

CHECKLIST

The following are REQUIRED to complete your review:

- A. \$100 application fee
- B. A brief written description of the scope of work and what changes/construction will occur.
- C. Proposed menu & food handling procedures - Breakfast/Lunch/Dinner (including seasonal, off-site catering, and banquet menus).
- D. Drawings/schedules (please note that not all may be required based on scope of work):
 - 1. Site plan: showing location of business in building, location of building on site (including alleys and streets), and location of any outside equipment (dumpsters, grease interceptor, well, septic system, etc.).
 - 2. Floor plan: show location of equipment, plumbing, and location of *hood and make-up air returns and ducts, *if applicable. (Minimum 1/4 inch scale for architectural renderings). Please identify any garage doors and outer openings.
 - 3. Plumbing plan: show location of floor sinks and floor drains, restrooms, toilets, urinals, and all hand washing sinks, grease trap, grease/solids interceptor (if required by the local building, water, or sanitation authority) hose bibs and hose reels, laundry facilities etc.
 - 4. Electrical Plan: show locations and specifications of lights.
- E. Equipment Specifications: Sheets must include make and model numbers and all equipment must be designed and constructed to be durable and to retain their characteristic qualities under normal use conditions. Please note: If a specification sheet lists more than one piece of equipment, identify the specific equipment to be used.
- F. Food Protection Manager Certification: Provide manager certification documentation (if applicable).
- G. Vomiting & Diarrheal Event Clean-Up Procedures. Submit plan describing how vomiting and diarrheal events will be cleaned within the establishment.
- H. Employee Illness policy. Information regarding exclusions and restrictions can be provided.
- I. Completed Plan Review Packet (Attached)

Plumbing Fixtures

Complete table below for all food related plumbing fixtures:

ID # on Drawings/Plan	Fixture or Equipment	# of Fixtures
	Hand Sinks	
	Dish Machines	
	Garbage Disposals	
	3-Compartment warewashing sinks	
	Food Preparation Sinks	
	Hose Bibs	
	Ice Bins/Machines	
	Beverage Machines	
	Mop/Utility Sink	
	Chemical Dispensing Units	
	Dump Sink	
	Other:	
	Other:	
	Other:	

Note:

- Approved backflow protection must be supplied on all fixtures and equipment with submerged inlets.
- Vacuum breakers must be installed on water inlet lines for dishwashing machines, garbage disposals, and hose bibs.
- Carbonated beverage machines require an ASSE 1022 dual check valve with a minimum 100 mesh screen and may require a drain.
- Continuous pressure backflow protection devices must be installed on water lines where a valve or shut off is located between the backflow device and the inlet to the fixture/equipment, such as hose reels and pitcher rinsers.
- Indirect drainage is required for all warewashing (3-compartment and dish machines) food preparation sinks, ice bins/machines, beverage machines, and walk-in refrigeration units.
- Items may not drain into buckets.

Plumbing - Sink Sizes

Manual Warewashing Information: The minimum requirement for warewashing in a food establishment is a three-compartment sink. A mechanical warewashing machine may be installed in addition to the three-compartment sink.

Include the size of each compartment (*length x width x depth*) of the warewashing sinks, soiled and clean drainboard lengths, and whether or not a pre-rinse spray hose will be installed for each warewashing area, including bars.

Manual Warewashing Information				
ID# on Plans	Length (inches) of soiled drainboard	Dimensions (inches) of Sink Compartments (LxWxD)	Length (inches) of Clean Drainboard	Pre-Rinse Sprayer Yes/No
		x x		
		x x		
		x x		

Note: Warewashing sinks must be large enough to accommodate the largest piece of equipment or utensils used.

Mechanical Warewashing Information, if a machine is provided:

Provide make and model numbers and attach specification sheets for each warewashing machine. Please indicate if the machine is heat or chemical sanitizing. Indicate soiled and clean drainboard length, whether or not a pre-rinse spray hose will be used, utensil soak sink dimensions and water usage in gallons per hour (GPH).

Mechanical Warewashing Information						
Make	Model#	Select one: Heat/Chemical Sanitizing	Drainboard Length (inches)	Pre-rinse Yes/No	Utensil Soak Sink Dimensions (inches) (LxWxD)	Water Usage (GPH)
					x x	
					x x	

If heat sanitizing on a dish machine, is a separate booster heater provided?
If yes, complete Table 3 on next page.

YES NO

Water Heater Information

Provide the following water heater information in Tables 1, 2, and 3 as applicable. Attach specification sheets.

Note: If more than one water heater is to be installed, please indicate which plumbing fixtures each heater or system will service.

Table 1

Water Supply and Sewage

Water Supply

Select the type of water supply system that services the establishment

Community/Public- Name of district:

Non-Community- Public Water System ID Number (PWSID):

Private - ** If the retail food establishment does not meet the definition of a public water system in accordance with the *Colorado Primary Drinking Water Regulations* additional monitoring and sampling is required. For more information about the *Colorado Primary Drinking Water Regulations* please visit:

<https://www.colorado.gov/pacific/cdphe/water-quality-control-commission-regulations>

a. Submit a copy of the most recent water sample test results and a piping diagram of the disinfection system. Include size of holding tank(s), pressure tank(s), make and model number of treatment system, etc.

Private Drinking Water Supply Information

Private System Type: Well Surface water influence

Depth (feet)	
Method of Disinfection	
Filtration (if applicable)	

Sewage Disposal

Select the type of sewage disposal system that services the establishment.

Municipal/Public - Name of district:

On-site Waste Water Treatment System - Indicate location on site plan and attach a copy of the permits for the system.

Food Handling Procedures

If Standard Operating Procedures (SOP's) are available please submit with plans.

Procedures	Yes	No
Will foods be held cold?		
Will foods be held hot?		
Will produce be washed?		
Will foods be cooled after cooking?		
Will foods be reheated after cooling?		
Will frozen foods be thawed?		
Will foods (raw meats, for example) be cooked?		
Will raw or undercooked animal foods be served? (sushi, breakfast eggs, or cooked-to-order meat, for example)		
Will foods be sold to other retail food establishments?		
Will catering be conducted?		
Will you have a salad bar or buffet?		
Will bulk food items (candy, trail mix, etc.) be sold to the public?		

Food Handling Procedure Descriptions

Complete Applicable Sections

A. List the foods that will require rapid cooling (examples: rice, green chili, soup, etc.):

In addition, describe what methods will be used in your facility to rapidly cool cooked food. Check only those that apply in your establishment.

- | | | |
|-------------------------|----------------|---------------------------------------|
| Under refrigeration | Ice water bath | Adding ice as an ingredient |
| Rapid cooling equipment | Shallow pans | Separating food into smaller portions |
| Other | | |

B. Describe what methods will be used in your facility to rapidly reheat cooled foods/leftovers.

List the equipment that will be used for reheating: Under refrigeration
 As part of cooking process

- Stove Microwave Other:

C. Describe how frozen foods will be thawed.

- | | | |
|------------------------------|---------------------|----------------|
| Under refrigeration | Under running water | In a microwave |
| As part of a cooking process | CH\Yf: | |

D. Describe where personal items will be stored.

E. Describe where chemicals used for operation will be stored.

F. How will bare hand contact with ready-to-eat foods be prevented during preparation?

- Gloves Utensils Deli Tissue Other:

G. Food will primarily be served on:

- Multi-use Tableware Single-service Tableware Both

Variance Requirement

If your operation includes any of the following specialized processing methods you must obtain a variance from the Colorado Department of Public Health & Environment:

(Check all boxes that apply to your operation)

- A. Smoking food as a method of preservation rather than as a method of flavor enhancement
- B. Curing food
- C. Using food additives or adding components such as vinegar:
 - a. As a method of food preservation rather than as a method of flavor enhancement, or
 - b. To render the food so that it is not time/temperature control of safety food
- D. Packaging TCS Food using a reduced oxygen environment
- E. Operating a molluscan shellfish life support system display tank
- F. Custom processing of animals that are for personal use as food
- G. Sprouting seeds or beans

HACCP Requirement

If your operation includes any of the following procedures you will need a HACCP Plan that meets the requirements of 3-502.12 and a designated work area accessible only to responsible trained personnel.

(Check all boxes that apply to your operation)

- H. Vacuum Packaging
- I. Sous Vide
- J. Cook·Chill

Annex 3: Employee Hygiene Guidance and Requirements

The purpose of this guidance document is to encourage employee practices and behaviors that can help prevent food handlers from spreading viruses and bacteria to food that cause foodborne illness outbreaks. Below is a list of highly infective pathogens that are transmissible through food and cause severe illness:

1. Norovirus
2. Hepatitis A virus
3. *Salmonella Typhi*
4. *Shigella spp.*
5. *Escherichia coli (E. coli) O157:H7* (or other Enterohemorrhagic or Shiga toxin-producing *E. coli*)
6. Other enteric bacterial pathogen such as *Salmonella* or *Campylobacter*

If an employee has been diagnosed by a health practitioner to have any of these pathogens, prior to returning to work, they must be cleared by their health practitioner and the Health Department. In lieu of a diagnosis of any of these pathogens, employees can return to work if they have been free of the symptoms listed above for 24 hours or more.

Section 2-201 of the *Colorado Retail Food Establishment Rules and Regulations* states that management has the responsibility to inform and monitor conditional employees or food employees to ensure that they have good hygienic practices and know when they should not come to work because of illness.

Should employees exhibit the following symptoms, refer to section 2-202 of the *Colorado Retail Food Establishment Rules and Regulations* to determine when a food handler should be excluded or restricted from food handling duties:

- Vomiting
- Diarrhea
- Jaundice (yellow skin or eyes)
- Sore throat with fever
- Infected cuts and burns with pus on hands and wrists

Use this diagram to help you determine whether an employee should be restricted or excluded from food handling at your facility.

Dedicated to protecting and improving the health and environment of the people of Colorado

Please review this document carefully. Failure to submit all completed documents as described below will delay the renewal of your license.

Subject: Implementation of C.R.S., 24-76.5-101, et. seq., “Restrictions on Public Benefits” (HB 1023)

To Whom It May Concern:

You will find an affidavit included with your renewal registration/application. All licenses, certifications, and registrations issued to individual owners or sole proprietors by the Colorado Department of Public Health and Environment must be accompanied by verification of citizenship. This requirement does not apply to you if you are not an individual owner or sole proprietor. Verification includes completing the enclosed affidavit and providing a notarized copy of an approved identification. Approved identification includes:

- A valid Colorado driver’s license or a Colorado identification card;
- A United States military card or a military dependent’s identification card;
- A United States Coast Guard Merchant Mariner card;
- A Native American Tribal Document

You may access a notary in your area by conducting a search through directory assistance for “public notaries.” C.R.S., 24-76.5-101, “Restrictions on Public Benefits” became effective August 1, 2006, and requires “each agency or political subdivision of the state” to verify the lawful presence in the United States of every applicant for public benefits. The law requires the verification of citizenship in order for persons eighteen years of age or older to receive certain benefits or obtain a license or certification from the department.

If the recipient of the benefit is under eighteen years of age, the law does not apply.

If you need assistance in complying with this law or if there is additional information you feel we need to be aware of, please do not hesitate to contact us at 303-692-3645.

Sincerely,

Division of Environmental Health & Sustainability

AFFIDAVIT - RESTRICTIONS ON PUBLIC BENEFITS

I, _____, swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

- I am a United States citizen, or
 I am a Permanent Resident of the United States, or
 I am lawfully present in the United States pursuant to Federal law.

I understand that this sworn statement is required by law because I have applied for a public benefit. I understand that state law requires me to provide proof that I am lawfully present in the United States prior to receipt of this public benefit. I further acknowledge that making a false, fictitious, or fraudulent statement or representation in this sworn affidavit is punishable under the criminal laws of Colorado as perjury in the second degree under Colorado Revised Statute 18-8-503 and it shall constitute a separate criminal offense each time a public benefit is fraudulently received.
