The Estes Valley Recreation and Park District received an Immediate Needs Grant from Larimer County for lost revenue due to the Covid-19 pandemic. We used the grant funds to help mitigate revenue lost from the complete closure of our Community Center during the pandemic. In addition, increased costs for Covid protocol measures were incurred when we reopened which further hampered our recovery from the closure. The Immediate Needs Grant assisted with rehiring adequate staff to provide our weekly fitness and aquatic classes. And eased the burden of the cleaning supplies and personnel needed to comply with Covid protocols.
