

# APPLICATION ASSISTANCE

## Understanding eligibility and benefits can be overwhelming.

**Are you 60 or over or 18 and over living with a disability?** We offer assistance to help you complete and submit Long-Term Care Medicaid or Medicare Savings Programs applications. Lean on us to help you understand the programs and services that may be beneficial for you and for which you may qualify.

### The Larimer County Office on Aging and Aging and Disability Resources for Colorado (ADRC) knowledgeable staff **CAN:**

- Assist and inform about Long-Term Care Medicaid and Medicare Savings Programs benefits, eligibility criteria, the application process and the documentation to include with applying
- Assistance is provided from the beginning to the end of the application and approval process
- Assistance with questions about the status of your application and for requests for additional documentation

### The Larimer County Office on Aging and Aging and Disability Resources for Colorado (ADRC) knowledgeable staff **CANNOT:**

- Assist with financial eligibility status or function eligibility status for applications who submitted applications outside of the Office on Aging or ADRC
- Provide legal advice
