

LARIMER COUNTY EXITING EMPLOYEE CHECKLIST

This checklist should be used by a department/office to help ensure necessary tasks are completed as part of an employee separation, for any reason. This checklist is meant to be used as a reminder for certain HR-related activities; it is not meant to identify every task associated with the employee separation process. This checklist should be reviewed immediately upon the department/office learning that an employee will be separating and should be completed **BEFORE** the employee's last day of work. If you have any questions, please contact your Payroll Representative or Human Resources Generalist.

TO BE COMPLETED BY EMPLOYEE:

Employee Name: _____ Employee Number: _____

Date of Separation: _____ Last Day Worked (if different from Date of Separation): _____

New Mailing Address (if different from the one currently on file):

Email Address: _____

Home Phone: _____ Cell/Other Phone: _____

A link to Larimer County's Exit Interview survey will be emailed to you about 2 weeks after your termination date. If you'd prefer to talk to someone in person, please feel free to contact your HR Generalist. Otherwise, please make sure your personal email is listed in UKG (payroll system) before your last day.

Please remember your final paycheck will be directly deposited to your designated account as part of the normal payroll processing timeline (regular pay date). If you wish to change your direct deposit, you must make necessary banking changes online via UKG **BEFORE** the pay period end date in which you'll receive your final check.

If you are moving out of state, this address change will be held in the Personnel Workflow until your last paycheck has been processed.
