

INTERNAL COMMUNICATIONS

Establish a culture in which employees are informed, engaged, and connected to be able to carry out their job duties in support of both department and county goals and objectives.

GOAL 1

Provide employees with the information they need to complete their job duties, awareness of programs and benefits to help them make educated decisions as it relates to their employment, and a clear understanding of their contribution to the organization.

GOAL 2

Provide employees with successful engagement tools & create channels for employee feedback, suggestions, and concerns.

GOAL 3

Provide employees with resources to stay connected with one another and the objectives of the Larimer County organization, as well as recognize employees who have gone above and beyond in their roles.
