WE W.I.N.

THE BIPOC ALLIANCE

Collectively, Black, Indigenous, and People of Color of Larimer County are taking action to decolonize systems and institutions, redefine our relationship to social movements across the board, and liberate ourselves and our people.

We are dedicated to building trusting relationships and a mutual support network between BIPOC-led groups and organizations with aligned values.

2022 WIN Grant Recipients Announced

DEEPEST GRATITUDE

ADVISORY CIRCLE

Recipient selection committee consisting of local leaders volunteering their time, wisdom and expertise to advise and support the mission, vision, and values of The BIPOC Alliance.

GRANTS TEAM

Local volunteer team of advocates with in-depth knowledge dedicated to building the financial power for The BIPOC Alliance community. Helped to create the grant application and evaluation framework to support the Advisory Circle's decision-making process.

LARIMER COUNTY

Utilizing available ARPA capital to award The BIPOC Alliance funding to launch the WIN program allowing for the identification of specific needs of the BIPOC business community and the opportunity to award sub grants

WEALTH IN NUMBERS (W.I.N.)

Wealth in Numbers (WIN) is a program developed by The BIPOC Alliance. The objective of WIN is to increase access to capital and resources available to BIPOC and businesses by leveraging the strengths within the northern Colorado BIPOC community.

The program aims to bridge the wealth gap and elevate, educate, and uplift members of the BIPOC community in northern Colorado.

GRANT AWARDS

The BIPOC Alliance is grateful to award grants to support the sustainability and growth of BIPOC-owned businesses in northern Colorado. Grants are awarded to business owners, entrepreneurs, and sole proprietors in the BIPOC community, self-identifying business needs. Funding can be used for needs such as COVID-19 relief, general overhead capital, payroll, marketing, etc. and is at the grantees discretion.

THE IMPACT

Freedom from rigid application processes, severed barriers on who is eligible for funding, autonomy over how funding is used and no intrusive and labor intensive reporting requirements. Successful execution of grant funding model without barriers!

THE PROCESS

- Throughout October - 32 applications received
- November 3 - Application evaluation, due diligence and recommendations completed by Grants Team
- November 8 - Grantee selection completed by Advisory Circle on N
- November 9 - Grantee notified
- November 13 - WIN Gratitude Brunch and Celebration!

THE
BIPOC
ALLIANCE

We, Black, Indigenous, and People of Color (BIPOC) have autonomy and power over our own lives and futures.

Our collective joy, gifts, stories, and cultural and ancestral practices are the life force that weaves our communities together.

We can and will be our whole selves without fear of state-sanctioned and institutionalized violence. White supremacy must be abolished on all fronts.
