

2019-2020 ANNUAL PLAN FOR LARIMER COUNTY INFORMATION TECHNOLOGY

Guiding Principles/Values	Purpose	Targets (3-5 yrs)	Goals (1 year)
<ul style="list-style-type: none"> Connect with customers Customer-Centric Value Enterprise Quality-Minded Empowered Healthy work-life balance <ul style="list-style-type: none"> Integrity Humility Respect Learn from Failure Help Others 	<p>Critical enabler of County services and programs by utilizing technology services and solutions to realize value</p>	<ul style="list-style-type: none"> Simplified Intake process. Reduced telephone calls to Service Desk Team-based support model Standardized tools Collaborative Environment 	<ol style="list-style-type: none"> Improve Customer Experience Visibility Simplify how customers initiate and track IT work Investigate organization changes to facilitate customer experience
	<p>What we don't do:</p> <ul style="list-style-type: none"> Governance decisions Attempt to solve every technology issue ourselves...we triage and outsource as necessary Hand off problems or customers to someone else without follow-up 	<p>3-5 Year Priorities</p> <ul style="list-style-type: none"> Continue building IT based on sound best practices Evolve our culture and refine our communications Fully implement county Governance 	<p>Key Objectives (annual)</p> <ol style="list-style-type: none"> Customer Segment review Customer Dashboards KPI for accountability Clean up Call volumes Map as-is service delivery Standard tools & terminology Investigate delivery models Incident Escalation process
	<p>Value</p> <ul style="list-style-type: none"> Tie technology to citizen services value Faster service A secure environment We help you do your business better We help you focus on serving citizens 	<p>Brand Promise "Partnering to drive value."</p> 	<p>Critical Needs</p> <ul style="list-style-type: none"> Customer engagement and common understanding Support from County leadership A consistent methodology for budgeting for IT Open and honest communication
	<p>Primary Customers</p> <ul style="list-style-type: none"> Elected Offices Non-Elected Services Internal Support Services 	<p>Brand Promise KPI's</p> <ul style="list-style-type: none"> Customer Health w.r.t. IT services Operational IT measures 	<p>Critical Dates</p> <ul style="list-style-type: none"> June-August: Budget for the next year EOY 2019 to determine service delivery model

People (Needs & Reputation Drivers)

IT Employees

- Safe and supportive environment
- Collaborative work space
- Communication platform
- Customer understanding

Strengths/Core Competencies:

- Capable and empowered staff
- Best-practice strategy and processes
- Customer mindset
- Agility and technical competence

Customers

- Communication platform
- Value-driven conversations
- Right solutions for the right problems
- Timeliness, accuracy and competence

Stakeholders

- Frequent communication
- Flow of data (measures)
- Engagement with and value perceived by business partners

Weaknesses:

- New/evolving customer engagement model
- Budget and headcount limitations
- Capability level of county services w.r.t technology & process
