**Summaries of written comments filed with the election officer:**

**The following summaries were prepared from comments filed by persons FOR Ballot Issue 6A:**

SUPPORT THE VOLUNTEER FIREFIGHTERS WHO PROTECT US – VOTE YES ON Ballot Issue 6A!

The Fire District is an all-volunteer Fire/EMS department. Almost every penny the Fire District has to provide its volunteers with essential firefighting/EMS clothing and equipment, fire trucks, water tenders, and ambulance, comes from a very low tax on property within the Fire District's boundaries. Without this continuation of tax revenue our firefighters/EMS cannot do their jobs of protecting families from both wildfires and medical emergencies.

Residents spoke loud and clear in a recent gathering. The message? The continuation of the tax mill levy is needed for delayed maintenance. Facility improvements and expansion are needed for the health and safety of the volunteers. They are in favor of the continuation.

**The following summaries were prepared from comments filed by persons AGAINST Ballot Issue 6A:**

No comments were filed by the constitutional deadline.
