

**A RESOLUTION DESCRIBING A PROPOSAL FOR A 0.15% COUNTY-WIDE
TRANSPORTATION SALES AND USE TAX TO FUND ROAD AND BRIDGE AND
OTHER TRANSPORTATION INFRASTRUCTURE IMPROVEMENTS FOCUSED ON
SAFETY, CONGESTION, MAINTENANCE, AND MOBILITY; REFERRING A
BALLOT ISSUE TO THE 2025 COORDINATED ELECTION BALLOT FOR THE
APPROVAL OF SUCH PROPOSAL; AND CALLING AN ELECTION.**

WHEREAS, the transportation system and travel options influence nearly every aspect of mobility, safety, and the quality of life for Larimer County residents and visitors; and

WHEREAS, there is a need for improvements to the transportation system in Larimer County, to improve safety and mobility, to become more resilient against disasters, to manage traffic congestion, and to improve multimodal transportation including bicycle lanes/pedestrian routes, public transit, and community mobility programs; and

WHEREAS, the County's roads provide vital connections between our communities and access to recreation; and

WHEREAS, the County is responsible for maintaining approximately 767 centerline miles of mainline paved and unpaved roads, 229 bridges that fall under the provisions of the National Bridge Inventory Standards, 480 minor bridge and culvert structures having 4 feet to 20 feet span lengths; and

WHEREAS, the County transportation system is used by and serves to deliver goods and services to the entire Larimer County community including residents of unincorporated Larimer County, Fort Collins, Loveland, Wellington, Windsor, Berthoud, Estes Park, Timnath, and Johnstown; and

WHEREAS, Larimer County is home to over 370,000 people, which is 50,000 more residents than 10 years ago, and by 2050 the population is projected to be over 490,000 leading to more demand on the roads and transportation system; and

WHEREAS, approximately 70% of Larimer County residents and employees commute outside of the community where they live, often using county roads; and

WHEREAS, even with decades of responsible budget management to address transportation maintenance and infrastructure projects, the needs far exceed the available funding, and the Board has determined that there is and will be an increasing deficiency in available funds to improve and ensure the safety of roads and bridges in the County; and

WHEREAS, the County's available road funding from property taxes is allocated almost entirely to maintenance of the existing roadway system, and maintenance costs have been significantly increasing; and

WHEREAS, based on community input gathered since 2023, the Board adopted a strategic goal to identify a sustainable, dedicated funding source for transportation improvement projects to address the safety, functionality and longevity of County roads, bridges and other transportation infrastructure, to maintain and construct County capital projects and improvements, and to sustain and expand services to the residents, employees, and visitors of Larimer County; and

WHEREAS, in 2025, after a year of community engagement and analysis, the Board approved an updated Transportation Plan, “Larimer on the Move,” which identifies a Vision and Goals and over 500 projects throughout the unincorporated county, and projects to address safety needs; and

WHEREAS, the Board finds that a sales tax increase of 0.15% of taxable transactions (which represents a 15 cents increase on each one-hundred dollar purchase) will help Larimer County increase necessary funding to address priority transportation needs and could be used for improving safety and capacity on roads, improving intersections, adding sidewalks and crossing improvements for pedestrians, adding bike lanes, widening roads and bridges, improving access to transit and maintaining roads and bridges; and

WHEREAS, the Board finds that a sales tax increase of 0.15% of taxable transactions as stated herein will promote the health, safety and welfare of the Larimer County community and offers community benefits; and

WHEREAS, Article 2 of Title 29, Colorado Revised Statutes, as amended, authorizes referral of a county-wide sales and use tax to the registered electors of a county either by resolution adopted by the Board of County Commissioners of such county or by petition initiated and signed by five percent of the registered electors of such county, and if approved by a majority of registered electors voting thereon, such sales and use tax shall be effective throughout the incorporated and unincorporated portions of Larimer County; and

WHEREAS, the Larimer County Board of County Commissioners believes it is in the best interests and welfare of the Larimer County community that voters have the option of voting on the imposition of a sales and use tax to fund the transportation purposes described in this Resolution; and

WHEREAS, pursuant to §29-2-104(3), Colorado Revised Statutes, as amended, the Board of County Commissioners of Larimer County (“County”) in the State of Colorado (“State”) desires to refer to the registered electors of Larimer County a proposal for a county-wide sales and use tax at the next general election on November 4, 2025, a day which is within the next succeeding 120 days after the adoption of this Resolution; and

WHEREAS, section 29-2-105, Colorado Revised Statutes, as amended, requires that a proposal for a county-wide sales and use tax contain certain provisions concerning the amount, levying and scope of such tax; and

WHEREAS, Article X, Section 20 of the State Constitution requires voter approval of the proposed county-wide sales and use tax.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF LARIMER COUNTY that there shall be referred to the registered electors of Larimer County at the general election to be held on November 4, 2025, the following proposal:

A credit shall be granted against the use tax imposed by the County with respect to a person's storage, use, or consumption in the County of tangible personal property purchased in another statutory or home rule county. The amount of the credit shall be equal to the tax paid by the person by reason of the imposition of a sales or use tax of the other statutory or home rule county on the purchase or use of the property. The use tax imposed hereby shall be collected by the authorized agent of the Department of Revenue in this county. The proceeds of said use tax shall be paid to the County periodically in accordance with an agreement entered into by and between the County and the Department of Revenue.

Section 4. THAT distribution of all sales and use tax collected by the Department of Revenue, pursuant to this proposal, shall be to the County, which shall expend such moneys as described herein.

Section 5. THAT except as provided by §39-26-208 Colorado Revised Statutes, as amended, any use tax imposed shall be collected, enforced, and administered by the County:

Any person required to obtain a building permit within Larimer County and the owner of the real property shall be jointly and severally responsible for paying the Larimer County Sales and Use Tax. Prior to the issuance of a building permit, an amount of tax to be held on deposit shall be estimated by determining the building value for permit purposes and multiplying that value by a percentage prescribed by the Community Development Director. - (a) The owner and/or contractor shall keep and preserve all invoices, receipts and statements showing such purchases of construction materials and supplies, tangible personal property for a period of three (3) years after completion of construction. The County may, within that three-year period, conduct an audit of such records of the owner and/or contractor and any other relevant information to verify the actual cost of the construction materials and supplies, tangible personal property, and taxable services used therein to determine the actual tax due. If the actual tax due is more than that paid by the taxpayer, the Financial Officer shall serve a notice of determination, assessment, and demand for payment on the taxpayer notifying him or her of the deficiency which may include penalty and interest.

Section 6. THAT if the majority of the qualified electors voting thereon vote for approval of the county-wide sales and use tax, such county-wide sales and use tax shall be effective throughout the incorporated and unincorporated portions of the County beginning January 1, 2026, and ending December 31, 2040.
