Reply STOP
when you
leave Larimer
County

- Receive alerts for imminent threat to life situations such as flood, wildfire, police activity, etc.
- Alerts are sent via text message for ALL of Larimer County.
- Follow instructions in the alert and go to www.nocoalert.org for more info.
- Text and data rates may apply.
- Simply reply STOP when you leave the area or no longer want to receive alerts.

You may be staying in a high hazard area. We recommend that you sign up for NOCOAlert for the duration of your stay to be informed of any emergency situations or evacuations.
