NOTES: Birds in Bold type have been seen in Open Space.

> Report rare bird sightings via the COBIRDS listserve at: https://groups.google.com/forum/?fromgroups#!forum/cobirds

> > or contact Colorado Field Ornithologists at: https://cobirds.org/Contact.aspx

Fort Collins Audubon Society Serving Larimer County and Surrounding Areas

Our Mission

To promote the appreciation, conservation, and restoration of ecosystems, focusing on birds and other wildlife, through education, participation, stewardship, and advocacy.

Devil's Backbone Open Space Field Check List

January 2020

Date	Weather		
Time in field	Distances	by car	by foot
Locality			
Total Species	Indiv	iduals	
Observers			

Season

- Spring, summer, and fall (migration and summer)
- M Migration (spring and late summer into fall)
- Ms Migration, but more numerous in spring than in fall
- Mf Migration, but more numerous in fall than in spring
- W Winter (late fall through the winter)
- Y Year-round, in roughly the same number throughout year
- Ys Year-round, but more numerous in migration and summer
- Ym Year-round, but more numerous in migration
- Yw Year-round, but more numerous in migration and winter

Abundance

- A Abundant: may be seen daily in suitable habitat, and counted in relatively large numbers
- Common to fairly common: may be seen daily in suitable habitat, and counted in significant but not large numbers
- Uncommon: may be seen in suitable habitat and season in relatively small numbers
- Rare: seen infrequently and perhaps not even annually
- Very rarely seen, but several records exist for Larimer County
- Visitor, casual or accidental: few records or only one record
- Irregular: present in numbers some years; scarce other years

Breeding Status

- Confirmed breeder in Larimer County
- Probable or possible breeder in Larimer County

No letter: non-breeder

Notable subspecies or color variants appear indented below species name.

Adapted from: Birds of Colorado by R. Andrews and R. Righter, Denver Museum of Natural History, 1992 and Colorado Breeding Bird Atlas edited by Hugh Kingery, Colorado Bird Atlas Partnership, 1998. Updated from Colorado Bird Records Committee reports published in the Journal of the Colorado Field Ornithologists, subsequent breeding bird atlases, and eBird.org data. Names and taxonomic order conform to the American Ornithological Society's 58th Supplement to the Checklist of North American Birds, July 2017. Contributors to this checklist and previous versions of the checklist include Andy Bankert, Ron Harden, Joel Hurmence, Nick Komar, Dave Leatherman, John Shenot, and Sean Walters.
