

**LARIMER COUNTY ORDINANCE
REGULATIONS RELATING TO THE ACCUMULATION & REMOVAL OF RUBBISH**

This document outlines how Larimer County compels the removal of rubbish, including trash, junk, debris, and garbage, from lots and tracts of land within unincorporated Larimer County.

It specifies procedures for notifying and working with property owners in order to remove rubbish from their property and for obtaining an administrative entry and seizure warrant allowing Larimer County to clean up a property when rubbish has not been removed within a specified time period.

WHEREAS, the State of Colorado has adopted statutes, C.R.S. § 30-15-401, *et. seq.*, as in effect now and hereafter amended, empowering the Larimer County Board of County Commissioners to adopt ordinances for control or licensing of those matters of purely local concern, including the removal of rubbish from lots and tracts of land within unincorporated Larimer County; and

WHEREAS, the Board has previously adopted local ordinances concerning the removal of rubbish from lots and tracts of land within Larimer County in both Ordinance No. 062020170001, dated December 5, 2016, and the amendment to Ordinance No. 062020170001, dated March 11, 2019; and

WHEREAS, the Board wishes to adopt and clarify such procedure for the removal of rubbish within Larimer County;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Larimer County, Colorado to adopt the following ordinance:

- B. The manner by which such an ordinance is enforced may be prescribed by the Board of County Commissioners and may include removal of rubbish performed by Larimer County upon notice and failure of the property owner to remove rubbish. Pursuant to C.R.S. section 30-15-401(1)(a)(I)(A), as in effect now and hereafter amended, the reasonable costs incurred from any such removal by Larimer County may be assessed upon the lots and tracts from which rubbish has been removed, and collected in the same manner as other taxes.

Section 2. Purpose.

Board of County Commissioners of Larimer County, Colorado, finds and declares that controlling and eliminating the accumulation of rubbish within unincorporated Larimer County is necessary to preserve the public health, safety and welfare of the citizens of Larimer County.  - i. If a hearing is requested by the Property Owner pursuant to Section 6(B)(c):
 1. The date of any requested hearing shall be as soon as practicable considering the Board's calendar. Written notice of the date of the hearing shall be sent via first class mail to the Property Owner at least seven (7) business days prior to the date of the hearing.
 2. At the hearing, the Board will receive relevant information from the property owner and others bearing on the issue of whether the condition of the property violates this Ordinance. The Property Owner shall have the burden to show by a preponderance of the evidence that the property does not violate this Ordinance.
 3. The Board will provide a written determination within ten (10) days of the hearing.
