Dear Participant,

Larimer County is offering you the opportunity to participate in our wellness program. You have been pre-approved to participate in a screening through your own physician or with the Wellness Clinic. Please complete the following steps to ensure your results are received in a timely manner.

- 1. Make a biometric screening appointment with the Wellness Clinic or a physical appointment with your Primary Care Physician. This appointment will need to be completed on or before 09/30/2021.
- 2. Keep your scheduled appointment for a physical only. Do not include a visit for your physical with other visits, like being sick for example. Make sure that you complete the participant sections of the "Physician Wellness Screening Results Form" prior to your doctor's appointment.
- 3. Remember to fast 12 hours prior to your appointment. Nothing to eat or drink except water. Take medication as prescribed, and if you are unable to fast due to a medical condition, please follow your doctor's orders.
- 4. Take the "Physician Wellness Screening Results Form" to your appointment. Ask your physician to fill out the "Biometric Screening Results" section of the form with your physical results. Don't forget to fill out the rest of the form yourself.
