

# Join the Movement to Reverse Type 2 Diabetes and Pre-Diabetes

Now Covered by Larimer County  
{{Company Name}}

# Virta can help you reverse type 2 diabetes and prediabetes.

Virta uses the clinically-proven combination of nutritional ketosis, medical supervision, and one-on-one health coaching. You also get all the supplies you need for biomarker tracking, access to a private patient community, and curated recipes, food guides, and meal plans!

---

## Virta can help you:

- ⬇ Lower blood sugar
- ⬇ Decrease medications
- ⬇ Reduce A1c
- ⬇ Lose weight
- ⬇ Lower triglycerides

## How is Virta different?

- ⊘ No calorie counting
  - ⊘ No fasting
  - ⊘ No exercise required
  - ⊘ No medication
  - ⊘ No surgery
- 

## WHO IS VIRTA FOR?

Virta is available to Larimer County employees, spouses, and adult dependents between the ages of 18 and 79 who are enrolled in a Larimer County health plan through Meritain. This benefit is currently being offered to those with type 2 diabetes and prediabetes.

## WHAT'S THE COST?

There is no copay or out of pocket cost for the treatment—Larimer County is fully covering the cost of Virta for those that qualify!
