating Employer as related to its adoption of the Plan.

## **10.4 EMPLOYEE TRANSFERS**

In the event an Employee is transferred between Participating Employers, accumulated service and eligibility shall be carried with the Employee involved. No such transfer shall effect a severance of employment hereunder, and the Participating Employer to which the Employee is transferred shall thereupon become obligated hereunder with respect to such Employee in the same manner as was the Participating Employer from whom the Employee was transferred.

## **10.5 PARTICIPATING EMPLOYER'S CONTRIBUTION AND FORFEITURES**

Any contribution and/or Forfeiture subject to allocation during each Plan Year shall be determined and allocated separately by each Participating Employer and shall be allocated only among the Participants eligible to share in the contribution and Forfeiture allocation of the Employer or Participating Employer making the contribution or by which the forfeiting Participant was employed.

On the basis of the information furnished by the Administrator, the Trustee (or Insurer) shall keep separate books and records concerning the affairs of each Participating Employer hereunder and as to the accounts and credits of the Employees of each Participating Employer. The Trustee (or Insurer) may, but need not, register Contracts so as to evidence that a particular Participating Employer is the interested Employer hereunder, but in the event of an Employee transfer from one Participating Employer to another, the employing Employer shall immediately notify the Trustee (or Insurer) thereof.

## **10.6 AMENDMENT**

Any Participating Employer hereby authorizes the Employer to make amendments on its behalf, unless otherwise agreed among all affected parties. Any such amendment is effective and binding upon existing Participating Employers.

## **10.7 DISCONTINUANCE OF PARTICIPATION**

Any Participating Employer that is an Affiliated Employer shall be permitted to discontinue or revoke its participation in the Plan at any time. At the time of any such discontinuance or revocation, satisfactory evidence thereof and of any applicable conditions imposed shall be delivered to the Trustee (or Insurer). The Trustee (or Insurer) shall thereafter transfer, deliver and assign Contracts and other Trust Fund assets allocable to the Participants of such Participating Employer to such new trustee (or insurer) or custodian as shall have been designated by such Participating Employer, in the event that it has established a separate qualified retirement plan for its employees. If no successor is designated, the Trustee (or Insurer) shall retain such assets for the Employees of said Participating Employer pursuant to the provisions of Article VII hereof. In no such event shall any part of the corpus or income of the Trust Fund as it relates to such Participating Employer be used for or diverted to purposes other than for the exclusive benefit of the Employees of such Participating Employer.

## **10.8 ADMINISTRATOR'S AUTHORITY**

The Administrator shall have authority to make any and all necessary rules or regulations, binding upon all Participating Employers and all Participants, to effectuate the purpose of this Article.

## ARTICLE XI CASH OR DEFERRED PROVISIONS

Except as specifically provided elsewhere in this Plan, the provisions of this Article shall apply with respect to any 401(k) Profit Sharing Plan regardless of any provisions in the Plan to the contrary.

### 11.1 FORMULA FOR DETERMINING EMPLOYER'S CONTRIBUTION

(a) **Permitted contributions.** For each Plan Year, the Employer will (or may with respect to any discretionary contributions) contribute to the Plan:

- (1) The amount of the total salary deferral elections of all Participants made pursuant to Section 11.2(a), which amount shall be deemed Elective Deferrals, plus
- (2) If elected in the Adoption Agreement, a matching contribution equal to the percentage, if any, specified in the Adoption Agreement of the Elective Deferrals of each Participant eligible to share in the allocations of the matching contribution, which amount shall be deemed an Employer matching contribution, plus
- (3) If elected in the Adoption Agreement, a discretionary amount determined each year by the Employer, which amount if any, shall be deemed an Employer Nonelective Contribution, or a "prevailing wage contribution" as set forth in the Adoption Agreement, which amount shall be an Employer Nonelective Contribution.
- (4) Regardless of any provision in the Plan to the contrary, Employees whose employment is governed by a collective bargaining agreement between the Employer and "employee representatives" under which retirement benefits were the subject of good faith bargaining shall be eligible to participate in this Plan to the extent of employment covered by such agreement provided the agreement provides for coverage in the Plan. The contributions and allocations under this Plan shall be those set forth in the collective bargaining agreement, which is hereby incorporated by reference. For this purpose, the term "employee representatives" does not include any organization more than half of whose members are employees who are owners, officers, or executives of the Employer. The provisions of this Subsection only apply if no more than two percent (2%) of the Employees covered pursuant to the agreement are professionals as defined in Regulation §1.410(b)-9.

### 11.2 PARTICIPANT'S SALARY DEFERRAL ELECTION

(a) **Salary deferral elections.** Each Participant may elect to defer a portion of Compensation which would have been received in the Plan Year, but for the salary deferral election, subject to the limitations of this Section and the Adoption Agreement. A salary deferral election (or modification of an earlier election) may not be made with respect to Compensation which is currently available on or before the date the Participant executed such election, or if later, the later of the date the Employer adopts this cash or deferred arrangement or the date such arrangement first became effective. Any elections made pursuant to this Section, including a modification or termination of an election, shall become effective as soon as is administratively feasible following the receipt of such election by the Administrator. Furthermore, if the Employer elects in the Adoption Agreement to apply the Automatic Contribution Arrangement provisions, then in the event a Participant fails to make an Affirmative Election, such Participant shall be deemed to have made a salary deferral election in accordance with the provisions selected in the Adoption Agreement and such other procedures that the Administrator may establish and apply in a uniform basis.

Regardless of the definition of Compensation selected in the Adoption Agreement, the Administrator may adopt a uniform policy for purposes of determining the amount of a Participant's Elective Deferrals by excluding "non-cash Compensation." For purposes of this Section, "non-cash Compensation" means tips, fringe benefits, and other items of Compensation not regularly paid in cash or cash equivalents, or for which the Employer does not or may not have the ability to withhold Elective Deferrals in cash for the purpose of transmitting the Elective Deferrals to the Plan pursuant to the Participant's Salary Deferral Agreement. Additionally, the Employer may, on a uniform basis, permit different salary deferral elections for different items of Compensation (e.g., a separate salary deferral election for bonuses), and may exclude for purposes of calculating Elective Deferrals one or more items of irregular pay (e.g., bonuses or car allowances). The Plan Administrator in the Plan's Salary Reduction Agreement form, or in a Salary Reduction Agreement policy will specify additional rules and restrictions applicable to a Participant's Salary Reduction Agreement, including but not limited to those regarding the timing, frequency and mechanics of changing or revoking a Salary Reduction Agreement or any uniform limitations with regard to deferrals in addition to those otherwise provided in the Plan. Any such rules and restrictions must be consistent with the Plan and with the Code.

If elected in the Adoption Agreement, effective as of the date specified in the Adoption Agreement, a Participant may make a salary deferral election to have Roth Elective Deferrals contributed to the Plan. Roth Elective Deferrals are includible in the Participant's gross income at the time deferred and must be irrevocably designated as Roth Elective Deferrals by the Participant in the Salary Deferral Agreement (or if applicable, in the Automatic Deferral provisions of the Plan).

The amount by which Compensation is reduced shall be that Participant's Elective Deferrals and shall be treated as an Employer contribution and allocated to that Participant's Elective Deferral Account. If the Plan permits Roth Elective Deferral contributions, then a Participant's Pre-Tax Elective Deferrals shall be allocated to the Participant's Pre-Tax Elective Deferral

Account and a Participant's Roth Elective Deferrals shall be allocated to the Participant's Roth Elective Deferral Account. Except in the case of an "in-Plan Roth Rollover Contribution" made pursuant to Section 11.11, Elective Deferrals contributed to the Plan as one type, either Roth Elective Deferrals or Pre-Tax Elective Deferrals, may not later be reclassified as the other type.

Notwithstanding anything in the Plan to the contrary, Participants may not make Elective Deferrals with respect to amounts that are not 415 Compensation. However, for this purpose, 415 Compensation is not limited to the annual compensation limit of Code §401(a)(17). Furthermore, for purposes of this Section, the annual dollar limitation of Code §401(a)(17) (\$200,000 as adjusted) shall not apply except that the Administrator may elect to apply such limit as part of the salary deferral election procedures established hereunder. In applying any Plan limit(s) on Elective Deferrals which are subject to matching contributions, where such limits are expressed as a percentage of Compensation, the Administrator may apply the Compensation limit under this Section annually, even if the matching contribution formula is applied on any time interval which is less than the full Plan Year or the Administrator may pro rate the Compensation limit.

Once made, a Participant's election to reduce Compensation shall remain in effect until modified or terminated. The Administrator shall establish procedures setting forth the conditions on modifications of an election. However, Participants must be permitted to modify elections at least once each Plan Year. Furthermore, terminations may be made at any time.

(b) **Eligible Automatic Contribution Arrangement (EACA).** If elected in the Adoption Agreement, the Employer maintains a Plan with Automatic Deferral provisions as an Eligible Automatic Contribution Arrangement (EACA) and the following provisions will apply:

(1) **Participants subject to EACA.** The Employer in its Adoption Agreement will elect which Participants are subject to the EACA Automatic Deferral on the "EACA Effective Date" thereof which may include some or all current Participants or may be limited to those Employees who become Participants after the EACA Effective Date. The "EACA Effective Date" means the date on which the EACA goes into effect, either as to the overall Plan or as to an individual Participant as the context requires. An EACA becomes effective as to the Plan as of the date the Employer elects in the Adoption Agreement. A Participant's "EACA Effective Date" is as soon as practicable after the Participant is subject to Automatic Deferrals under the EACA, consistent with: (i) applicable law; and (ii) the objective of affording the Participant a reasonable period of time after receipt of the EACA notice to make an Affirmative Election (and, if applicable, an investment election).

(2) **Uniformity.** The Automatic Deferral percentage must be a uniform percentage of Compensation. However, the Plan does not violate the uniform Automatic Deferral percentage requirement merely because the Plan applies any of the following provisions:

(i) **Years of participation.** The Automatic Deferral percentage varies based on the number of Plan Years (or portions) the Participant has participated in the Plan while the Plan has applied EACA provisions;

(ii) **No reduction from prior percentage.** The Plan does not reduce a deferral percentage that, immediately prior to the EACA's effective date was higher (for any Participant) than the Automatic Deferral percentage;

(iii) **Applying statutory limits.** The Plan limits the Automatic Deferral amount so as not to exceed the limits of Code §401(a)(17), 402(g) (determined without regard to Age 50 Catch-Up Deferrals), or 415;

(iv) **No Automatic Deferrals during hardship suspension.** The Plan does not apply the Automatic Deferral during a period of suspension, under the Plan's hardship distribution provisions, of Participant's right to make Elective Deferrals to the Plan following a hardship distribution; or

(v) **Disaggregated groups.** The Plan applies different default percentages to different groups if the groups can be disaggregated under Regulation §1.401(k)-1(b)(4).

(3) **EACA notice.** The Administrator annually will provide a notice to each Participant covered by the EACA provisions (including, if elected in the Adoption Agreement, Participants who made an Affirmative Election) within a reasonable period of time prior to each Plan Year the Employer maintains the Plan as an EACA ("EACA Plan Year").

(i) **Deemed reasonable notice/new Participant.** The Administrator is deemed to provide timely notice if the Administrator provides the EACA notice at least thirty (30) days and not more than ninety (90) days prior to the beginning of the EACA Plan Year.

(ii) **Mid-year notice/new Participant or Plan.** If: (A) an Employee becomes eligible to make Elective Deferrals in the Plan during an EACA Plan Year but after the Administrator has provided the annual EACA notice for that Plan Year; or (B) the Employer adopts mid-year a new Plan as an EACA, the Administrator must provide the EACA notice no later than the date the Employee becomes eligible to make Elective Deferrals. However, if it is not practicable for the notice to be provided on or before the date an Employee becomes a Participant, then the notice will nonetheless be treated as provided timely if it is provided as soon as practicable after that date and the Employee is permitted to elect to defer from all types of Compensation that may be deferred under the Plan earned beginning on that date.

(iii) **Content.** The EACA notice must provide comprehensive information regarding the Participants' rights and obligations under the Plan and must be written in a manner calculated to be understood by the average Participant in accordance with applicable law.

(4) **EACA permissible withdrawal.** If elected in the Adoption Agreement, a Participant who has Automatic Deferrals under the EACA may elect to withdraw all the Automatic Deferrals (and allocable earnings) under the provisions of this Subsection. Any distribution made pursuant to this Section will be processed in accordance with normal distribution provisions of the Plan.

(i) **Amount.** If a Participant elects a permissible withdrawal under this Subsection, then the Plan must make a distribution equal to the amount (and only the amount) of the Automatic Deferrals made under the EACA (adjusted for allocable gains and losses to the date of the distribution). The Plan may separately account for Automatic Deferrals, in which case the entire account will be distributed. If the Plan does not separately account for the Automatic Deferrals, then the Plan must determine earnings or losses in a manner similar to the refund of Excess Contributions.

(ii) **Fees.** Notwithstanding the above, the Administrator may reduce the permissible distribution amount by any generally applicable fees. However, the Plan may not charge a greater fee for distribution under this Section than applies to other distributions. The Administrator may adopt a policy regarding charging such fees consistent with this paragraph.

(iii) **Timing.** The Participant may make an election to withdraw the Automatic Deferrals under the EACA no later than ninety (90) days, or such shorter period as specified in the Adoption Agreement, after the date of the first Automatic Deferral under the EACA. For this purpose, the date of the first Automatic Deferral is the date that the Compensation subject to the Automatic Deferral otherwise would have been includible in the Participant's gross income. For this purpose, EACAs under the Plan are aggregated. In addition, a Participant's withdrawal right is not restricted due to the Participant making an Affirmative Election during the ninety (90) day period (or shorter period as specified in the Adoption Agreement).

(iv) **Rehired Employees.** For purposes of paragraph (iii) above, an Employee who for an entire Plan Year did not have contributions made pursuant to a default election under the EACA will be treated as having not had such contributions for any prior Plan Year as well.

(v) **Effective date of the withdrawal election.** The effective date of the permissible withdrawal will be as soon as practicable, but in no event later than the earlier of (A) the pay date of the second payroll period beginning after the election is made, or (B) the first pay date that occurs at least thirty (30) days after the election is made. The election will also be deemed to be an Affirmative Election to have no Elective Deferrals made to the Plan.

(vi) **Related matching contributions.** The Administrator will not take any Elective Deferrals withdrawn pursuant to this Section into account in computing and allocating matching contributions. If the Employer has already allocated matching contributions to the Participant's Account with respect to Elective Deferrals being withdrawn pursuant to this Subsection (4), then such matching contributions, as adjusted for gains and losses, must be forfeited.

(vii) **Treatment of withdrawals.** With regard to Elective Deferrals withdrawn pursuant to this Subsection, (A) the Administrator will disregard such Elective Deferrals in the Actual Deferral Percentage Test (if applicable); (B) the Administrator will disregard such Elective Deferrals for purposes of the limitation on Elective Deferrals under Code §402(g); (C) such Elective Deferrals are not subject to the consent requirements of Code §401(a)(11) or 417.

(viii) **Effect of Affirmative Election.** A Participant's Affirmative Election continues in effect until the Participant subsequently revokes or modifies his or her Salary Deferral Agreement, or the Affirmative Election no longer applies (e.g., due to re-enrollment). A Participant who has an Affirmative Election in effect is not thereafter subject to the Automatic Deferral or to any scheduled increases thereto, even if the Participant later revokes the Affirmative Election, unless the Participant is subject to the EACA. In addition, a Participant who is subject to the EACA provisions who revokes his or her Affirmative Election, will be deemed to have made an Affirmative Election to have no Elective Deferrals made to the Plan.

(c) **Catch-Up Contributions.** If selected in the Adoption Agreement, all Employees who are eligible to make Elective Deferrals under this Plan and who have attained age 50 before the close of the taxable year shall be eligible to make Catch-Up Contributions in accordance with, and subject to the dollar limitations of, Code §414(v)(2)(B)(i) for the taxable year. The limit will be adjusted by the Secretary of the Treasury for cost-of-living increases under Code §414(v)(2)(C). Such Catch-Up Contributions shall not be taken into account for purposes of the provisions of the Plan implementing the required limitations of Code §§402(g) and 415. The Plan shall not be treated as failing to satisfy the provisions of the Plan implementing the requirements of Code §401(k)(3), 401(k)(11), 401(k)(12), or 416, as applicable, by reason of the making of such Catch-Up Contributions (but Catch-Up Contributions made in prior years are counted in determining whether the Plan is a Top-Heavy Plan). If selected in the Adoption Agreement, Catch-Up Contributions shall not be treated as Elective Deferrals for purposes of applying any Employer matching contributions.

(d) **Full vesting.** The balance in each Participant's Elective Deferral Account, Qualified Matching Contribution Account and Qualified Nondollar Contribution Account shall be fully Vested at all times and, except as otherwise provided herein, shall not be subject to Forfeiture for any reason.

(e) **Distribution restrictions.** Amounts held in a Participant's Elective Deferral Account may only be distributable as provided in (4) below or as provided under the other provisions of this Plan, but in no event prior to the earlier of the following events or any other events permitted by the Code or Regulations:

- (1) the Participant's severance of employment (regardless of when the severance of employment occurred), Total and Permanent Disability, or death;
- (2) the Participant's attainment of age 59 1/2;
- (3) the proven financial hardship of the Participant, subject to the limitations of Section 11.4(d) (or, for a non-standardized Adoption Agreement, Section 6.12);
- (4) the termination of the Plan without the existence at the time of Plan termination of another defined contribution plan or the establishment of a successor defined contribution plan by the Employer or an Affiliated Employer within the period ending twelve months after distribution of all assets from the Plan maintained by the Employer. For this purpose, a defined contribution plan does not include an employee stock ownership plan (as defined in Code §4975(e)(7) or 409(a)), a simplified employee pension plan (as defined in Code §408(k)), a SIMPLE individual retirement account plan (as defined in Code §408(p)), a plan or contract that satisfies the requirements of Code §403(b), or a plan that is described in Code §457(b) or (f). A distribution that is made because of this paragraph (4) must be made in a lump-sum;
- (5) the Participant's call to active duty, because of the Participant's status as a member of a reserve component, for a period of at least 180 days or for an indefinite period, i.e., a "qualified reservist distribution" within the meaning of Section 4.11; or
- (6) a Participant's service in the uniformed services while on active duty for a period of at least 30 days, i.e., a "deemed distribution" within the meaning of Section 4.11.

(f) **Code §402(g) dollar limit.** A Participant's Elective Deferrals made under this Plan and all other plans, contracts or arrangements of the Employer maintaining this Plan during any calendar year shall not exceed the dollar limitation imposed by Code §402(g), as in effect at the beginning of such calendar year, except to the extent permitted under Section 11.2(c) and Code §414(v), if applicable. The limit will be adjusted by the Secretary of the Treasury for cost-of-living increases under Code §402(g)(4). For this purpose, "elective deferrals" means, with respect to a calendar year, the sum of all Employer contributions made on behalf of such Participant pursuant to an election to defer under any qualified cash or deferred arrangement as described in Code §401(k), any salary reduction simplified employee pension (as defined in Code §408(k)(6)), any SIMPLE IRA plan described in Code §408(p), any eligible deferred compensation plan under Code §457, any plans described under Code §501(c)(18), and any Employer contributions made on the behalf of a Participant for the purchase of an annuity contract under Code §403(b) pursuant to a salary deferral agreement.

(g) **Excess Deferrals.** If a Participant has Excess Deferrals for a taxable year, the Participant may, not later than March 1st following the close of such taxable year, notify the Administrator in writing of such excess and request that the Participant's Elective Deferrals under this Plan be reduced by an amount specified by the Participant. In such event, the Administrator shall direct the distribution of such excess amount (and any "income" allocable to such excess amount) to the Participant not later than the first April 15th following the close of the Participant's taxable year. Any distribution of less than the entire amount of Excess Deferrals and "income" shall be treated as a pro rata distribution of Excess Deferrals and "income." The amount distributed shall not exceed the Participant's Elective Deferrals under the Plan for the taxable year. Any distribution on or before the last day of the Participant's taxable year must satisfy each of the following conditions:

- (1) the Participant shall designate the distribution as Excess Deferrals;
- (2) the distribution must be made after the date on which the Plan received the Excess Deferrals; and
- (3) the Plan must designate the distribution as a distribution of Excess Deferrals.

Regardless of the preceding, if a Participant has Excess Deferrals solely from Elective Deferrals made under this Plan or any other plan maintained by the Employer, a Participant will be deemed to have notified the Administrator of such excess amount and the Administrator shall direct the distribution of such Excess Deferrals in a manner consistent with the provisions of this Subsection.

For the purpose of this Subsection, "income" means the amount of income or loss allocable to a Participant's Excess Deferrals, which amount shall be allocated in the same manner as income or losses are allocated pursuant to Section 4.3(c). The Administrator may not distribute "income" allocable to Excess Deferrals for the period between the end of the Participant's taxable year in which the Excess Deferral occurred and the date of the distribution (the "gap period").

Notwithstanding the above, for any years in which a Participant makes both Roth Elective Deferrals and Pre-Tax Elective Deferrals, the distribution of any Excess Deferrals for such year shall be made, as operationally determined by the Administrator, from the Participant's Pre-Tax Elective Deferral Account or Participant's Roth Elective Deferral Account. Matching contributions which relate to Excess Elective Deferrals (regardless of whether such Excess Elective Deferrals are Pre-Tax Elective Deferrals or Roth Elective Deferrals) shall be treated as a Forfeiture.

Any distribution of Excess Deferrals made pursuant to this Subsection shall be made first from unmatched Elective Deferrals (regardless of whether they are attributable to Pre-Tax Elective Deferrals or Roth Elective Deferrals) and, thereafter, from Elective Deferrals which are matched. Matching contributions which relate to Excess Deferrals that are distributed pursuant to this Section 11.2(g) shall be treated as a Forfeiture to the extent required pursuant to Code §401(a)(4) and the Regulations thereunder.

(h) **Suspension due to hardship or deemed severance.** In the event a Participant has received a hardship distribution pursuant to Regulation §1.401(k)-1(d)(3) from any other plan maintained by the Employer or from the Participant's Elective Deferral Account pursuant to Section 11.4, or has received a distribution on account of deemed severance on account of qualified military service from this Plan or any other plan maintained by the Employer, then such Participant shall not be permitted to elect to have Elective Deferrals contributed to the Plan in accordance with the rules set forth herein for such distributions.

(i) **Distributable based on other terms of Plan.** At Normal Retirement Date, or such other date when the Participant shall be entitled to receive benefits, the fair market value of the Participant's Elective Deferral Account shall be used to provide benefits to the Participant or the Participant's Beneficiary.

(j) **Procedures must be established.** The Employer and the Administrator shall establish procedures necessary to implement the salary deferral elections provided for herein. Such procedures may contain limits on salary deferral elections such as limiting elections to whole percentages of Compensation or to equal dollar amounts per pay period that an election is in effect. The Employer may elect to impose a limit on Elective Deferrals in the Adoption Agreement, as amended from time to time and accompanied by providing timely notice to the Participants. Any such limit change made during a Plan Year applies only prospectively and applies until the Administrator changes or revokes the limit.

(1) **Automatic contribution arrangements.** Unless otherwise provided in Subsection (b) above or any elections in the Adoption Agreement, the procedures may provide for a reasonable period time for a Participant to elect out of the automatic contribution arrangement or the Automatic Deferral and/or Automatic Escalation of Affirmative Election provisions. The Employer may also provide for the re-enrollment of all or some Participants (such as requiring re-enrollment for just those Participants who have an Affirmative Election below a certain percentage or amount). Furthermore, the Plan has a reasonable period of time to implement an Automatic Deferral or an Automatic Escalation after a Participant is first subject to the Automatic Deferral and/or Automatic Escalation of Affirmative Election provisions.

(2) **Rehired Participants.** Unless otherwise provided in Subsection (b) above, any elections in the Adoption Agreement, the Salary Deferral Agreement, or the Plan's procedures, the termination of a Participant's employment with the Employer automatically revokes the Participant's Salary Deferral Agreement with regard to periods after the Participant is rehired. The Plan is permitted to establish procedures whereby termination of employment for a short period of time will not revoke an Affirmative Election or be treated as a termination of employment for purposes of the Plan's Automatic Contribution Arrangement and/or Automatic Escalation of Affirmative Election provisions.

### **11.3 ALLOCATION OF CONTRIBUTIONS AND FORFEITURES**

(a) **Separate accounting.** The Administrator shall establish and maintain an account in the name of each Participant to which the Administrator shall credit as of each Anniversary Date, or other Valuation Date, all amounts allocated to each such Participant as set forth herein.

(b) **Contributions.** The Employer shall provide the Administrator with all information required by the Administrator to make a proper allocation of Employer contributions for each Plan Year. Within a reasonable period of time after the date of receipt by the Administrator of such information, the Administrator shall allocate contributions as follows:

(1) With respect to Elective Deferrals made pursuant to Section 11.1(a)(1), to each Participant's Elective Deferral Account in an amount equal to each such Participant's Elective Deferrals for the year.

(2) With respect to the Employer matching contribution made pursuant to Section 11.1(a)(2), to each Participant's Account, in accordance with Section 11.1(a)(2).

Except, however, in order to be entitled to receive any Employer matching contribution, a Participant must satisfy the conditions for sharing in the Employer matching contribution as set forth in the Adoption Agreement.

(3) With respect to the Employer Nonelective Contribution made pursuant to Section 11.1(a)(3), to each Participant's Account in accordance with the provisions of Section 4.3(b)(2) or (3), whichever is applicable.

(c) **Elective Deferrals not conditioned on service during a year.** Notwithstanding anything herein to the contrary, Participants who terminated employment during the Plan Year shall share in the Elective Deferral contributions made by the Employer for the year of termination without regard to the Hours of Service credited.

(d) **Conditions for sharing in contributions/allocations.** Notwithstanding anything herein to the contrary, Participants shall only share in the allocations of the Employer matching contribution made pursuant to Section 11.1(a)(2), the Employer Nonelective Contributions made pursuant to Section 11.1(a)(3), and Forfeitures as provided in the Adoption Agreement.

## 11.4 DISTRIBUTION FOR HARDSHIP

(a) **Hardship events.** If elected in the Adoption Agreement, the Administrator, at the election of a Participant, shall direct the Trustee (or Insurer) to distribute to the Participant in any one Plan Year up to an amount necessary to satisfy the Participant's immediate and heavy financial need, determined in accordance with the remaining provisions of this Section. Distribution of Elective Deferrals (and any earnings credited to a participant's Elective Deferral and Qualified Matching and Qualified Nonelective accounts as of the later of December 31, 1988, and or the end of the last Plan Year ending before July 1, 1989) may be made to a Participant in the event of hardship. A hardship distribution may only be made on account of an immediate and heavy financial need of the Participant and where the distribution is necessary to satisfy the immediate and heavy financial need. Such distributions may also be made from those Accounts from which such distribution are authorized by the remaining provisions of this Section. For purposes of this Section, a Participant shall include an Employee (or if elected in the Adoption Agreement, a former employee) who has an Account balance in the Plan. Any distribution made pursuant to this Section shall be deemed to be made as of the first day of the Plan Year or, if later, the Valuation Date immediately preceding the date of distribution, and the Account from which the distribution is made shall be reduced accordingly. A withdrawal under this Section shall be authorized only if the distribution is for one of the following or any other item permitted under Regulation §1.401(k)-1(d)(3)(iii)(B) or any other federally enacted legislation (the Administrator operationally may limit the deemed immediate and heavy financial need events to only certain of the events specified below):

- (1) expenses for (or necessary to obtain) medical care (as defined in Code §213(d));
- (2) costs directly related to the purchase (excluding mortgage payments) of a principal residence for the Participant;
- (3) payments for burial or funeral expenses for the Participant's deceased parent, Spouse, children or dependents (as defined in Code §152, and without regard to Code §152(d)(1)(B));
- (4) payment of tuition, related educational fees, and room and board expenses, for up to the next twelve (12) months of post-secondary education for the Participant, the Participant's Spouse, children, or dependents (as defined in Code §152, and without regard to Code §152(b)(1), (b)(2), and (d)(1)(B));
- (5) payments necessary to prevent the eviction of the Participant from the Participant's principal residence or foreclosure on the mortgage on that residence; or
- (6) expenses for the repair of damage to the Participant's principal residence that would qualify for the casualty deduction under Code §165 (determined without regard to whether the loss exceeds 10% of adjusted gross income).

(b) **Beneficiary-based distribution.** If elected in the Adoption Agreement, then effective as of the date specified in the Adoption Agreement, a Participant's hardship event includes an immediate and heavy financial need of the Participant's "primary Beneficiary under the Plan," that would constitute a hardship event if it occurred with respect to the Participant's Spouse or dependent as defined under Code §152 (such hardship events being limited to educational expenses, funeral expenses and certain medical expenses). For purposes of this Section, a Participant's "primary Beneficiary under the Plan" is an individual who is named as a Beneficiary under the Plan (by the Participant or pursuant to Section 6.2(d)) and has an unconditional right to all or a portion of the Participant's Account balance under the Plan upon the Participant's death.

(c) **Other limits and conditions.** No distribution shall be made pursuant to this Section unless the Administrator, based upon the Participant's representation and such other facts as are known to the Administrator, determines that all of the following conditions are satisfied:

- (1) The distribution is not in excess of the amount of the immediate and heavy financial need of the Participant (including any amounts necessary to pay any federal, state, or local taxes or penalties reasonably anticipated to result from the distribution);
- (2) The Participant has obtained all distributions, other than hardship distributions, and all nontaxable loans currently available under all plans maintained by the Employer (to the extent the loan would not increase the hardship); and
- (3) The Plan, and all other plans maintained by the Employer, provide that the Participant's Elective Deferrals and nondeductible voluntary Employee contributions will be suspended for at least six (6) months after receipt of the hardship distribution.

(d) **Limitation on Account withdrawals.** Notwithstanding the above, distributions from the Participant's Elective Deferral Account, Qualified Matching Contribution Account and Qualified Nonelective Contribution Account pursuant to this Section shall be limited solely to the Participant's Elective Deferrals and any income attributable thereto credited to the Participant's Elective Deferral Account as of December 31, 1988.

(e) **Other limits and conditions.** Hardship distributions shall be made from an Account only to the extent that such Account has become Vested at the time of such distribution. If elected in the Adoption Agreement, no distribution shall be made pursuant to this Section from the Participant's Account until such Account has become fully Vested. Furthermore, if a hardship distribution is permitted from more than one Account, the Administrator may determine any ordering of a Participant's hardship distribution from such Accounts.

(f) **Distribution rules apply.** Any distribution made pursuant to this Section shall be made in a manner which is consistent with and satisfies the provisions of Section 6.5, including, but not limited to, all notice and consent requirements of Code §§411(a)(11) and 417 and the Regulations thereunder.

## 11.5 IN-PLAN ROTH ROLLOVER CONTRIBUTIONS/TRANSFERS

(a) **Right to elect In-Plan Roth Rollover Contribution/Transfer.** If elected in the Adoption Agreement and subject to the terms of the Contracts and as permitted by the Insurer and/or Trustee, then effective as of the date specified in the Adoption Agreement, a Participant may elect an "In-Plan Roth Rollover Contribution" (hereinafter referred to as an IRR) and/or an "In-Plan Roth Transfer" (hereinafter referred to as an IRT) in accordance with the provisions of the Plan, this Section and the elections made in the Adoption Agreement. IRRs and IRTs will be subject to the Plan rules related to designated Roth accounts. Participants shall be fully Vested in the portion of their Accounts attributable to IRRs and IRTs.

(b) **Parties eligible to elect.** The Employer in its Adoption Agreement can limit to Employees the right to elect to make IRRs or IRTs. If the Employer does not make this election, then for purposes of eligibility for an IRR, the Plan will treat a Participant's surviving spouse Beneficiary or alternate payee spouse or alternate payee former spouse as a Participant. A non-spouse Beneficiary may not make an In-Plan Roth Rollover.

(c) **Partially Vested accounts.** IRRs and IRTs are permitted only from Vested amounts allocated to a qualifying source but may be made from partially Vested Accounts unless the Employer elects otherwise in its Adoption Agreement. If a distribution is made to a Participant who has not incurred a Severance from Employment and who is not fully Vested in the Participant's Account from which the In-Plan Roth Rollover Contribution is to be made, and the Participant may increase the Vested percentage in such Account, then at any relevant time Section 6.5(h) will apply to determine the Participant's Vested portion of the Account.

(d) **Amount limitation.** The Employer in its Adoption Agreement may specify a minimum amount which will be accepted as an IRR or IRT.

(e) **Policy.** The Administrator may adopt a policy setting for reasonable procedures and administrative rules relating to In-Plan Roth Rollover Contributions. Such a policy can prescribe administrative forms and limit the maximum number of such rollovers a Participant may make during a Plan Year.

(f) **Form and source of IRRs and IRTs.**

(1) **Direct Rollover.** An IRR and an IRT may be made only by a direct rollover.

(2) **Account source.** A Participant may make an IRR or IRT from any account (other than a Designated Roth Account) subject to the administrative limitations of the Trustee and/or Insurer, unless the Employer otherwise elects in its Adoption Agreement.

(3) **Cash or in-kind.** The Administrator may permit an IRR or IRT either by converting to cash any non-cash investments prior to rolling over the Participant's distribution election amount to the In-Plan Roth Rollover Account or In-Plan Roth Transfer Account, or by rolling over the Participant's current investments to the respective Accounts. A Plan loan so transferred (if such transfer is permitted) without changing the repayment schedule is not treated as a new loan.

(4) **No rollover or distribution treatment.** Notwithstanding any other Plan provision, an IRR or an IRT is not a rollover contribution for purposes of the Plan. Accordingly, the Plan will take into account the amounts attributable to an "in-Plan Roth rollover contribution" in determining whether a Participant's Vested Account balance exceeds \$5,000. In addition, an "in-Plan Roth rollover contribution" is not a distribution for purposes of 3405(c) (relating to mandatory income tax withholding). Furthermore, it is not a distribution for purposes of applying any limitations that a Plan may impose with respect to the number of in-service distributions permitted by the Plan.

(5) **Eligibility and amount of IRR.** A Participant must be eligible for a distribution in order to roll over a distribution to an In-Plan Roth Rollover Contribution Account in accordance with this Section. A Participant may not make an IRR with regard to an amount which is not an "eligible rollover distribution" as defined in Section 6.14. If specified in the Adoption Agreement, a Participant may take an in-service distribution only for purposes of electing an IRR to an In-Plan Roth Rollover Contribution Account.

(g) **Withdrawal of IRRs and IRTs.** A Participant may withdraw amounts from the Participant's In-Plan Roth Rollover Contribution Account or In-Plan Roth Transfer Account only when the Participant is eligible for a distribution from the Plan account that is the source of the IRR or IRT. This Section does not expand or eliminate any distribution rights on amounts that a Participant elects to treat as an IRR or IRT.

(h) **Definitions.**

(1) **In-Plan Roth Rollover Contribution ("IRR").** An "in-Plan Roth rollover contribution" (IRR) means a rollover contribution to the Plan that consists of a distribution from a Participant's Plan account, other than a designated Roth account, that the Participant rolls over to the Participant's designated In-Plan Roth Rollover Contribution Account in the Plan, in accordance with Code §402(c)(4).

(2) **In-Plan Roth Rollover Transfer ("IRT").** An "in-Plan Roth rollover transfer" (IRT) means a rollover contribution to the Plan that consists of a distribution from a Participant's Plan account, other than a designated Roth account, that the Participant rolls over to the Participant's designated In-Plan Roth Transfer Account in the Plan, in accordance with Code §402(c)(4).

## ARTICLE XII MULTIPLE EMPLOYER PROVISIONS

### 12.1 ELECTION AND OVERRIDING EFFECT

If a Participating Employer that is not an Affiliated Employer adopts this Plan, then the provisions of this Article XI shall apply to each Participating Employer as of the Effective Date specified in its participation agreement and supersede any contrary provisions in the basic Plan document or the Adoption Agreement. If this Article XII applies, then the Plan shall be a multiple employer plan as described in Code §413(c). In this case, the Employer and each Participating Employer acknowledge that the Plan is a multiple employer plan subject to the rules of Code §413(c) and the Regulations thereunder, and specific annual reporting requirements.

### 12.2 DEFINITIONS

The following definitions shall apply to this Article XII and shall supersede any conflicting definitions in the Plan:

- (a) **Employee.** "Employee" means any common law employee, Leased Employee or other person the Code treats as an employee of a Participating Employer for purposes of the Participating Employer's qualified plan. Either the Adoption Agreement or a participation agreement to the Adoption Agreement may designate any Employee, or class of Employees, as not eligible to participate in the Plan.
- (b) **Lead Employer.** "Lead Employer" means the signatory Employer to the Adoption Agreement execution page, and does not include any Affiliated Employer or Participating Employer. The "lead Employer" has the same meaning as the Employer for purposes of making Plan amendments and other purposes regardless of whether the "lead Employer" is also a Participating Employer under this Article XII. The "lead Employer" may execute a Participation Agreement setting forth elections which are specific to the "lead Employer".

### 12.3 PARTICIPATING EMPLOYER ELECTIONS

The participation agreement must identify the Participating Employer and the covered Employees and provide for the Participating Employer's signature. In addition, in the participation agreement, the "lead Employer" shall specify which elections, if any, the Participating Employer can modify, and any restrictions on the modifications. Any such modification shall apply only to the employees of that Participating Employer. The Participating Employer shall make any such modification by selecting the appropriate option on its participation agreement to the "lead Employer's" Adoption Agreement. To the extent that the Adoption Agreement does not permit modification of an election, any attempt by a Participating Employer to modify the election shall have no effect on the Plan and the Participating Employer is bound by the Plan terms as selected by the "lead Employer." If a Participating Employer does not make any permissible participation agreement election modifications, then with regard to any election, the Participating Employer is bound by the Adoption Agreement terms as completed by the "lead Employer."

### 12.4 TESTING

The Administrator shall apply the Code §415 limitation in Section 4.4 for the Plan as a whole.

### 12.5 COMPENSATION

- (a) **Separate determination.** A Participant's Compensation shall be determined separately for each Participating Employer for purposes of allocations under Article IV.
- (b) **Joint status.** For all Plan purposes, including but not limited to determining the Code §415 limits in Section 4.4, Compensation includes all Compensation paid by or for any Participating Employer.

### 12.6 SERVICE

An Employee's service includes all Hours of Service and Years of Service with any and all Participating Employers. An Employee who terminates employment with one Participating Employer and immediately commences employment with another Participating Employer has not separated from service or had a severance from employment.

### 12.7 COOPERATION AND INDEMNIFICATION

- (a) **Cooperation.** Each Participating Employer agrees to timely provide all information the Administrator deems necessary to insure the Plan is operated in accordance with the requirements of the Code and will cooperate fully with the "lead Employer," the Plan, the Plan fiduciaries and other proper representatives in maintaining the qualified status of the Plan. Such cooperation will include payment of such amounts into the Plan, to be allocated to employees of the Participating Employer, which are reasonably required to maintain the tax-qualified status of the Plan.

(b) **Indemnity.** Each Participating Employer will indemnify and hold harmless the Administrator, the "lead Employer" and its subsidiaries; officers, directors, shareholders, employees, and agents of the "lead Employer"; the Plan; the Trustees, Participants and Beneficiaries of the Plan, as well as their respective successors and assigns, against any cause of action, loss, liability, damage, cost, or expense of any nature whatsoever (including, but not limited to, attorney's fees and costs, whether or not suit is brought, as well as IRS plan disqualifications, other sanctions or compliance fees and penalties) arising out of or relating to the Participating Employer's noncompliance with any of the Plan's terms or requirements; any intentional or negligent act or omission the Participating Employer commits with regard to the Plan; and any omission or provision of incorrect information with regard to the Plan which causes the Plan to fail to satisfy the requirements of a tax-qualified plan. This indemnity provision shall continue to apply to a Participating Employer with respect to the period such entity was a Participating Employer, even if the Participating Employer withdraws or is removed pursuant to Sections 12.8 or 12.9.

## 12.8 INVOLUNTARY TERMINATION

Unless the "lead Employer" provides otherwise in an addendum hereto, the "lead Employer" shall have the power to terminate the participation of any Participating Employer (hereafter "Terminated Employer") in this Plan. If and when the "lead Employer" wishes to exercise this power, the following shall occur:

(a) **Notice.** The "lead Employer" shall give the "Terminated Employer" a notice of the "lead Employer's" intent to terminate the "Terminated Employer's" status as a Participating Employer of the Plan. The "lead Employer" will provide such notice not less than thirty (30) days prior to the date of termination unless the "lead Employer" determines that the interest of Plan Participants requires earlier termination.

(b) **Spin-off.** The "lead Employer" shall establish a new defined contribution plan, using the provisions of this Plan with any modifications contained in the "Terminated Employer's" participation agreement, as a guide to establish a new defined contribution plan (the "spin-off plan"). The "lead Employer" will direct the Trustee to transfer (in accordance with the rules of Code §414(l) and the provisions of Section 8.3) the Accounts of the Employees of the "Terminated Employer" to the "spin-off plan." The "Terminated Employer" shall be the Employer, Administrator, and sponsor of the "spin-off plan." The Trustee of the "spin-off plan" shall be the person or entity designated by the "Terminated Employer." However, the "lead Employer" shall have the option to designate an appropriate financial institution as Trustee instead if necessary to protect the interest of the Participants. The "lead Employer" shall have the authority to charge the "Terminated Employer" or the Accounts of the Employees of the "Terminated Employer" a reasonable fee to pay the expenses of establishing the "spin-off plan."

(c) **Alternatives.** The "Terminated Employer," in lieu of creation of the "spin-off plan" under (b) above, has the option to elect a transfer alternative in accordance with this Subsection (c).

(1) **Election.** To exercise the option described in this Subsection, the "Terminated Employer" must inform the "lead Employer" of its choice and must supply any reasonably required documentation as soon as practical. If the "lead Employer" has not received notice of a "Terminated Employer's" exercise of this option within ten (10) days prior to the stated date of termination, the "lead Employer" can choose to disregard the exercise and proceed with the Spin-off.

(2) **Transfer.** If the "Terminated Employer" selects this option, the Administrator shall transfer (in accordance with the rules of Code §414(l) and the provisions of Section 8.3) the Accounts of the Employees of the "Terminated Employer" to a qualified plan the "Terminated Employer" maintains. To exercise this option, the "Terminated Employer" must deliver to the "lead Employer" or Administrator in writing the name and other relevant information of the transferee plan and must provide such assurances that the Administrator shall reasonably require to demonstrate that the transferee plan is a qualified plan.

(d) **Participants.** The Employees of the "Terminated Employer" shall cease to be eligible to accrue additional benefits under the Plan with respect to Compensation paid by the "Terminated Employer," effective as of the date of termination. To the extent that these Employees have accrued but unpaid contributions as of the date of termination, the "Terminated Employer" shall pay such amounts to the Plan or the "spin-off plan" no later than thirty (30) days after the date of termination, unless the "Terminated Employer" effectively selects the Transfer option under Subsection (c)(2) above.

(e) **Consent.** By its signature on the participation agreement, the "Terminated Employer" specifically consents to the provisions of this Article and agrees to perform its responsibilities with regard to the "spin-off plan," if necessary.

## 12.9 VOLUNTARY TERMINATION

A Participating Employer (hereafter "withdrawing employer") may voluntarily withdraw from participation in this Plan at any time. If and when a "withdrawing employer" wishes to withdraw, the following shall occur:

(a) **Notice.** The "withdrawing employer" shall inform the "lead Employer" and the Administrator of its intention to withdraw from the Plan. The "withdrawing employer" must give the notice not less than thirty (30) days prior to the effective date of its withdrawal.

(b) **Procedure.** The "withdrawing employer" and the "lead Employer" shall agree upon procedures for the orderly withdrawal of the "withdrawing employer" from the plan. Such procedures may include any of the optional spin-off or transfer options described in Section 12.8.

(c) **Costs.** The "withdrawing employer" shall bear all reasonable costs associated with withdrawal and transfer under this Section.

(d) **Participants.** The Employees of the "withdrawing employer" shall cease to be eligible to accrue additional benefits under the Plan as to Compensation paid by the "withdrawing employer," effective as of the effective date of withdrawal. To the extent that such Employees have accrued but unpaid contributions as of the effective date of withdrawal, the "withdrawing employer" shall contribute such amounts to the Plan or the "spin-off plan" promptly after the effective date of withdrawal, unless the accounts are transferred to a qualified plan the "withdrawing employer" maintains.

#### **12.10 DESIGNATION OF AGENT**

Each Participating Employer shall be deemed to be a part of this Plan; provided, however, that with respect to all its relations with the Trustee (or Insurer) and Administrator for purposes of this Plan, each Participating Employer shall be deemed to have designated irrevocably the Employer as its agent. Unless the context of the Plan clearly indicates otherwise, the word "Employer" shall be deemed to include each Participating Employer as related to its adoption of the Plan.
