

Notice of Public Comment – Voter Service and Polling Centers

For General Elections, the Larimer County Clerk and Recorder is required to designate a minimum number of Voter Service and Polling Centers. The Larimer County Clerk and Recorder will be required to designate **20** Voter Service and Polling Centers for the November 5, 2024, General Election.

Notice is hereby given that the Larimer County Clerk & Recorder will receive written public comment beginning on February 29, 2024, through April 29, 2024, regarding the location of Voter Service and Polling Centers throughout Larimer County.

Proposed Voter Service and Polling Center locations must take under advisement the following statutory criteria:

- A) Proximity to public transportation lines and availability of parking;
- B) Geographic features, such as mountain passes, that tend to affect access and convenience;
- C) Equitable distribution across the county so as to afford maximally convenient options for electors;
- D) The existence and location of population centers;
- E) Access for persons with disabilities;
- F) Use of existing voting locations that typically serve a significant number of electors;
- G) Use of public buildings that are known to electors in the county, especially to the extent that using such buildings results in cost savings compared to other potential locations;
- H) When private locations are considered or designated as voter service and polling centers, methods and standards to ensure the security of voting conducted at such locations;
- I) Proximity to historically under-represented communities;
- J) If a proposed location was used in a previous election, the number of electors that used the location in the previous election and the recorded wait times at the location, or the number of electors and recorded wait times at nearby locations; and
- K) The need to place voter service and polling centers in population centers that had lower voter turnout in previous elections.
