Filing a Claim

Claims should be filed on our forms. If we do not provide our forms within 15 days after they are requested, the claim may be submitted in a letter to us.

Time Limits on Filing Proof Of Loss

Proof Of Loss must be provided within 90 days after the date of the Critical Illness. For Additional Benefits, Proof Of Loss must be provided within 90 days after meeting the requirements for the Additional Benefits. If that is not possible, it must be provided as soon as reasonably possible, but not later than one year after that 90-day period.

If Proof Of Loss is filed outside these time limits, the claim will be denied. These limits will not apply while the claimant lacks legal capacity.

Proof Of Loss

Proof Of Loss means written proof that a Critical Illness or entitlement to an Additional Benefit occurred:

- For which the Group Policy provides benefits.
- Which is not subject to any exclusions.
- Which meets all other conditions for benefits.

Proof Of Loss includes any other information we may reasonably require in support of a claim. Proof Of Loss must be in writing and must be provided at the expense of the claimant. No benefits will be paid until we receive Proof of Loss satisfactory to us.

Investigation of Claim

We reserve the right to investigate a claim at any time at our expense, including an examination conducted by specialists of our choice. In case of death, we have the right and opportunity to request an autopsy, except where prohibited by law.

Notice of Decision on Claim

We will evaluate a claim for benefits promptly after we receive it. Within 60 days after we receive the claim we will send the claimant: (a) a written decision on the claim; or (b) a notice that we are extending the period to decide the claim for an additional 60 days.

If we extend the period to decide the claim, we will notify the claimant of the following: (a) the reasons for the extension; and (b) when we expect to decide the claim.

If we deny any part of the claim, we will send the claimant a written notice of denial containing:

- The reasons for our decision.
- Reference to the parts of the Group Policy on which our decision is based.
- A description of any additional information needed to support the claim.
- Information concerning the claimant's right to a review of our decision.

Review Procedure

If all or part of a claim is denied, the claimant may request a review. The claimant must request a review in writing within 60 days after receiving notice of the denial of the claim.

The claimant may send us written comments or other items to support the claim. The claimant may review and receive copies of any non-privileged information that is relevant to the request for review. There will be no

charge for such copies. Our review will include any written comments or other items the claimant submits to support the claim.

We will review the claim promptly after we receive the request. With respect to all claims, within 45 days after we receive the request for review we will send the claimant: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days.

If an extension is due to the claimant's failure to provide information necessary to decide the claim on review, the extended time period for review of the claim will not begin until the claimant provides the information or otherwise responds.

If we extend the review period, we will notify the claimant of the following: (a) the reasons for the extension; and (b) when we expect to decide the claim on review.

If we request additional information, the claimant will have 45 days to provide the information. If the claimant does not provide the requested information within 45 days, we may conclude our review of the claim based on the information we have received.

Unpaid Premium

Any unpaid premium due for your or your Dependent's Critical Illness Insurance under the Group Policy may be recovered by us. Any Critical Illness Benefits payable to you or your Dependent, a claimant, a beneficiary or legal representative will be applied to reduce the amount of any unpaid premiums prior to paying you or your Dependent, a claimant, a beneficiary or a legal representative.

SECTION 8 General Policy Provisions

GENERAL PROVISIONS

Assignment

- The date we receive Proof Of Loss.
- The time within which Proof Of Loss is required to be given.

Incontestability of Insurance

- The insurance would not have been approved if we had known the truth.
- We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

After insurance has been in effect for two years during the lifetime of the insured, we will not use a misrepresentation to reduce or deny the claim, unless it was a fraudulent misrepresentation.

Clerical Error

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

- Cause a person to become insured.
- Invalidate insurance under the Group Policy otherwise validly in force.
- Continue insurance under the Group Policy otherwise validly terminated.

Agency

The Policyholder and your Employer act on their own behalf as your agent, and not as our agent. Individuals selected by the Policyholder or by any Employer to secure coverage under the Group Policy or to perform their administrative function under it, represent and act on behalf of the person selecting them, and do not represent or act on behalf of us. The Policyholder and your Employer have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

Misstatement of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on the following:

**NOTICE OF
PROTECTION PROVIDED BY
LIFE AND HEALTH INSURANCE PROTECTION ASSOCIATION**

This notice provides a **brief summary** of the Life and Health Insurance Protection Association ("the Association") and the protection it provides for policyholders. This safety net was created under Colorado law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Colorado law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Colorado law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website <http://colorado.lhiga.com>, email jkeldorf@gmail.com or contact:

Insurance companies and agents are not allowed by Colorado law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Colorado law, then Colorado law will control.
