

US 287 Safety Improvements (MP 362 to MP 385) | Larimer County Email

UPDATE: US 287 Safety Improvements (MP 362 - 385)

Dear Larimer County Stakeholder,

Following the 2024 US 287 Safety Assessment Study, the Colorado Department of Transportation (CDOT) is moving forward with design and construction for safety enhancements between Bonner Springs Ranch Road and the Wyoming state border (Mile Points 362–385).

This project focuses on intersection safety, passing lanes, shoulder widening, and wildlife collision mitigation.

Project Timeline & Milestones:

- Completed (2025): Signing and striping improvements at the Owl Canyon Road intersection.
- Summer 2026 (Tentative): Construction begins for intersection improvements at Red Mountain Road and Bonner Springs Ranch Road.
- 2027–2028: Planned passing lanes, shoulder widening, and wildlife fencing.
