Dear Josh,

Thank you so much for the opportunity to serve Larimer County with homelessness prevention through legal representation, education, and advocacy.

Across Colorado, many of your neighbors are experiencing housing injustice and can't afford access to a lawyer. With our team of staff attorneys and over 300 pro bono attorneys, we provide free legal advice and representation, legal clinics, know-your-rights trainings, a Mobile Home Initiative, young adult programs, and housing navigation. We also pursue systemic changes through policy and legislative advocacy at the state and local level.

Like you, we believe no one should experience homelessness for lack of housing justice. We hope to continue working with you in the future.

Sincerely,

Shannon MacKenzie
