

ORTHOPAEDIC CARE JUST GOT EASIER

When you're injured or dealing with joint, muscle, or spine pain, the last thing you need is scheduling delays or financial stress.

Larimer County has partnered with Orthopaedic & Spine Center of the Rockies (OCR) to provide employees with faster, easier access to specialized orthopaedic care.

Get the Care You Need, Without the Hassle

Using the Larimer County employee portal, you'll receive:

- ✓ Priority scheduling with orthopaedic doctors and therapists.
- ✓ 24/7 chat support for injury guidance.
- ✓ Easy online appointment requests.
- ✓ No upfront payment required before surgery.
- ✓ Billing collected after services are provided.

This means fewer barriers, less waiting, and more peace of mind.

When Should You Use This?

- Sports or recreation injuries
- Joint pain (knee, hip, shoulder, etc.)
- Back or spine concerns
- Age-related wear and tear
- Ongoing orthopaedic conditions

Whether you want quick guidance or need to see a specialist, help is just a few clicks away.

OCR includes 95+ providers across 6 regional campuses. Giving you access to some of the region's most specialized orthopaedic experts.
