# COMMUNITY CONVERSATIONS

Aging is a reality, but how should that reality look? How will your community support you as you age? Join us to discuss these questions and more at our Community Conversations hosted by the Larimer County Office on Aging. These dynamic conversations will allow you to share your vision for the future, concerns and suggestions about how to make Larimer County a great place to grow up and grow old. Thoughts shared will be utilized in the development of the Office on Aging's Four Year Plan. Let your voice be heard!
